Poems of Hope and Cheer

Collected by

JOSEPH MORRIS and S. CLAIR ADAMS

Compilers of "It Can Be Done," "Facing Forward," etc.

READY SEPTEMBER

This book, having hope and cheer for its theme, is issued as a companion volume to "It Can Be Done" and "Facing Forward." The present compilation has been done with the same conspicuous merit as distinguished the two previous volumes. The compilers have studiously avoided the duplication of any material in these three volumes, although, as in the two previous books, poems from popular writers of the day—as Riley, Foss, Wilcox, Foley, Stanton, Braley, Kiser, Gillilan, Mason, and many others—are combined with selections from the older authors. The distinct feature of the former anthologies, the headings to the poems, has been retained. Biographical material is given about each author.

This collection of verse is permeated with a healthy and sensible optimism—that optimism which contributes so much to making the world a better place to live in. It is a book to pick up when days are unavoidably dark, when the spirit is trailing in the dust. The poets here represented have sung with a belief in the sunrise; and their sturdy notes of hope and cheer will ever be a tonic to the soul.

'Round Home—(Verse)

Charles S. Kinnison

Home life—its love, its pathos and its humor, are pictured in these verses. The tender charms of little folks; the sweetness of Man and Wife relations; rich recollections of childhood, from bare-foot fun and school days, to the joys of youth and first love; then—home and the babies, the bills, friends at the fireside; a complete picture of home and home life by a man, of whom Edgar De Witt Jones says: "Charles S. Kinnison has something of the whimsicality of Eugene Field, the tenderness of a Riley, and the home-spun philosophy of a Sam Walter Foss. Yet, withal Kinnison is himself, possessing a gift, all his own."

Standard Home Medical Guide

By DR. A. F. VOAK

A book that may be consulted and used as a general source of information and handy reference. It will be found invaluable in the home by placing within reach of all, valuable prescriptions for everyday use in treating the more common and simple diseases.

It contains no secret formulas, only those drugs authorized and conforming to the standard of the United States Pharmacopoeia or the National Formulary.

No attempt is made to treat the more serious diseases, attention merely being called to their gravity and advising the services of the family physician.

The Harvey Hamlyn Books

In "The Harvey Hamlyn Books" we offer to the public a series of little volumes, attractive in appearance and size, diversified in titles, and unusually interesting in contents. Each volume is made up of both poetry and prose, and the selections vary in length from sentence quotations to poems of a page or more. Diversity is further attained by the inclusion of both standard and present-day writers. Another outstanding characteristic of this series is the absolute avoidance of any duplication of material in the different volumes.

To My Pal

Poor indeed is the man or woman, boy or girl, who has not a real pal—another self—with whom to share the joys and intimacies of life. For those who are chums and have chums, this volume gives expression to their deep and enduring friendship. It says what all would say if they could speak with the voice of master writers.

The Joys of Fellowship

READY AUGUST

Compiled by HARVEY HAMLYN

The spirit of good fellows gathered together is expressed in "The Joys of Fellowship." We may do many things alone—many great things—but when we want to have a good time we instinctively seek the association of companions. This may be on a quiet tramp into the country, or around a campfire in the woods where the souls of men revert to their pristine simplicity, or in the cozy corner of a club midst the fragrance of good cigars. The book is infused with the spirit of conviviality, for it is always fair weather when good fellows are together.

Love Conquers All

READY AUGUST

Compiled by HARVEY HAMLYN

"Amor vincit omnia" were the words on the brooch worn by Chaucer's dainty Prioress: "Love conquers all." Indeed, love does conquer all, but it is such a delightful master that millions are willing to be its "slaves." Love is as old as the world, and as new as the kiss stolen last night along lover's lane—it is the center of all things human. As an expression of sincere love between men and women, this volume makes an ideal gift.

The First Principles of Astrology

By WILBER GASTON

This book offers a clear and broad interpretation of the subject of Astrology, and explains how the principles of this ancient science may be applied to present-day life and modern affairs.

The person who knows little or nothing about Astrology will learn, through this book, just what astrology really means; and its conveniently divided chapters will enable the reader to cast an accurate Horoscope without the necessity of mathematical calculations. Every part of the book is interesting and easily understood; and each chapter is complete in itself. While this volume is intended primarily for the beginner, even advanced students will obtain from it a fresh viewpoint upon the vital points of the subject.

"The First Principles of Astrology" gives more than a general summary of characteristics; it furnishes specific and detailed information, based entirely upon the date of birth. The book is at the same time simple yet comprehensive; the chapters dealing with the influence of Heredity and Environment explain many principles that have never before been expounded.

It is a book that everyone can read and enjoy.

The Science of Numerology

1927

What Numbers Mean to You

By WALTER GIBSON

This volume is issued in response to a demand for an authoritative book on one of the most interesting subjects of the day. The science of numbers is as old as mankind, and the relation of numbers to the lives of men has been a matter of investigation since the days of the Greek philosophers, centuries before Christ. It is only recently, however, that this absorbing science has again been applied the affairs of men.

While this book is authoritative and adequately complete in its treatment of numerology, it is simple and easily understood. The material is logically arranged. First the numbers and their meanings are taken up, and then the laws by which they are applied to the individual are explained. Several typical "readings" are given, and one chapter is devoted to an amazing account of the relation of numbers to the lives of many great men. A table of the combinations of numbers governing outstanding human characteristics is given, and the best numbers for many professions and occupations are listed.

Numerology, as explained in this book, is immediately applicable; after half an hour's study the reader can begin his fascinating work with numbers. Not only is it the easiest of the so-called occult sciences to learn, but it is the most adaptable to social gatherings. Any person with a reasonable knowledge of the subject will readily become the center of an interested group.

Fun With Cards

Solitaires, Tricks and Fortunes

By DEAN BRYDEN,
Author of "Palmistry for Pleasure"

READY SEPTEMBER

Just the sort of book to give a friend starting on a journey or to give an invalid or to keep on hand for one's own amusement. Fun with Cards tells how to play thirty games of solitaire—how to perform card tricks—and how to tell fortunes with cards.

The solitaire games range from the very simplest to the most complicated so that everyone from the seven-year old child to the mathematical "shark" can be sure of finding several congenial varieties. In addition to complete directions for thirty games there are helpful suggestions for winning. And in the case of the more difficult forms of solitaire, the whole game is played out move, by move.

The second section consists of mystifying card tricks which are never-the-less very simple when you know how.

Some of the methods of fortune telling are old favorites while others are now being published for the first time.

Throughout the book are plentiful diagrams and all the explanations have been made so simple that they detract nothing from your pleasure in using the book.

It Can Be Done

Poems of Inspiration

Collected by JOSEPH MORRIS AND ST. CLAIR ADAMS

Selections from the best poems of Edgar A. Guest, Robert W. Service, Walt Mason, Sam Walter Foss, Rudyard Kipling, Edmund Vance Cooke, Ella Wheeler Wilcox and Everard Jack Appleton, James Whitcomb Riley, Frank L. Stanton and others.

There is more optismism and inspiration crammed between the lids of this book then we have seen in print anywhere. If it is true that "a friend doubles our joys and halves our sorrows," this book should become a real friend. It is so intensely human that continued reading of it will make its pages more than paper and ink—its courage and faith and cheer will become a living part of the reader, and the world will be better, our friends happier, and we stronger because of our belief that what should be done can be done. Public speakers will find this volume well-nigh indispensable.—From *The Lookout*, January 1, 1922.

Facing Forward

Poems of Courage

Collected by

JOSEPH MORRIS and ST. CLAIR ADAMS

Compilers of "It Can Be Done," "Book of Baby Verse," "Book of Mother Verse"

This book, having for its theme courage, is issued as a companion volume to "It Can Be Done," Poems of Inspiration. This compilation has been done with all the conspicuous merit that has made the former book the best selling collection of poetry since Palgrave's "Golden Treasury." Not a single poem is duplicated, but such popular authors of the former volume as Kipling, Wilcox, Guest, Mason, Foss, Appleton, Stanton, Riley and a host of others are again represented. Its binding and type are identical with the previous volume, and every person who has bought "It Can Be Done" will want this new book by the same compilers.

With such a theme as courage, the poets have indeed written well. That indomitable power that has carried mankind over all its trials and difficulties is here given noble expression; and with a reading of this book you will face forward with a faith that will overcome obstacles before you, that will brighten the darkness that sometimes gathers round you, that will help bring you the rewards of the man who marches valiantly onward.

The Book of Friendship Verse

Collected by JOSEPH MORRIS AND ST. CLAIR ADAMS

There are few words that kindle a more ready response than the word Friendship. As one well-known man has said, "The very page on which it is printed seems warmer and more cheerful." Such is the power of Friendship to transfer its lambent glow even to cold print.

This book aims to be a representative collection of the poems on this subject. There are selections from the old and honored names in English and American literature, but along side of these are verses by many popular, present-day writers. Along with Shakespeare and Tennyson the reader will find poems by Eugene Field, James Whitcomb Riley, and Edgar A. Guest.

Some of the best things written about Friendship is in prose. That is, it is prose in form, but in essence there is much poetry in the famous essays on the subject. The compilers feel that the book would be incomplete withtout some representation from the essays of Cicero, Montaigne, Thoreau, Emerson, and a few others. Accordingly some of this material has been added in the latter part of the book. At the very back of the book will be found the best quotations and sayings on Friendship.

A Little Book of Friendship

Collected by JOSEPH MORRIS and ST. CLAIR ADAMS

Here are assembled in convenient form the great prose writing on friendship by the outstanding authors on the subject: Cicero, Montaigne, Francis Bacon, Jeremy Taylor, Joseph Addison, Eustace Budgell, Samuel Johnson, Ralph Waldo Emerson, Henry David Thoreau, Hugh Black, and David Grayson. The selections are prefaced with full introductions which discuss and contrast the writer's views on friendship, and give the background for a literary appreciation of the essays. At the back of the book are extensive biographies of the writers, and there are eight full-page pictures of the leading essayists on the subject.

This book brings together material hitherto scattered in various volumes, and some of it, such as that by Taylor, Addison and Budgell not easily accessible.

The Book of Baby Verse

Collected by

JOSEPH MORRIS AND ST. CLAIR ADAMS

Compilers of "It Can Be Done"

Van Dyck's world-famous picture "Baby Stuart" in original colors, serves as a frontispiece for the volume.

This book brings together the best poetry written about babies. Breadth of appeal has been attained by including verse ranging from the distinctly classical poems of William Blake to selections of such beloved modern writers as Riley, Field, Wilcox and Guest.

The book makes an ideal gift to the young mother. In its pages she will find the deep and beautiful things she feels about her baby, said as only the poets can say them. It gives poetic expression not only to the beauty, innocence, and spiritual meaning of a baby, but to its joys at playing peek-a-boo, its playthings, its attempts at utterance, its first step, that wonderful first tooth, all the little incidents in a baby's life that are watched and talked about by its parents.

The Book of Mother Verse

Collected by JOSEPH MORRIS & ST. CLAIR ADAMS

Compilers of "It Can Be Done," "Book of Baby Verse," "Book of Friendship Verse."

This book brings together the best poetry written about mothers and motherhood—poems that express the love she evokes and the still greater love she bestows. Some of the pieces represent high literary excellence, but alongside these are many whose chief commendation is their long and sure appeal to the human heart. Among the many writers represented the reader will find such universally esteemed names as Riley, Field, Guest, Mason, Foss, Braley, Stanton, Appleton, Kipling, and Van Dyke.

This book makes an ideal gift to one's mother, for her birthday, for Christmas, or for Mother's Day. It will say for you as only the poets can the deep and tender feeling you have for your mother in remembrance for her love, her patience, and her sacrifices for you.

Mother's Baby Book 1926

This book is something really different. The best poems about babyhood are brought between its covers—poems that give poetical expression to the beauty, innocence and spiritual meaning of a baby, as well as to such momentous events in its life as its first step, its first tooth, and all the little incidents of its opening personality. The poems have great breadth of appeal. Such classical writers as Blake, Wordsworth, Tennyson, Lowell and Swinburne, as well as such popular authors as Guest, Fields, Riley, Stanton and Dunbar are included.

In the front of the book are pages for keeping the baby's record—not the old stereotyped forms of most baby books, but pages on which to preserve a human record of the baby. All the cherished little details about the baby's life may here be set down—details which must otherwise be lost with the passage of time.

A Cocktail Continentale

By Bruce Reynolds

Here is a book of travel with the narrative so pronounced and interesting that the volume almost might be classed as a novel. Certainly it can be read with more enjoyment than most novels.

"A Cocktail Continentale" is side-splitting in its humor. Reynolds enjoys fun of every description; he never misses the grotesque in every situation; and yet through it all is the sanest of good sense and good taste. In a word: here is a travel book in jazz time for clever, "modern" people who want to know more about Europe than Aunt Prudence Heckleberry would tell them.

The author "did" Europe in a way that has never been written of before. He saw all the usual sights, and then he saw all the unusual ones. He peeped behind the scenes of all the "live" places in Europe, and with honesty and candor he tells what is there. It is an hilarious account of one who "went the pace" night and day. Europe has nothing too good or too bad to interest Reynolds. He did more things per minute than it is almost possible to believe. He visited twenty countries; he traveled by every means of conveyance, including the airplane; he lived hard enough to put most men in a sanitarium for the rest of their lives. And he tells it all with a staccato. dynamic style that reads like a whirlwind.

The book has a jacket in four colors, and is illustrated with many black-line drawings.

Glorious Day

By S. E. Kiser

The key-note in this collection of poems is inspirational. A determination to press onward bravely and cheerfully in spite of all hindrances is to be discovered almost wherever the book may be opened. Here and there is a touch of sentiment, and now and then there is a selection that is couched in what usually is called the Lighter Vein, but in most of the poems a hopeful acceptance of the opportunities that come with each Glorious Day, and a dauntless intention to be guided by the spirit of good sportsmanship in every effort that circumstances impose will quickly be observed.

There is no sniveling in courage, and no bitterness in bravery. You will not find in these poems of courage and inspirational devotion to the advancement of good-fellowship any cynical wailing against the manner in which the Universe has been created or is being managed. There are wrongs that can be righted, there are in the world many imperfections that may be mended, and these facts are neither ignored nor passed over too lightly here, but the message the poems in this volume are intended to convey is a message of friendly, cheerful, helpfulness.

Gems from the Classics

Selected by Albert E. Padden

It would be a mistake to think of this book as a mere collection of quotations. True, it is made up of "gems" from many great minds, but these selections are unified into a composite whole by their underlying moral and spiritual value.

They were gathered much like bees gather honey, a little here, and a little there. They were picked from the flower of best thought and contain only that which is good. Emersons says. "A certain awkwardness marks the use of borrowing thoughts, but as soon as we have learned what to do with them, they become our own." We shall do well if we ponder these thoughts daily, and make them our own. They, indeed, express such a noble philosophy of life that we should do more than know them. We should live them.

One Hundred Famous Love Lyrics

COMPILED BY HARVEY HAMLYN, M.A.

In this volume has been brought together the "literary gold" on the subject of love. These poems which represent three centuries of the best English and American writers, treat every phase of the subject, from its light-hearted gayety to its soul-moving passion.

The manufacture of the book is in keeping with the high standard of its contents. It is bound in gray boards, and is printed on fine rag paper with deckle edges. The pages have unusually wide margins. Throughout, the aim has been to make the volume exquisitely delicate and beautiful.

This book is intended both for the general reader of cultured tastes and as a gift volume for "the lover and his lass." It would be difficult to imagine a more appropriate token of affection than "One Hundred Famous Love Lyrics."

Tad Lincoln; A True Story

BY WAYNE WHIPPLE

The author, during a score of years of intimate acquaintance with the life of Abraham Lincoln, writing, school histories and moving pictures, has made the best of his opportunities. The account of the boyish vengeance visited by Tad upon Stanton, the great War Secretary, is described by the young White House guard (afterwards a Cleveland physician) who took part in that adventure. The story of Tad's devotion of the young girl in Germany who afterwards married the Czar of All the Russias was related by the brother of the American dentist's daughter whom Tad preferred. Even the Hon. Robert Todd Lincoln, Tad's older brother, had never heard of these escapades and experiences.

Red Letter Days in Europe

With a Glimpse of Northern Africa

By VIKTOR FLAMBEAU

This book is based upon the experiences and observations of the author's six visits to Europe. Having letters of introduction from foreign embassies and legations in Washington, he met unusual people and received courtesies not often accorded American travelers.

In this book the reader travels with him on these journeys, and learns of the most worthwhile sights of present-day Europe and Northern Africa. He witnesses a Spanish bullfight, sees King Manuel's deserted palace near Lisbon, and camps out under the stars on the Desert of Sahara at Biskra.

Besides the pleasure of travel, Viktor Flambeau does not overlook its educational advantages. Especially timely are his observations on how the countries of Central Europe are meeting their after-war problems.

Here is a book for those who would have a bird's-eye view of Europe. Not only is the writer an experienced traveler, but he is the author of a treatise on art, "The Study and Enjoyment of Pictures," as well as a lecturer and teacher of note. For several years he has been the editor of the art department of a Washington newspaper, besides being one of the well-known art critics of that city.

"A Character Building Psychology"

Practical Psychology

By BURT B. FARNSWORTH

International Y. M. C. A. College, Springfield, Mass.

Professor Farnsworth is one of the best known lecturers on psychological subjects in the United States. The present book is based upon a course of psychology he has taught for a number of years. The author is interested primarily in the applications of psychology; he avoids much of the useless theoretical discussion; he writes in clear, simple language. The book presupposes no previous knowledge of psychology on the part of the reader. It is an introductory text. It explains to the reader the working of his own mind; it helps him to improve his thinking and his work; it makes it possible for him to understand others and get along well with them.

Practical Psychology is adaptable for individual reading and for class use. The book was originally, privately printed for the author's own classes. In this new edition several chapters have been added, and at the end of the volume are questions on each chapter bringing out its salient points. The book is now supplied with a full index.

It was of Professor Farnsworth's text that Edward W. Bok wrote:

"I think that Mr. Farnsworth in his 'Practical Psychology' helps us on the road to a better understanding of ourselves and other men, and, what is so important, he tells us what he has found out and experienced in a way that all can understand. His 'Practical Psychology' is, essentially, a book for the people at large to reach a clearer understanding of themselves. I like particularly, the stress which Mr. Farnsworth lays on the importance of thoroughness before speed, and accuracy before skill. Here he puts his finger on what is, if there is such a thing, the secret of success."

The Road To A Loving Heart

Compiled by Helen M. Winslow

Here is a companionable little volume made up of verses and prose selections from recent periodicals and books. There are poems by such well-known writers as Herman Hagedorn, John Oxenham, Edgar A. Guest, Ella Wheeler Wilcox, as well as many fugitive pieces by lessor known writers—pieces, however, that have a gem of thought, the perfect expression of an idea, or a moment of penetrating vision.

The material in this book is especially adapted to the person who has but a few minutes now and then for inspirational reading. It is a book for those who would acquire success in their undertakings, happiness in life, and depth of personality and spirits.

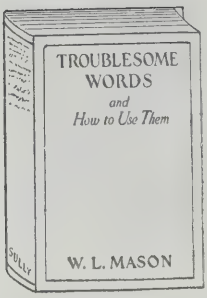
Troublesome Words

AND HOW TO USE THEM



By W. L. Mason

This is a popular handbook for people of all ages and classes containing words which are commonly found troublesome or perplexing as to spelling, accent, syllabication, pronunciation, or use.

It is intended as a handy reference book for the busy man or woman; as a desk companion for the stenographer; as an aid to the teacher in and out of the class room; as an indispensable adjunct for any one who writes.

The words are arranged in forty groups, bringing out clearly the peculiarity of all the words in every group, presenting the word first in its ordinary form, then showing it properly syllabized and accented, followed by a clear and concise definition, accompanied by a sentence illustrating its correct use, and with all of this, a note pointing out the perplexing part of the word, and showing how to overcome it.

The distinguishing feature of this book, which causes it to differ from all other similar works, is that it not only designates the "catch" in every troublesome word, but shows the user of the book how to avoid the difficulty, and to remember always to spell the word correctly.

At the end of the book a complete index gives every word in alphabetical order, with the pages and group where it can be found.

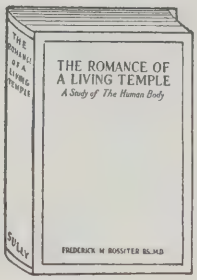
The Romance of a Living Temple

A STUDY OF THE HUMAN BODY

By Frederick M. Rossiter, B.S., MD., I.R.C.P., Lon., M.R.C.S. Eng.



This volume is really an innovation in books of physiology. By considering the body as the temple in which we live, Dr. Rossiter has brought forth its beauty and its nobility. No one can read this book without a feeling of the sanctity of his own body; and he will realize as never before its startling marvelousness.

The organs of the body are explained from a new viewpoint; their care and healthful preservation are urged; and with extraordinary force the effect of our thoughts and actions in the building of our characters is emphasized.

This book will serve admirably as a supplementary reader in all school courses in physiology; libraries will find it a most valuable addition to their children's rooms; churches and Sunday schools will especially desire this book because of its insistence upon the human body as the masterpiece of the Great Architect; and the general reader will find here an account written by an eminent physician, told with none of the dryness and pedantry of the old books on physiology.

Palmistry For Pleasure

By Dean Bryden

This handbook on palmistry gives a simple and logical treatment of the subject. The fundamentals are adequately explained, but confusing and unimportant details are excluded. From this simplicity even the casual reader can gain an amazing grasp of the subject. From the logical arrangement of the material the inter-relation of all the principles is readily understood. In this book is none of the helter-skelter hodgepodge of the usual treatises on the subject.

There are ten careful diagrams of hands and lines, and actual photographs of a man's and woman's hands. In the two chapters which are devoted to "Reading" these two typical hands, the author places in parentheses the palmistry signs which indicate the traits as he ascribes them to the hands. Another unusual feature of this handbook is a section devoted to applying palmistry to human problems, such as mating and the training of children.

A knowledge of palmistry is an excellent social asset. At any gathering, the person who can read palms skilfully and entertainly becomes the center of an admiring and wondering group. This book offers to anyone who will study it but slightly the opportunity of being "the fun of the party." To those who wish to take palmistry more seriously, it offers sound and established principles of hand-reading.

By NATHANIEL C. FOWLER, JR.

Cloth, 12mo., colored wrapper *net,* $1.25

This volume should not be confused with many similar books upon the market, which contain "Dried" toast and stories of prehistoric vintage. It is bright, breezy, and up-to-the minute, containing a wealth of matter for instantaneous use.

"This book contains more illuminating matter regarding the duties of a toastmaster and the material for him to use than we have seen for some time. The author gives some very necessary suggestions which if followed would make many a dinner a success.—*The Bulletin,* Portland, Oregon.

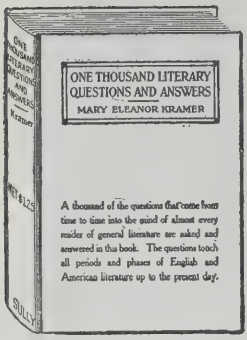
Signs, Omens and Superstitions

By ASTRA CIELO, author of "Fortune and Dreams."

12mo. Cloth. . . . . *net,* $1.25

There are few persons no matter how rational or level headed who are not given to superstition in some form. With some there is a deep-seated belief that evil will result from an infraction of a rule. With others an amused idea that if a ceremony does no good it can do no harm, and so to be on the safe side they carry out some Mummery.

It is the object of this book to review the subject of superstition without prejudice or condemnation, but to present the data and explain their origin wherever possible, leaving it to the reader to reject such beliefs as seem absurd and irreconcilable with modern culture.



One Thousand Literary Questions and Answers

By Mary E. Kramer

12mo. Cloth . . . . . *net*, $1.50

Revised edition, containing an additional index by title which enables one to find any quotation if the author's name is not known.

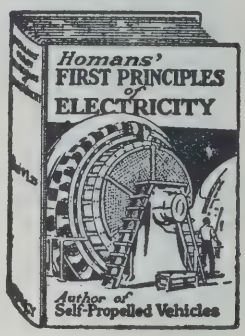
A thousand of the questions that come from time to time into the mind of almost every reader of general literature are asked and answered in this book. The questions are stated as briefly as they arise in conversation,—now a detached name of some character or book or author, again a line of poetry or the first words of some saying that has clung to memory quite unassociated with a name. The questions touch all periods and phases of English and American literature up to the present day, and are such as may reasonably be asked of any intelligent reader.

"A worth while volume for the instruction of the general reader, full of data relating to literature of many sorts and answering some of those puzzling inquiries with which the 'Want to know, you know' puzzle newspaper people."—*Detroit Free Press.*

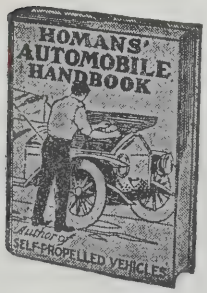
Homans' First Principles of Electricity

By J. E. Homans

12mo, cloth, fully illustrated . *net*, $1.50



As either a primer of electrical science, or as a handbook of fundamental principles that would be appreciated by an advanced worker, this little book is in a class by itself. The author starts with the assumption that the reader, although, perhaps, unlearned in the science of electrics, really desires the information that one would expect in a book with such a title. He undertakes, therefore, to treat of the principles of the science, from the ground up, passing in review all the matters necessary to constitute a fundamental knowledge of all forms of electric current, with singularly lucid explanations of obscure points.



Homans' Automobile Handbook

By J. E. Homans

12mo, cloth, fully illustrated . *net*, $1.50

This book is a wonderfully complete summary, within the limits of a volume of moderate size, of the principles of construction and operation of a gasolene motor car and engine. Like other books produced by its author, it is distinctly readable, and characterized by lucid and thorough explanations of matters unfamiliar to the average reader. Few books that have appeared of late are better calculated to inform, also to interest, while imparting information.

"A handy book for any owner who looks after his own machine."—*New York World.*

"No finer book to study on wet days in the garage, or to have on hand in case of difficulties."—*Montreal Weekly Herald and Star.*

The Stranger Star

By Allen Crafton

"The Stranger Star" belongs to that rare class of children's books that interest grown-ups as well as younger readers. The child will not have to "beg" its parents to read this story: the mother or father will be as engrossed in it as the child.

A most delightful and chatty old owl tells two children a story in which the whole sky is the playground. The stars and planets are the actors, and they are made such interesting and human creatures that they are as real as playmates. And wonderful things happen in the heavens —a little stranger star comes to the Moon-Mother's nursery, and after a long service of drudgery in making beds for all the stars when they retire during the day and shining up their clothes so they can twinkle at night, she gets a wonderful reward.

While enjoying a most interesting story, the reader becomes acquainted with the names of many of the stars; something of the great forces that revolve the heavens is portrayed; and incidentally the idea of service is inculcated without any offensive moral attached.

After reading the story, every child will vote Professor Owl, who taught mathematics to a myriad of little Star Children, one of the best story-tellers he ever heard about. This story is destined to take its place among the classics for children, and little ones enjoying it today will be reading it to their children a generation hence.

Tobytown

By Chandler A. Oakes

Formerly Assistant Pastor to the Late Rev. T. DeWitt Talmadge, Brooklyn Tabernacle

A story of an imaginary town, the population of which is composed of dogs, birds, and other animals Although the story does not deal with fairies, it is a fairy story in its atmosphere of wonder, the extravagances of its imaginations and the simplicity of its telling. The characters are interesting and their stories have the usual setting of the life of their species, in spite of the absurdly human twist given to them. In this mixture is the charm of the book.

Wooden Ships and Iron Men

By Frederick William Wallace

Author of "Blue Water", "The Viking Blood", "The Shack Locker" and "Salt Seas and Sailormen." Illustrated with rare photographs and sketches by the author.

The story of the square-rigged marine of British North America, the ships, their builders and owners, and the men who sailed them.

"There she goes—a ramping, stamping, hard-driving Bluenose—wooden ships with iron men commanding 'em." Thus commented the seamen of olden days when the big square-riggers of British North America were flying the Red Ensign on every sea and when the ship-builders, ship-owners and ship-masters of the Eastern Canadian Provinces were building, maintaining and sailing a merchant marine which in the 'seventies ranked fourth among the world's tonnage. In this volume the great sea-writer has delved deep into the past and has succeeded in recording some rare and delightful incidents in the history of the ships, their passages, mishaps and adventures, as well as numerous accurate portrayals of the seamanship and characteristics of those unsentimental and exacting seamen—the Bluenose master and mate. A book man and boy will cherish.

The Shack Locker

By Frederick William Wallace

"The Shack Locker" is a carefully selected collection of F. W. Wallace's best yarns of the Bank fishermen. They carry the spirit of adventure and thrill with the reckless daring of the off-shore trawlers of Canada's Atlantic coast, and no more varied tales of seafaring adventure have ever been published. It is a book that will be appreciated by all who love salt water and the atmosphere of those who go down to the sea in ships.

The title of the book is taken from the associations in the mind of every Bank fisherman with the cupboard in the schooner's forecastle in which is to be found the left-over food of the daily meals. A fisherman is always ready to eat, and between meals, he can appease his appetite by a mugful of tea or coffee and a rummage in the shack locker. The locker's contents are necessarily varied—and always appreciated. The stories in this collection are varied too, and are as certain to be relished.

SKETCH OF EMANUEL SWEDENBORG

Emanuel Swedenborg was born in Stockholm, Sweden, in 1688, and died in London, England, in 1772, at the age of 84. His father was made Bishop of Skara in 1702, and stood high in his country for learning and integrity of character.

Swedenborg's education was the best the times afforded. After completing his academic course at the University of Upsala, he spent several years as a student in England, France, Germany and Holland. His interests at that time lay primarily in mechanical, scientific and philosophic lines, which he pursued industriously up to his fifty-fifth year. During this period of his life, he enjoyed the friendship and confidence not only of the most distinguished and learned men of his country, but also of the King of Sweden, Charles XII, by whom he was appointed Assessor in the College of Mines, an office which he held with distinguished honor for more than thirty years, and in connection with which he wrote two voluminous treatises on copper and iron.

Soon after his fifty-fifth year, he abandoned his scientific pursuits, and from that time wrote on spiritual and divine subjects alone, publishing many volumes on such themes. This change in occupation was due, he declared, to Divine direction. In many places in his published works and private correspondence he referred with modest brevity to the office and mission to which he was then called. The following statement was written towards the close of his life in response to an inquiry by a friend:

"I have been called," he said, "to a holy office by the Lord Himself, who most graciously manifested Himself to me, His servant, in the year 1743, when He opened my sight to a view of the spiritual world, and granted me the privilege of conversing with spirits and angels, which I enjoy to this day. From that time I began to print and publish various arcana that have been seen by me or revealed to me, as respecting heaven and hell, the state of man after death, the true worship of God, the spiritual sense of the Word, with many other most important matters conducive to salvation and true wisdom."

SWEDENBORG'S THEOLOGICAL WORKS

Note on Editions:—All the editions of Swedenborg's theological works in the table printed below are "complete" so far as works actually published by Swedenborg are concerned. The volumes of each edition are "uniform" in size and binding, except in the London Edition, in which some of the shorter works are procurable in small size only. But see what is said below concerning the Rotch Edition.

The Standard and Library Editions (published by the American Swedenborg Printing and Publishing Society) are printed from the same plates, and are exactly parallel editions, except that the two volumes of "Posthumous Theological Works" are procurable in the Standard Edition only. The differences between these editions are mainly those of paper and binding, the Standard volumes being of good paper, well bound in dark green book-cloth, while the Library volumes are of superfine paper excellently bound in dark blue linen, thus being remarkably high grade throughout. All the volumes are sold separately. The Library Edition is to be discontinued.

The Rotch Edition (published by the Massachusetts New-Church Union) is procurable in several styles. As the various volumes appeared successively during a period of more than thirty years, they were bound in approximately uniform dark brown cloth, with bevel-edge covers. Until recently all the volumes were available separately in this form; but now some of them can be had only in blue cloth. On the completion of the plates in 1907, they were sent to the Riverside Press of the Houghton Mifflin Co. and all the works were printed on a specially made paper of the best quality, being subsequently bound in thirty-two volumes, either in fine blue buckram with gilt top, or in the best brown morocco, with marble-paper sides, and full gilt edges. Some of the sheets were later bound in a cheaper blue cloth by the J. B. Lippincott Co. In 1926 the entire set was again reprinted and bound by the Riverside Press in the very best manner. *All these sets are sold only as sets,*—prices as follows (transportation extra):

Special rag paper, half-morocco . .	$125.00
Special rag paper, blue buckram . .	40.00
Special rag paper, (Lippincott binding) .	25.00

The London Edition (published by the Swedenborg Society of England) is printed on good paper and bound in dark blue cloth.

Editions in Latin and some modern languages are available. Information on request.

A descriptive catalogue of Swedenborg's theological works on request.

The five volumes of "Sower Notes," devised for the assistance of parents and Sunday School teachers, furnish an exposition of selected portions of the entire Word.

A PRELIMINARY STUDY OF THE SIGNIFICANCE OF PARTIAL TONES IN THE LOCALIZATION OF SOUND. By JAMES R. ANGELL. 12 pages, 4to, paper $0.25

EDUCATION IN A DEMOCRATIC WORLD. By ERNEST D. BURTON. 12mo, paper boards 2.00

Gathered together, these fugitive utterances of a great educator are of the greatest importance to the progress of educational theory and practice.

STANDARDIZATION OF THE SCHOOLS OF KANSAS. By JOHN ADDISON CLEMENT. 130 pages, royal 8vo, paper 50

LAW AND FREEDOM IN THE SCHOOL. By GEORGE A. COE. 134 pages, 12mo, cloth 1.75*

A critique of our present educational methods and a formulation of a progressive philosophy of education and an analysis of the part played by law in the project method.

THE CHILD AND THE CURRICULUM. By JOHN DEWEY. 40 pages, 12mo, paper 25

PSYCHOLOGY AND SOCIAL PRACTICE. By JOHN DEWEY. 42 pages, 12mo, paper 25

THE SCHOOL AND SOCIETY. By JOHN DEWEY. 164 pages, 12mo, cloth 1.25

This standard work by so well known an authority as John Dewey needs no introduction to the teaching profession. It is often used as a text in normal schools and departments of education, and is on the reference shelf of thousands of teachers.

THE PLACE OF INDUSTRIES IN ELEMENTARY EDUCATION. By KATHARINE ELIZABETH DOPP. 270 pages, 12mo, cloth 2.00

VISUAL EDUCATION: A COMPARATIVE STUDY OF MOTION PICTURES AND OTHER METHODS OF INSTRUCTION. Edited by FRANK N. FREEMAN. 392 pages, 8vo, cloth 3.50

Much is expected from the new methods of visual education. Educators are told that these will speed up education tenfold, making it

fascinating, easy, and permanent, and that they will displace the teacher and the textbook. *Visual Education* tests these claims, and weighs the possibilities of the new methods.

THE RELATION OF JOHN LOCKE TO ENGLISH DEISM. By Samuel G. Hefelbower. 188 pages, 12mo, cloth $1.25

STATISTICAL TABLES FOR STUDENTS IN EDUCATION AND PSYCHOLOGY. By Karl J. Holzinger. 74 pages, 8vo, flexible . 1.50*

Most handbooks of calculating tables have been too elaborate to be of any great use to beginning students in educational or psychological statistics. This manual greatly simplifies calculation in averages, dispersion, correlation, and uses of a normal curve.

THE ELEMENTARY COURSE IN ENGLISH. By James Fleming Hosic. 150 pages, 16mo, cloth 1.00

A working theory in outline form of elementary English. There are selected references to the recent literature of the subject and graded lists of material for reading and study. It is a practical guide for teachers, supervisors, and parents.

PURPOSE THE VARIANT OF THEORY. By Julius T. House. 80 pages, paper 1.25

GENERAL PSYCHOLOGY. (Revised edition.) By Walter S. Hunter. 352 pages, 12mo, cloth 2.00*

Particularly noteworthy is the broad conception of the whole field of psychology which this book opens to the beginning student: he gains a bird's-eye view of the science and is definitely freed of the notion that "normal human adult psychology" is the whole, or even the most vigorous, part of psychological subject matter.

WILLIAM JAMES AND HENRI BERGSON. By Horace M. Kallen. 248 pages, 12mo, cloth 1.50

THE PSYCHOLOGY OF CHILD DEVELOPMENT. By Irving King. 266 pages, 12mo, cloth 1.50

TEACHING IN THE ARMY. By James C. Lewis. 64 pages, paper, small 16mo 50*

LITERATURE IN THE ELEMENTARY SCHOOL. By Porter Lander MacClintock. 306 pages, 12mo, cloth 1.50

Clear and practical expression of a fundamental idea: that literature for children should be chosen for its excellence as literature and for its fitness for the children concerned. The correlation of literature with other disciplines, and the actual teaching of the class in literature are two topics that are well covered.

THE DEFINITION OF THE PSYCHICAL. By George H. Mead. 38 pages, 4to, paper 50

THE PLATONISM OF JOACHIM DU BELLAY. By Robert V. Merrill. 150 pages, royal 8vo, cloth 1.50

has followed closely the history of thought, especially scientific thought, during the eighteenth and nineteenth centuries.

THE SIGNIFICANCE OF THE MATHEMATICAL ELEMENT IN THE PHILOSOPHY OF PLATO. By IRVING ELGAR MILLER. 96 pages, royal 8vo, paper $0.75

EXISTENCE, MEANING, AND REALITY IN LOCKE'S ESSAY AND IN PRESENT EPISTEMOLOGY. By ADDISON W. MOORE. 26 pages, 4to, paper 25

THE PRACTICE OF TEACHING IN THE SECONDARY SCHOOL. By HENRY C. MORRISON. 661 pages, 8vo, cloth 4.00*

This book shows the way of escape from stereotypes in teaching. Indicating how to avoid the pitfalls of "lesson-teaching" and believing that education must be organized to teach directly the true learning products, Professor Morrison develops methods by which performance and the learning of lessons may be subordinated to mastery and the attainment of genuine adaptations in the pupil.

William McAndrew, Superintendent of Schools, Chicago, Illinois, says: "I can't pose as an authority on all the books of our calling but I can say for myself that not since I was stirred by Herbert Spencer's arousing work *Education* have I met anything that meets present-day demands like this."

THE THEORY OF EDUCATION IN THE "REPUBLIC" OF PLATO. By R. L. NETTLESHIP. 144 pages, small 8vo, paper 50

READINGS IN GENERAL PSYCHOLOGY. By E. S. and FLORENCE RICHARDSON-ROBINSON. 675 pages, cloth 4.00*

The selection of readings has been made specifically to meet undergraduate needs. On disputed issues, articles written from different points of view give the student experience with the conflicts of psychology, and offer the instructor an opportunity to emphasize, by judicious selection, certain facts and theories.

THE DEMOCRATIC WAY OF LIFE. By T. V. SMITH. 211 pages, small 12mo, cloth 1.75

"Here is a book worth reading—a book which in spirit, style and insight escapes the saccharine sentimentality, the unreality, the conscious or unconscious insincerity which I have grown to associate with most speaking and writing in praise of democracy."—NORMAN THOMAS, *New Republic*.

THE AMERICAN PHILOSOPHY OF EQUALITY. By T. V. SMITH. cloth 3.00

Equality, in its present vague status, has lost much of the meaning that the founders of this country attached to it. In his book, Mr. Smith has set out, in effect, to rescue from oblivion whatever truth the earlier doctrine contained. He has restated it in terms more applicable to the current situation.

THE LAWS OF SOCIAL PSYCHOLOGY. By Florian Znaniecki. 320 pages, 8vo, cloth 3.00*

LAWYERS AND LITIGANTS IN ANCIENT ATHENS. By Robert J. Bonner. 276 pages, 12mo, cloth 2.50

Ever jealous of the expert, the Athenians tried to prevent the rise of a legal profession. But sycophants, speech-writers, and advocates plied their trade in spite of restrictions. With great understanding and appreciation Professor Bonner here records these early legal practices; and for the classicist there is available no clearer report of the Athenian judicial system or of Attic oratory.

SYNTAX OF THE MOODS AND TENSES IN NEW TESTAMENT GREEK. By ERNEST D. BURTON. 216 pages, 12mo, cloth . . . 1.75

THE SYNTAX OF HIGH-SCHOOL LATIN. By LEE BYRNE. Second edition. 54 pages, 8vo, cloth 1.00

THE BUSINESS LIFE OF ANCIENT ATHENS. By GEORGE CALHOUN. 175 pages, 12mo, cloth 2.00

Many aspects of the life of the ancient Athenian have been made familiar, but we know very little of the busy docks and markets, of the financial districts where capital was mobilized and put to work. In short, for the first time the general reader may now learn the way in which business and finance were carried on in the fourth century B.C. Mr. Calhoun has chosen to emphasize the personal and ethical aspects of the subject rather than the technical processes or purely economic data.

THE SUBJUNCTIVE IN TACITUS. By SISTER WINIFRED MARY CARMODY. 185 pages, 12mo, cloth 2.00

In this book the author has directed her study toward two ends: to show to what extent the subjunctive had, by Tacitus' time, intruded into the sphere of the indicative; and to discover whether or not the evolution in Tacitus' modal syntax kept pace with the evolution in his style.

A STUDY OF THE ILIAD IN TRANSLATION. By FRANK L. CLARK. 3.00*

A series of well-chosen selections from the entire work linked together by suitable comments and explanations to give the reader a clear idea of the whole story and an appreciation of its literary value.

CARMINA LATINA. By ROY C. FLICKINGER. 23 pages, royal 32mo, paper 15

In this pocket-size pamphlet are the words of twenty-one Latin songs and one Greek song. It is a real contribution to the promotion of Latin as a living tongue.

THE GREEK THEATER AND ITS DRAMA (Third Revised Edition). By ROY C. FLICKINGER. Illustrated. 381 pages, royal 8vo, cloth . . 3.00

A vigorous, animated history of Greek dramatic art. Ancient drama and its production, so frequently unrelated, are here marshaled under one co-ordinating principle. This new edition has sixteen additional pages of text, six new illustrations, and corrections have been made throughout.

SONGS FOR THE LATIN CLUB. By ROY C. FLICKINGER. 24 pages, small 12mo, paper 75

Latin songs ranging from such classics as *Gaudeamus Igitur* to *Mica, Mica, Parva Stella* are included in this new selection of songs for Latin classes and clubs. "The Star-Spangled Banner," "America," and others of our own well-known songs have been done into Latin, and there are a number of old familiar rounds. All of the songs are accompanied by musical scores.

These picaresque adventurers are accomplished rascals who win the reader's sympathy by their lack of the meaner vices and virtues.

This fresh translation from the official Massoretic text brings to English readers, with as little variation of meaning as is humanly possible, the real Old Testament. A better knowledge of Hebrew than was possible at the time of any earlier translation; a fuller appreciation of fundamental textual problems; a clearer recognition of poetic structures—these factors, in competent hands, all make this a more accurate, a more perfect translation. In the best tradition of modern English writing this version interprets the impressive, eloquent Hebrew of centuries ago.

Forthcoming Books

Thomas Hardy from Serial to Novel.

A Comparative Study of Serial and Book Versions of *The Mayor of Casterbridge, Tess of the D'Urbervilles,* and *Jude the Obscure.*

By MARY ELLEN CHASE, Ph.D., Associate Professor of English, Smith College. About 192 pages. 12 mo. Utopian deckle edge paper. Cloth, gold stamping. Ready September, 1927. Probable price, $2.50.

No one seriously interested in the art of the novel or in its relation to social history can neglect Professor Chase's stimulating study. Professor Joseph Warren Beach writes this Introductory Word: "With many readers of belles-lettres 'research' has a bad name. It is always gratifying to the professor to have evidence that the most conscientious technical study of literature may be made to throw light on fundamental aesthetic problems. Miss Chase's work is a case in point. Any one interested in Hardy will be interested—if not positively excited—to learn what compromises this great artist was ready to make with the views of editors—editors indifferent to considerations of artistic integrity and solely concerned not to give offense in the family circle. When all the bearings of the matter are taken, it is seen to amount to something more than a study in Hardy's literary methods. It is highly illuminating with regard to the professional ethics of editors and the general attitude of even late-Victorian England towards a consistent view of the truth." The Press has given the volume a pleasing format, and Miss Chase has added to the reader's pleasure by her skill in condensing and retelling the stories of these English classics.

The Foreign Policy of James G. Blaine.

By Alice Felt Tyler, Ph.D., Instructor in History, University of Minnesota. About 400 pages, including appendices and bibliography. 12 mo. Cloth, gold stamping. Ready in September. Probable price, $3.50.

Dr. Tyler's well-documented study of American nationalism in foreign policy in an era of transition is especially timely in view of the renewed prominence of Carribean and Pan American problems in the foreign relations of the United States. Professor Lester Burrell Shippee writes thus of Dr. Tyler's work: "Blaine as Secretary of State for a period of less than four years, split between two administrations, stands out in perspective as one of the men who have set distinctive marks on American diplomacy. For the first time an adequate and dispassionate examination of what Blaine did and what he tried as Secretary of State to do has been made." Students of American history and admirers of Blaine will find in this fresh interpretation of his foreign policy, new light in which to view his career as a whole. Certain obscurities in the Samoan, Hawaiian, and Seal Fisheries episodes are illuminated by Dr. Tyler's researches and by the printing of hitherto unpublished material.

Three Wise Men of the East.

By Arthur J. Todd, Professor of Sociology, Northwestern University.

The immobile East is at last on the march. The goal no one can descry. The social structure, the political order, and the intellectual outlook in India, China, and Japan are shifting under our eyes or would be if we saw them. Most of us can not but would appreciate the interpretation of a trained observer who went to see for us. Professor Arthur J. Todd has done just this service in the *Three Wise Men of the East.* The volume takes its title from the first of three essays in which Professor Todd has reflected discriminatingly on certain experiences and impressions gained during a recent extended visit to Japan, China, and India. The "three wise men" discussed by Professor Todd are Gandhi, political leader and seer, Tagore, poet and philosopher, and Bose, plant physiologist, whose name is less widely known in the West than that of his compatriots. "The Impact of Industry on the Orient" and "Higher Education in the Orient" are the titles of the following papers. Professor Todd has given many years of service to social and industrial work in San Francisco, Pittsburgh and Chicago—he was director of industrial relations for the Kuppenheimer Company of Chicago. He has long been known as the scholarly author of books in the field of sociology and as a distinguished teacher at the University of Minnesota and now at Northwestern University.

The Diary of Robert Bowyer, 1606 and 1607.

Edited by David Harris Willson, Ph.D., Instructor in History, University of Minnesota.

Robert Bowyer was a lawyer, minor office holder, and secretary to Lord Treasurer Dorset during the last years of Elizabeth and the first years of James I. His diary for the parliamentary sessions of 1606 and 1607, which is to be found in the Harleian manuscripts in the British

Museum, has not hitherto been published and has been very little used by students of seventeenth century history. It covers debates in the House of Commons on such topics as popular grievances, grants to the King, and the Union with Scotland, and contains very important material bearing on the growth of parliamentary procedure and on the beginnings of the conflicts which led to the Civil War. To be published early in 1928.

The Marketing of Farm Products.

Studies in the Organization of the Twin Cities Market. Edited by H. Bruce Price, Ph.D., Professor of Agricultural Economics, University of Minnesota. About 440 pages. 41 tables, 16 figures, index. Crown octavo. Cloth. Ready July, 1927. $3.50.

Fourteen members and former members of the Division of Agricultural Economics of the University of Minnesota, including Professor John D. Black, chief of the Division, and Dr. Holbrook Working, economist of the Stanford University Food Research Institute co-operated in these studies under the editorship of Professor H. Bruce Price. The book is designed as a text for use in Smith-Hughes high schools and in college classes in agricultural economics and is equipped with references for reading, tables, charts, maps, and index. In addition to chapters describing the organization of the Minneapolis-St. Paul market for grain, hay, livestock, potatoes, dairy products, fruits, and vegetables, there are included discussions of the historical, geographical, and theoretical aspects of the subject. It will prove a valuable reference work also for business men, and producers and consumers of farm products in the Twin Cities market area —a territory extending west and north into Montana and Canada, and east and south into Wisconsin and Iowa. The volume is handsomely printed in twelve point Bodoni and substantially bound.

Trees and Shrubs of Minnesota.

By C. O. Rosendahl, Professor of Botany, and F. K. Butters, Associate Professor of Botany, University of Minnesota.

The forthcoming volume, which is an account of the trees and shrubs native to Minnesota and commonly cultivated, should enable the interested amateur as well as the professional botanist to identify practically all of the plants of Minnesota and the immediately surrounding region. An earlier publication of the University of Minnesota bearing this title (see page 21) went through several editions and is now out of print—evidencing the interest and value of the work. This has been revised with the greatest possible thoroughness. Professor Rosendahl and Professor Butters have completely rewritten the volume from herbarium specimens and studied the distribution of the trees in the state. Technical and popular descriptions are accompanied by profuse illustrations, both line drawings and half tones, of the more important or difficult species. Key to the families, genera, and species, and notes on the value and uses of the plants are included.

An Outline of County Government in Minnesota.

By William Anderson, Professor of Political Science and Director of the Bureau for Research in Government. To be published in November, 1927. About 180 pages. Paper covers. Probable price, $1.75.

This outline will be of especial interest to county officers and teachers of history and government in Minnesota. See also page 9.

Development and Growth of the External Dimensions of the Human Body in the Fetal Period.

By Richard E. Scammon, Ph.D., Professor of Anatomy, University of Minnesota, and Leroy A. Calkins, Ph.D., M.D., Professor of Obstetrics and Gynecology, University of Virginia. Minnesota Studies in the Biological Sciences No. 7. To be published early in 1928.

This fundamental study of the growth of the human body in prenatal life and of its proportions and dimensions at birth is based on 35,000 observations by two of the world's leading anatomists. The authors have given especial emphasis to obstetric factors. The monograph is copiously illustrated and includes an extensive bibliography and a summary of previous studies on this subject. It will be of interest to anthropologists, pediatrists, obstetricians, anatomists, biologists, and students of child welfare.

The Kuhlman-Binet Tests for Children of Pre-School Age.

A Critical Study and Evaluation.

By Florence L. Goodenough, Ph.D., Research Assistant Professor, Institute of Child Welfare, University of Minnesota.

Dr. Goodenough presents in this monograph the results of what is probably the most intensive study of any form of the Binet tests ever made, based upon the largest group of pre-school age children ever reported. It will prove indispensable to all workers in the field of mental tests and of interest and value to psychologists, sociologists, and educators.

The Attitudes of Mothers Toward Sex Education.

By Helen L. Witmer, Ph.D., Executive Secretary, Joint Committee on Research in Social Hygiene, University of Minnesota, formerly statistician of the Department of Mental Diseases, Commonwealth of Massachusetts. To be published in the fall of 1927.

Given—an organization, part of whose program it is to instruct mothers in how to give their children a proper sex education. To find—to what extent it accomplishes this part of its program. This is a paraphrase of Dr. Witmer's statement of the fundamental problem of the research study to which this monograph is devoted. Other phases of the program of research will be dealt with in later reports. The Women's Cooperative Alliance of Minneapolis is an organization which has attracted national interest because of the unique method it has devised for parental education in social hygiene. To study and evaluate this method, a fund was given to the University of Minnesota by the Bureau of Social Hygiene of New York and its administration placed in the hands of a joint committee of the University and the Alliance under the chairmanship of Professor F. Stuart Chapin, Chairman of the Department of Sociology and Director of the Training Course for Social and Civic Work of the University of Minnesota. Professor Chapin writes in the Introduction: "In publishing this report the Committee feels that it is presenting a first preliminary study of considerable interest to the social hygiene movement and at the same time is making available to social workers in general an account of one method of research which may have wide application in evaluating the work of similar educational and social agencies."

A Manual for Teachers of the Social Sciences.

Edited by A. C. Krey, Professor of History, University of Minnesota, and Chairman of the Committee on History and other Social Studies in the Schools, of the American Historical Association. To be published in the spring of 1928.

This manual will contain chapters by instructors in the social sciences, whose teaching experience covers both the secondary school and college approach to the teaching problem. Its aim is to offer concrete and practical guidance to teachers in the field.

Recent Books

From Versailles to Locarno.

By Harold S. Quigley, B.A. (Oxon.), Ph.D., Professor of Political Science, University of Minnesota. 170 pages, bibliography, 9 documents, 2 illustrations. Octavo. Half-cloth. $2.00.

In four concise and readable chapters, entitled respectively "Locarno," "The Council and the Assembly," "The Secretariat and the Labor Office," and "The World Court," Professor Quigley sketches the present international situation and its background and shows the machinery of international co-operation at work. A carefully selected bibliography and the indispensable documents, brought together in one volume for the first time, increase its usefulness to students. It has been adopted for class use by a number of representative colleges and clubs. "The book is packed with facts and stimulating suggestions. It is almost an ideal textbook for study groups, whether in clubs or colleges or churches."—David Bryn-Jones, in the *Minneapolis Journal*. "So concise and readable an account of the present international situation and its background commends itself both to the busy layman wanting facts and to the student of international relations. The latter will especially appreciate the judicial attitude and the valuable collection of documents which belong to the history of the period."—*Chicago Daily News*. "Vivid and stimulating account of the international situation."—Susan F. Hibbard in the *Woman Citizen*. "Extraordinarily interesting."—Quincy Wright, University of Chicago. "A great piece of work," writes Manley O. Hudson, Harvard Law School, of the World Court chapter. "A model of clear and scholarly presentation."—Lawrence D. Steefel, in the *Minnesota Law Review*. "Invaluable as a work of reference and for collateral reading."—A. N. Holcombe, Harvard University.

The European Powers and the Near East, 1875–1908.

By Mason Whiting Tyler, Ph.D., Late Associate Professor of History, University of Minnesota. Minnesota Studies in the Social Sciences No. 17. viii+ 236 pages, bibliography. Royal octavo. Paper. $2.00.

"Professor Tyler defines his monograph as an introduction 'to the leading factors in this eternal problem (of the Near East) and some of the methods of dealing with it.' Viewed from this angle, he has succeeded in writing a study showing insight, human sympathy, and commendable moderation." . . . It contains "excellent characterizations of the principal actors in the drama. Bismarck, Disraeli, Gorchakov, Aehrenthal, and Salisbury appear shorn of halo or hatred. For the first time in any account of this character, Russia, which usually bears the brunt of the charges of imperialism and greed, is somewhat relieved of this role, and the policies of England, Austria, and Germany are subjected to the same standards as those used for Russia. . . . In a style admirable for its clarity and freshness, the author expresses many wholesome truths, fearlessly and justly."—Robert J. Kerner in the *Slavonic Review*. "A careful

and very impartial study of the diplomatic history of the Eastern Question from the insurrection in the Herzegovina to the annexation of Bosnia and the Friedjung trial.—William Miller in the *English Historical Review.* "L'ouvrage se présente comme un bon manuel, à la fois simple et complet, de la politique européenne en Proche-Orient jusqu'à l'annexion de la Bosnie. Par la clarté de son exposition, l'abondance de sa documentation et l'esprit méthodique avec lequel il est composé, ce livre constituera un excellent intrument de travail pour les etudiants . . . Une bibliographie importante accompagne ce manuel."—Felix Debyser in *Revue d'Histoire de la Guerre Mondiale.* "An admirable study of the Near Eastern question."—*London Times Literary Supplement.*

The First Century of Magna Carta: Why It Persisted As a Document.

By Faith Thompson, Ph.D., Assistant Professor of University of Minnesota. Minnesota Studies in the Social Sciences No. 16. x+126. 3 appendices, bibliography. Royal octavo. Paper. $1.50.

Although it has long been recognized that the true greatness of Magna Charta lies in its history after 1215, Dr. Thompson is the first to tell in detail the story of its first critical century, 1215-1307, when its right to survive and the grounds of its high fame were being determined. In doing so, she answers the questions: Why did it persist as a document? Why was so high a value set upon its confirmation and observance? Just what did the Charter mean in the everyday life of Englishmen of the century after Runnymede? "This modest and excellent contribution to our knowledge of the English constitution contains a first-rate sketch of the history of Magna Carta as a document during the thirteenth century with a special study of the problem why it became during that period the great charter of English liberty. . . . The amount of evidence bearing on these points which has been brought together by Dr. Thompson far exceeds anything adduced by previous commentators. . . . [Her] method of presentation is clear, logical, and agreeable. Her work is based upon a thorough study of the sources, and her evidence is handled in sound scholarly fashion."—Sydney K. Mitchell in the *American Historical Review.*

The Development of the Twin Cities as a Metropolitan Market.

By Mildred Hartsough, Ph.D., Instructor in History, Smith College. Minnesota Studies in the Social Sciences No. 18. ix+228 pages. 1 map, 7 tables, bibliography. Royal octavo. Paper. $2.00.

"As the title indicates, this is a monograph developing in terms of one area the concept of metropolitan economy first presented by Professor N. S. B. Gras, in his *Evolution of the English Corn Market,* and more recently in his *Introduction to Economic History* . . . It is indeed an excellent study, and nothing that could have been done would have served better to demonstrate the value of the concept."—John D. Black in *Minnesota History.* "As a whole, the study is distinctly worth while, interesting, and scholarly . . . It is an excellent companion to Robinson's *Early Economic Conditions and the Development of Agriculture in Minnesota,* which forms No. 3 in the same series of studies."—R. H. Whitbeck in the *American Historical Review.*

Cyrus Northrop: A Memoir.

By Oscar W. Firkins, Professor of Comparative Literature, University of Minnesota. 635 pages, 6 illustrations. Size 7½ by 9¾. Blue cloth, gold stamping. $3.50.

Professor Firkins, the distinguished biographer of William Dean Howells and Ralph Waldo Emerson, was fittingly chosen by the Board of Regents to write this volume, commemorating the life of his friend, president of the University of Minnesota during a formative quarter of a century. "His outstanding success may be pointed out in the fact that he has caused a personality to live. . . . The biography is characterized by sympathy, humor, insight, and always by readability."—*Yale Alumni Weekly.* "The beauty of the author's prose, the color of his diction, the vigor of his figures of speech—these clothe with warmth, exactness, and dignity, the record of a noble character."—Carroll K. Michener, in the *Minnesota Alumni Weekly.* "A 635-page biography, which engrosses the reader's attention, and which justifies its length, as a study of a remarkable personality, a review of fifty years of certain aspects of university education, and a narrative with some surprisingly poignant elements. It is the extraordinary honesty of the volume which gives it interest and excellence."—Allan Nevins in the *Saturday Review of Literature.*

Thomas Chaucer.

By Martin B. Ruud, Ph.D., Professor of English, University of Minnesota. Minnesota Studies in Language and Literature No. 9. vi+ 134 pages. Eight appendices, bibliography. Royal octavo. Paper. $1.50.

"Professor Ruud has performed a useful service in settling beyond further question a long-disputed detail of Chaucerian biography, a detail the implications of which make clearer the poet's social status, and contribute towards the interpretation of certain of his writings. Barring the discovery of new evidence—and the painstaking thoroughness of Mr. Ruud's researches makes such a discovery improbable—this monograph should be the final word on the subject. . . . But the value of Mr. Ruud's study goes beyond the establishment of this fact. He has gathered together, and has printed or summarized, every bit of information which has survived about the career of Thomas Chaucer; and this information, derived in large part from unprinted documents in the Public Record Office, should prove of great interest to students of the social and governmental history of fifteenth-century England."—Robert K. Root, in *Modern Language Notes.*

Village Laws and Government in Minnesota.

By HARVEY WALKER, Staff Member, League of Minnesota Municipalities. Bureau for Research in Government Publication No. 6. 175 pages. Octavo. Paper. $1.50.

In this volume Mr. Walker outlines the development of village government in Minnesota from the early town charters down through the period of special village charters to the present general village laws. The book will be of especial interest to village officers and teachers of history and government in Minnesota, and to students of government wherever they may be. An *Outline of County Government in Minnesota* will be published by the Bureau in November, 1927. See page 3.

Minneapolis City Charter, 1856–1925.

By JESSIE MCMILLAN MARCLEY, M.A. Bureau for Research in Government Publication No. 5. ix+ 133 pages. Octavo. Paper. $1.00.

Mrs. Marcley, first woman member of the Minneapolis Charter Commission, has traced in this volume an important thread in the history of Minneapolis. Professor William Anderson, Director of the Bureau for Research in Government, writes in the Foreword: "In the rise of the municipal services and the constant improvement of cities is a chapter of modern life which the historian and the publicist should not neglect . . . It is pitiful but true that cities continue to repeat each other's mistakes, to try over and over again experiments which have proved fruitless in the past. A city should know at least its own history."

Outlines of Pathology.

Edited by E. T. BELL, B.S., M.D., Professor of Pathology, University of Minnesota. x+ 586 pages. 12 mo. Cloth. $3.50.

A textbook based on lectures given in the courses in Pathology at the University of Minnesota by Dr. Bell, with chapters on Neuro-pathology, Hematology, and Parasitology by specialists in those fields.

The Young Child and His Parents.

A Study of One Hundred Cases.
By JOSEPHINE C. FOSTER, Ph.D., Assistant Professor, Institute of Child Welfare, and JOHN E. ANDERSON, Ph.D., Director, Institute of Child Welfare, University of Minnesota. Monograph Series No. 1. iv+ 190 pages. Octavo. Half-cloth. $1.50.

"Improvement in the methods of handling young children depends in large part upon making accessible to parents the results of broad experience and scientific study of the child and upon impressing parents with the importance of the part they themselves play," write the authors in Part I of this volume, in which they discuss the purpose and method of their study and present statistical summaries. In Part II are presented brief case histories of one hundred children between the ages of two and six. All cases so abnormal or unusual as to fall outside ordinary experience have been eliminated. Each history includes a brief characterization of the salient features of the case, a description of the home situation, a discussion of developmental history, a history of the adjustments of the child, and, where possible, the treatment suggested and the later history. "Harassed parents will find the volume full of simple, vivid suggestions. The case story method of presenting facts is incomparably more colorful than straight exposition."—Joanna C. Colcord. "Written in easy, readable style, and non-technical language, this book gives an insight into the problems of early childhood and the variety of methods used by parents in meeting them."—*Journal of the American Association of University Women.*

The Junior College.

By LEONARD V. KOOS, Ph.D., Professor of Secondary Education, University of Minnesota. Vol. 1. xxxi+ 238 pages. 91 tables, 51 figures. Vol. II. 682 pages. 231 tables, 100 figures, appendices, index. Royal octavo. Paper. Two volumes. $5.00.

Professor Koos' comprehensive study of the junior college movement is the outcome of an investigation carried forward by the author under subventions from the Commonwealth Fund of New York City and from the University of Minnesota—an investigation which entailed personal visits to almost seventy junior colleges. "What has been essayed," writes Professor Koos, "is a comprehensive evaluation of the movement . . . and a marking out of what seem, in view of the results of the investigation, appropriate lines of future development." The scope of this report is indicated by the titles of the several parts: The Scope and Aspirations of the Movement, The Educational Functions of the Junior College, The Forces of Reorganization in Higher Education, Overlapping in High School and College, Instituting the Junior College Plan. "It is not often that we have presented to us so adequate a study in education as Professor Koos' *The Junior College* . . . The junior-college movement is one of those social phenomena which have a meaning and significance far beyond what a mere count of numbers affected would indicate. The value of the present study rests largely in the fact that the author recognizes this principle and devotes the major part of his two volumes to a convincing exposition of the forces which are at work."—Henry C. Morrison in the *School Review.* "It is seldom that a student of education has so favorable an opportunity to secure through a comprehensive study a broad view of

any institution during the period of its rise. Professor Koos has amply justified the choice of the Commonwealth Committee by the comprehensiveness and adequacy of his investigation and the clarity of his report." Charles H. Judd in the *Oberlin Alumni Magazine.*

The Junior High School.

By J. Orin Powers, Ph.D., Assistant Professor of Education, George Washington University. xii+ 125 pages. 91 tables, 16 figures, biblography. Octavo. Paper. $1.75. Ready now.

This study of the instructional outcome of one of the most significant movements in secondary education is based on an investigation of the Minneapolis, public schools, conducted in cooperation with the officers and teachers of the system. Professor Leonard V. Koos writes of this study: "It is easily the most comprehensive and substantial task of evaluation of the new unit to find its way into print." It performs two major services: (1) in pointing toward "the thoroughgoing reorganization that must come to be general, and (2) in demonstrating "methods or approaches in appraisal—methods adaptable to other situations and to other special purposes of the junior high school."

Studies in Public School Finance.

By Fletcher H. Swift, Ph.D., Professor of Education, University of California, and others. Vol. I. The West: California and Colorado. xiv+ 221 pages. 99 tables, bibliography. Royal octavo. Paper. $3.00. Vol. II. The East: Massachusetts, New York, New Jersey. xi+ 240 pages, 84 tables, 6 figures, bibliography. Royal octavo. Paper. $2.00. Vol. III. The Middle West: Illinois, Minnesota, South Dakota, with a supplement on Alaska. x+ 329 pages. 99 tables, 29 figures, bibliography Royal octavo. Paper. $3.50. Vol. IV. The South: Arkansas, Oklahoma, Alabama, Tennessee. xiv+ 224 pages. 83 tables, 25 figures, bibliography. Royal octavo. Paper. $2.50. Price complete in four volumes, $10.00.

That "in the last analysis a large proportion of the educational difficulties existing in the majority of our states today are financial and are due fundamentally to antiquated systems of school finance" is the contention of Professor Swift. President Coffman of the University of Minnesota writes in the Preface of this series of monographs: "It is becoming increasingly clear that a thorough analysis of the principles underlying the sources of revenue for the support of public education is imperative. There was and is no one in this country, so far as I know, better qualified to make such a study and analysis than the author of this monograph."

Prunes or Pancakes.

Dean Owre, who leaves Minnesota this autumn to take up his duties as Dean of the School of Dentistry of Columbia University, writes in his

introduction: "This book is not a scientific disquisition on diet. It is intended rather as a concrete and popular guide to the science of eating. I believe if there is any physical salvation for civilized man, it must lie in dietetic reform." "Of immense value."—*Journal of the American Dental Association.* "Invaluable book on dietetics."—*Dominion Dental Journal.*

A Guidebook to Minnesota Trunk Highway No. 1.

By G. M. Schwartz, Ph.D. Minnesota Geological Survey Bulletin No. 20. ix+ 128. 12 plates, 11 figures, 13 route maps. Octavo. Paper. $0.50.

This guidebook should prove an invaluable aid to an enjoyable and profitable vacation, either for native Minnesotans or for visitors from outside the state. It contains a description of the chief geologic features that may be seen along Highway No. 1 of Minnesota. This scenic highway begins at the Iowa state line south of Albert Lea and passes northward through the Twin Cities to Duluth and thence extends along the north shore of Lake Superior to the Pigeon River near Port Arthur, Ontario. The book includes 13 maps, which show the locations of roads, towns, and villages, and most of the rocks and land forms that are described in the text. A section on trees and plants is supplied by Dr. C. O. Rosendahl and Dr. F. K. Butters of the University of Minnesota and one on fish and game by Mr. Thaddeus Surber.

The Geology and Magnetite Deposits of Northern St. Louis County, Minnesota.

By Frank F. Grout, Professor of Geology and Mineralogy, University of Minnesota. x+ 220 pages. 11 tables, 13 plates, 16 figures, 89 township maps. Octavo. Paper. $1.00.

Much of the area treated in this bulletin had not previously been surveyed in detail. The chief scientific results of the survey are the study of the intrusives related to the great batholiths that invaded the schists and greenstones in Algomian time.

Serial Publications

The arrangement is chronological within each group. Each volume is paper bound unless otherwise indicated and will be mailed postpaid on receipt of price. Publications for free distribution issued by the University or any of its departments are not included in this list.

Forthcoming Books

America and French Culture, 1750-1848

By Howard Mumford Jones, Professor of English Literature in the University of North Carolina. About 600 pages. Cloth. Price probably $4.50. Ready in September.

A clear and graphic picture of the influence of French culture upon American life in the formative years of the nation. Aside from English culture the profoundest single influence in the shaping of American culture was the influence of the French; yet there exists no other comprehensive study which attempts to define and trace this influence. Mr. Jones begins with an analysis of the main social forces in early America and gives a survey of the principal contacts between Americans and Frenchmen and of the knowledge of the French language in America. Using such basic facts, he then proceeds to examine the points of social, of artistic, and of intellectual contact, and estimates the influence of the French upon varying levels of American life. The study of the intellectual contact treats such major problems as the American reaction to French philosophy, to French theories of education and religion, and to French literature and science.

This book should prove indispensable to the student of American literature or American history. It is, writes Professor Tom Peete Cross of the University of Chicago, "a highly distinguished contribution to the history of American culture." It is a book of first importance.

The Romanesque Lyric: *Studies in its Background and its Development from Petronius to the Cambridge Poets (50-1050)*

By Philip Schuyler Allen, Ph.D., Professor of Germanic Languages and Literatures in the University of Chicago. With renderings into English verse by Howard Mumford Jones, Professor of English Literature in the University of North Carolina. Ready in the winter of 1928.

"This a much needed work, by men who are better qualified than any others I know of to do just that thing. . . . It promises to be the most important contribution to the study of mediaeval literature made during this century." Charles H. Beeson.

This book is the product of long years of scholarly study happily joined to a bountiful gift of poetry. It is an important book for the historian, the student of literature, and the lover of poetry. It is a mine of information for Gaul in the pre-Roman and Gallo-Roman periods; it will be a revolutionary book for those who think the Dark Ages were dark. Mr. Jones has turned the early lyrics into English translations identical in tone and balance with the idiom of the originals. He has striven to reproduce exactly the proportion and restraint of the medieval verses and to avoid every subtle and elusive falsification which makes the ancient model conform to modern sentiment.

Southern Exposure

By Peter Mitchel Wilson, Secretary of the United States Senate. Probably $2.50. Ready in September.

This book of reminiscences deals with a childhood before and during the Civil War, university days in the South, Scotland, and France, and young manhood during the days when the South was struggling to recover from

the disaster of war and the blight of ignorance and prejudice. We cannot introduce it better than by quoting the foreword by W. W. Fuller:

"*Southern Exposure* is a likeable tale told by a lovable man about his own life and the ways of his neighbors and the resurgence of his beloved State.

"The gentlest of Carolina gentlemen, a modest, scholarly son, of invulnerable honor and unsullied kindliness, has, with filial piety, written of the brave old Commonwealth that mothered him, lovingly, knowingly—and fairly.

"He was born into affluence, plunged into poverty, acquainted with suffering; lived unstained, and happily remains with us, as fine a flower of Southern gentility and chivalry as ever blossomed.

"An artist of images and artisan of words, his little book reflects the beauty and piety of his life, and the dignity and manliness of his fellows.

"It is a joy to welcome the book and a happiness to read these intimate reminiscences of gentle Peter Wilson."

Lectures on Egyptian Art

By Jean Capart, Director of the Royal Museum, Brussels, Belgium. Edited by Wallace Caldwell, Ph.D., Professor of History in the University of North Carolina. About 160 illustrations. Printed in Belgium. Probably $5.00. Ready in November.

Professor Capart defends by the use of copious illustrations his thesis that the Egyptian artists were capable of work as beautiful and as varied as that of the Greeks. Strangely enough the author finds his strongest proofs of this in the industrial art of the Nile Valley. For the religious and patriotic art which filled the Egyptian temples was rigidly bound by tradition and convention, but in the works of art designed for the beautification of the rich Egyptian home, the artist was allowed freer play to his imagination. It is our loss that it is the art of the temples which has survived in greater abundance and governed too exclusively our ideas of Egyptian art. In this book the distinguished author attempts to shatter many popular concepts of the art of the Pharaohs.

Juvenile Courts in the United States: *Their Law and Practice*

By Herbert H. Lou, Ph.D. About 300 pages. Probably $3.00. Ready in September.

A thorough examination of the whole juvenile court movement, presenting a critical account of it in all its more important aspects. The volume explains its principles, its development, its present status, its forms of organization, its actual working, and its significant tendencies. It is undoubtedly the most comprehensive treatment yet attempted of the machinery, legal and social, with which we handle children's problems. "Mr. Lou's book is an extraordinarily good piece of work in my opinion."—Bernard Flexner.

The Freedmen's Savings Bank

By Walter L. Fleming, Ph.D., Professor of History and Dean of the College of Arts and Sciences in Vanderbilt University. Probably $2.00. Ready in September.

A chapter in the economic history of the Negro. The Freedmen's Savings Bank was organized by friends of the Negro shortly after the Civil War.

Forthcoming Books

It grew rapidly and established branches throughout the South. It was a promising experiment containing possibilities of great benefit to the liberated Negroes. Its failure, due to mingled dishonesty and incompetence, resulted in unfortunate reactions among those who had trusted it. Dr. Fleming traces its origin, growth, decline, and failure, and indicates its effects upon the Negroes.

The Social Theory of L. T. Hobhouse

By Hugh Carter, Ph.D. Probably $2.00. Ready in September.

A well written resume and critical appraisal of Hobhouse's writings, sifting out his social theories from his mass of philosophical material. The book is written in an objective and restrained manner and is not marred either by the fulsome praise of the disciple or by the ill-digested criticisms of the immature student.

The East and West Trunk Line Railroad Movement in North Carolina: *A State Movement in Railroad Development*

By Cecil Kenneth Brown, Associate Professor of Economics in Davidson College. Probably $4.00. Ready in October.

A hundred years ago agitation began among the people of the State of North Carolina for a purely North Carolina trunk line railroad from east to west. The agitation affected every important movement in the state for years to come, and is not dead yet. No longer ago than 1924 North Carolina was considering the expenditure of a minimum of $8,500,000 on ports, terminal facilities, and ships; and a trunk line railroad to serve state ports was widely discussed in connection with this proposal. This present work, the story of the successes and failures of this century-old movement in state railroad development, is an integral part of the greater romance of North Carolina's growth and development.

Congarèe Sketches

By Edward C. L. Adams. With an introduction by Paul Green. 5¾″ x 8¼″. xx + 116 pages. Cloth. Price $2.00; specially bound autographed and numbered edition, limited to 200 copies, size 6½″ x 9½″, $5.00.

Not often does any publisher have an opportunity to introduce to the reading public a book of stories as engaging and as true as these sketches of Negro life in Heaven, Hell and the big swamps of the Congaree way down in South Carolina. These are stories you will not soon forget. They are full of humor, yet are far from comic. They have much of eerie beauty, of the weird fears and visions of a primitive people to whom the spirit world is ever present and very real. And sometimes they possess a fundamental common sense and a penetrating satirical spirit that cuts deep.

These are no ordinary stories, and no veneered imitation. Here is vital stuff. Dr. Adams should take his place alongside the greatest tellers of Negro tales. "I doubt," writes Paul Green, "if Joel Chandler Harris ever wrote a better tale than Dr. Adams' story of the 'Hopkins Nigger'." "Dr. Adams is not guilty of exploitation. One finds in *Congaree Sketches* no manipulation, no pulling of the strings for sensational or comic purposes. He never, as so many do, takes a patronizing point of view toward the Negro; never makes him the butt for the low comedy laughter of the

whites. Nor does he idealize him for the sake of sentimentalizing. He lets the Negro speak for himself. I know of no more faithful representation against an actual folk background of actual Negro nature with all of its infinite variety of pathos, tragedy, and humor. He has caught and held in these sketches a fast vanishing phase of the Negro psychology, emotion, and thought.''—G. C. Taylor.

The Scientific Study of Human Society

Social Study

This is a book which no sociologist abreast of the times will fail to read. No advanced student of sociology can afford to miss it if he is to make the newer scientific method a part of his equipment. At the same time it is an admirable introduction for the newer students of sociology who wish to get at the very start the right concept of the science of society.

''Professor Giddings has done a real service to sociology in his recent book on *The Scientific Study of Human Society.* It presents to us an entirely new methodology in the study of sociology.''—Professor John L. Gillin of the University of Wisconsin.

Among the colleges and universities which have used Giddings' *The Scientific Study of Human Society* in class or seminar are the following: Columbia University, University of Chicago, Harvard University, Yale University, University of Minnesota, University of Wisconsin, University of Missouri, University of Florida, University of North Carolina, University of Alabama, Tulane University, Smith College, University of Washington, University of Pennsylvania, University of Georgia, Ohio State University, University of South Carolina, University of Illinois, University of Indiana, University of Kansas, University of Texas, Western Reserve University. *(It is worthy of note that* The Scientific Study of Human Society *was included in the list of forty books published in the United States recommended by the American Library Association to the Committee on Intellectual Coöperation of the League of Nations as the forty most important books published in 1924. This book and Roscoe Pound's* Law and Morals *were included in the group of eight social science volumes.)*

The Negro and His Songs

By Howard W. Odum, Ph.D., Professor of Sociology and Director of the School of Public Welfare in the University of North Carolina, and Guy B. Johnson, Ph.D., Institute for Research in Social Science in the University of North Carolina. 6" x 9". xii + 306 pages. Cloth with gold stamp. Price $3.00.

A study of typical Negro songs in the South, a unique interpretation of the Negro as he expresses himself in song. His newer creations of religious songs, his everyday social songs, and his work songs are reproduced here exactly as they are sung. Here are songs that should form a notable contribution to the study of literature, folk psychology, and sociology. The book contains over 200 Negro folk songs, sometimes crude, sometimes flashing with vivid bits of imagery and poetry, always warmly human.

"*The Negro and His Songs* is a delight and a relief. Mr. Odum and Mr. Johnson, the co-authors, as Southerners who appreciate the prevalent negro sanely and unsentimentally, have written a unique interpretation of the colored citizens of the United States as they express themselves in song. Their collection and arrangement of religious songs, social and work songs, as they were improvised or passed from mouth to mouth in old ballad fashion, have real and permanent value."—The New York *Sun.*

"Seldom have we had the pleasure of encountering such perfect comprehension of the Negro on the part of white investigators."—*Opportunity.*

"So little emphasis has hitherto been laid on the poetic value of the words, flashing wih imagery and descriptive phraseology, crude though they may be, that it is a relief to pick up a book in which this theme is fully developed."—Carl Van Vechten, New York *Herald Tribune.*

An Approach to Public Welfare and Social Work

By Howard W. Odum, Ph.D., Kenan Professor of Sociology and Director of the School of Public Welfare in the University of North Carolina. 5¼" x 7½". xvi + 178 pages. Cloth with gold stamp. Price $1.50.

This book is an experiment in the introduction of an important subject to three groups: the undergraduate college man or woman, the teacher in the high school, and the layman in the field of social work. It conforms to the current tendency whereby teachers utilize outlines freely in class and require generous outside reading rather than the constant use of one textbook.

There is no field in which careful training of specialists and sympathetic understanding of laymen is more greatly needed. This volume attempts to outline clearly and concisely the field of public welfare and social work, the types of workers needed, the problems with which they are faced, and the equipment necessary to meet these problems adequately.

Systems of Public Welfare

Farm Life Abroad: *Field Letters from Germany, Denmark, and France*

By E. C. Branson, A.M., Litt.D., Professor of Rural Social Economics in the University of North Carolina. 5½" x 7¾". 303 pages. Cloth. Price $2.00.

In this volume Professor Branson, a life-long student of rural social economics, has given a remarkably interesting view of country life in Germany, Denmark, and France. From his knowledge of our country and farm tenant conditions, Profesor Branson is particularly well qualified to find

the essential conditions of country life in these countries and compare them with our own. He finds certain types of organization among farmers which he believes would greatly improve our rural life.

"Thirty-six vivid letters which delightfully portray aspects of Eurpoean civilization that tourists usually neglect make up this volume. A more entertaining and instructive book on things as they are in the countries visited has rarely been written."—Boston *Evening Transcript.*

Farm Life in Denmark

A reprint of the twelve chapters of Dr. Branson's *Farm Life Abroad* which deal with farm life in Denmark.

Among the Danes

By Edgar Wallace Knight, Professor of Education in the University of North Carolina. 6" x 8½". xvi + 236 pages. Four illustrations. Cloth. Price $2.50.

An American teacher goes to school in Denmark, and learns many lessons. Dr. Knight writes in a breezy fashion of the remarkable civilization achieved in Hamlet's much-talked-of little kingdom and of the effective system of education which has transformed Danish life. The volume is full of suggestions for this country.

Dr. Knight gives especial attention to rural conditions. Farm tenancy and government encouragement of small holdings are dealt with at some length. Two chapters are devoted to the famous folk high schools of Denmark. Some of the twenty chapter headings are: Adult Education, Training Elementary School Teachers, Training High School Teachers, Winning Higher Degrees, Education and Agriculture, Marriage and Divorce in Denmark, Taxes, Social Welfare, and The Prophet of the North. Dr. Knight writes of Denmark, but always with a backward look at America.

History

Hispanic-American History: A Syllabus

By William Whatley Pierson, Jr., Ph.D., Professor of History and Government in the University of North Carolina. 6" x 9". viii + 170 pages. Price $1.50, limp cloth $1.00.

"The study of Hispanic American history is gradually coming into its own in the United States. With the appearance of this syllabus (revised and enlarged according to the title page, but in reality an almost entirely new book, and the best publication of this nature yet issued), the student has one more tool at his disposal. The days of pioneer study of the Hispanic region in America are over.

"Dr. Pierson has emphasized throughout 'the institutional, social, intellectual, and economic aspects' of the Hispanic American colonies and states. Accordingly, one finds in the ten sections of the volume that comparatively little space has been given to the European background and to the period of discovery and settlement (9 and 4 pages respectively), and to the period of the first enunciation of the Monroe Doctrine (4 pages), all subjects that have received great emphasis from many writers. To the 'Spanish colonial system', however, 21 pages are devoted; to 'Settlement of Brazil and Portuguese colonial institutions', 3 pages; to 'The struggle for independence', 18 pages; to 'Political theories and early republican institutions,' 3 pages; to 'Political history, 1826-1926', 51 pages; to 'International relations,' 24 pages; and to 'Contemporary history, problems, and achievements of Hispanic America,' 13 pages. The historical-political aspects of the Monroe Doctrine are considered under the chapter on international relations, pp. 135-140—their logical place.

"Each section presents one or more analytical outlines with required and additional readings. While professing not to be a bibliography, the bibliographical features of the work form one of its most valuable parts. Dr. Pierson has wisely indicated readings from books in English as extensively as possible, together with the readings from the best Spanish and other foreign-language sources. This volume should have a wide use."—James A. Robertson in the *Hispanic American Historical Review.*

The Civil War and Readjustment in Kentucky

History

By Ellis Merton Coulter, Ph.D., Professor of History in the University of Georgia. 6″ x 9″. xii + 468 pages. Cloth. Price $3.60.

The whole story of how Kentucky got into the Civil War, how she developed her strange neutrality doctrine before going in, how upon getting in she immediately became greatly dissatisfied with her position, and how when the war was over she became more Southern in her feelings than even South Carolina.

"Professor Coulter . . . has done a brilliant piece of work; his book is a gripping study from beginning to end, clear-cut, solid, and comprehensive. It is, in many ways, the best book on this period."—Frank Lawrence Owsley in *The American Historical Review.*

"His chapters on the rising of discontent, on the political development within the state, on commercial restrictions, and on federal relations break new ground and bring virgin fields under historical cultivation. On these subjects the reviewer feels that Professor Coulter has said the last word. They will not need reconsidering. As a whole the book is . . . one of the most significant of recent books in American history."—*Mississippi Valley Historical Review.*

Old Days in Chapel Hill: *Being the Life and Letters of Cornelia Phillips Spencer*

Biography

By Hope Summerell Chamberlain. Illustrated with fourteen line drawings by the author. 6″ x 9″. xvi + 325 pages. Cloth with gold stamp. Price $3.50.

This volume is not merely a revealing picture of a unique personality, of a great-souled woman who lived in a narrow sphere. Nor is it merely the story of the University of North Carolina during pre-war prosperity and post-war poverty and second beginnings. It is both of these. It is also a first hand and unsentimental picture of Southern life during much of the nineteenth century. Mrs. Spencer was a severe critic of the section which she loved and many of her personal letters have great historic value. This is especially true of those letters written during and immediately after the Civil War.

"Her letters have much of the blended seriousness and humor, the naivete and charm of Cowpers; and it is these letters that render this volume of more than local or passing interest."—*The Journal of Educational and School World,* London. Hope Summerell Chamberlain "has written the best biography that has been written in the South in the last fifty years. It may be the best of all Southern biographies. She may have had the best subject. There is material enough in this volume for a dozen romances, and it is all true."—W. W. Ball in the Columbia *State.*

Robert E. Lee: An Interpretation

By Woodrow Wilson. 5″ x 7½″. 42 pages. Cloth with gold stamp. Price $1.00.

A remarkable interpretation of Lee and a vivid self-revelation of Wilson. A book representative of Mr. Wilson's best style and thought.

Biography

In setting forth in 1909, while still President of Princeton University, the principles which dominated the life of the great leader of the Confederacy, Mr. Wilson unconsciously perhaps, but none the less actually, revealed the fundamental principles which later governed himself while shaping the destinies of the nation in its supremely critical hour and fortified him in his self-sacrificing effort to secure for humanity an enduring covenant of understanding and goodwill. This early address has proven a dramatic prophecy of the world leader then hidden in the professor.

AN ENGLISH COMMENT

". . . His character manifests itself very plainly in this address. Ostensibly he is speaking of Lee, . . . but . . his real theme is the political ideal of Woodrow Wilson, here stated years before he was known as a possible President. . . . This ideal already, in 1909, is solidly in keeping with the man who will not improbably take his place in history as the supreme spiritual intelligence evoked by the Great War. . . . Here is vision of the subtlest kind applied to the very prose of political thinking, and it is such application that has produced all the fine statesmanship in the world." —Manchester *Guardian.*

Southern Pioneers

Edited by HOWARD W. ODUM, Ph.D., Kenan Professor of Sociology and Director of the School of Public Welfare in the University of North Carolina. 5¼" x 7¾". 221 pages. Cloth. Price $2.00.

This is not a volume of sectional praise. In this book the South criticizes the South, asks "Why is this so?" and "What can we do about it?" And a partial answer to this last question is indicated by critical biographical studies of nine Southerners who are considered pioneers in social and political thinking. The men thus studied are: Woodrow Wilson, Walter Hines Page, Charles Brantley Aycock, Seaman A. Knapp, Augustus Baldwin Longstreet, Joel Chandler Harris, Booker T. Washington, Madeline McDowell Breckinridge, and Edward Kidder Graham.

A FEW COMMENTS

"On the whole, the book is decidedly worth while."—*Outlook.*
"Each of the sketches is well done, and the book as a whole is not only delightful reading, but thoroughly informative."—Atlanta *Journal.*
"This is a book that should not go unnoticed in the North."—*Christian Science Monitor.*
"In fact, it is doubtful if there is in print another volume in which may be found a group of essays whose subjects should be of greater interest to Southern readers."—Greensboro *News.*

Religion

Can a Man Be a Christian Today?

By WILLIAM LOUIS POTEAT, LL.D., President-Emeritus of Wake Forest College. Second Edition. 5½" x 7½". xiv + 110 pages. Cloth with gold stamp. Price $1.50.

A clear and forceful presentation of the fundamentals of Christianity, together with a wholesome refutation of the fanatical attacks upon science.

The three chapters were originally delivered as so many lectures at the University of North Carolina on the McNair Foundation.

"In workmanship it is magnificent prose . . . here is the most significant volume that has come out of North Carolina in years."—Greensboro *Daily News.*

"It is emphatically a book for such a time as this, if religion and science are to learn how to work together in such a world as this."—*The Christian-Evangelist.*

"There are hundreds of thousands of honest young people who are in perplexity, and who would like to have an intellectually respectable religion. They will find illumination in this little book."—William Lyon Phelps in *Scribner's Magazine.*

"The deepest of all infidelity because it comprehends all other forms is the fear lest the truth be bad. Do not be afraid of the effect of enlarging knowledge upon acquisitions already made or upon long cherished beliefs. That sort of timidity is an impeachment of the majesty and harmony of the sum of things. Besides, the old knowledge, after the manner of all life, will organize itself about the new revelation. Establish, if you can, outposts in every province of the intellectual domain. Dare to look into any dark recess, to walk on any far-looking crest in God's universe, for you will find Him everywhere in proportion to the penetration and range of your vision."—*From Chapter Three.*

Religious Certitude in an Age of Science

By Charles Allen Dinsmore, Ph.D., D.D., Professor of the Spiritual Interpretation of Literature in the Yale Divinity School. 5″ x 7½″. viii + 102 pages. Cloth. Price $1.50.

In this unusually sane statement Dr. Dinsmore maintains that the word Knowledge belongs to religion as well as to science and that religious apprehension reaches nearer the heart of its object than scientific knowledge; that the faith upon which our religion is founded is as bold, rational, and as comprehensive as any scientific generalization; and that it can prove its truth by its effects upon life.

Professor Dinsmore's book "is as helpful as it is candid and intellectually sincere."—Springfield *Republican.*

"In this close, clear reasoning the book is rich, and equally rich in the wide knowledge and allusions with which its pages abound. It has been a long, long time since so brief a volume contained so much that would strengthen the faith of thoughtful men." The Richmond *News Leader.*

". . . we have not met with a better book to put into the hands of anyone who still thinks that Science and Religion are enemies."—*The Church of England Newspaper,* London.

A Working Faith

By Charles Reynolds Brown, D.D., LL.D., Dean of the Yale University Divinity School. 5½″ x 7½″. 129 pages. Cloth, with gold stamp. Price $1.50.

While the doctors dispute, what kind of faith will a man find most useful in his everyday life? Dean Brown attempts to divest religion of theological baggage, to dispel the clouds of intellectual fog which often dims the Christian's view of Christ. What does it mean to be a Christian in this

turbulent twentieth century? How can religion be identified with life? How can our religion be made practical, vital, usable? Dean Brown's newest book deals sanely with these problems.

"Clearly and vigorously, 'as man to man', Dr. Brown discusses the vital truths of the Christian faith, giving a volume which is most readable and inspiring."—*Presbyterian Advance.*

"There is a certain non-clerical heartiness about this fascicle of three lectures, a kindly air of common sense void of any solemnity save that of real life, which is rarely found in the particular brand of literature to which this neat little volume belongs. Dean Brown's Christianity is of a human and likable type, and his English is as serenely beautiful as his faith."—New York *Herald-Tribune Books.*

". . . it is easy to realize why Dean Brown is perhaps more eagerly welcomed than any other lecturer on religious themes in our country. . . . will help to clarify the thought of any intelligent reader."—Hartford *Courant.*

Southern Literary Studies

By C. ALPHONSO SMITH. 5¾" x 8". 192 pages. Cloth. Price $2.00.

The late C. Alphonso Smith is widely known as scholar, teacher, and writer. *What Can Literature Do for Me?* is perhaps his most widely read book. He was a boyhood and lifelong friend of O. Henry, and wrote the standard biography of the famous short story writer. Numerous other books were published in English and German. After many years as Professor of English first in the University of North Carolina and later in the University of Virginia, he was called to head the English department of the United States Naval Academy at Annapolis, and served in that capacity until his recent death.

Some of the studies in this volume were originally published in magazines, some were delivered as addresses, two were first published in German and now appear for the first time in English. Mrs. Smith states that in her opinion this book contains some of her husband's best writing. Certainly it is representative of his style and work, and should be welcomed by all of those who have read and enjoyed any of his earlier books.

The subjects include Thomas Jefferson, Joel Chandler Harris, Poe, O. Henry, Literature in the South, The Americanism of American Literature, Matthew Fontaine Maury, and others. F. Stringfellow Barr was a student of Dr. Smith's in the University of Virginia, and knew the professor and his family intimately during and after his student days. He has written a charming biographical study of C. Alphonso Smith which adds greatly to the interest and value of the book.

The material listed includes histories of Argentine literature, collections of biographies, autobiographies, and articles of a controversial, critical, or biographical nature published in books or magazines by Argentines or men closely identified with the intellectual life of Argentina. A Census of British Newspapers and Periodicals, 1620-1800

By R. S. CRANE and F. B. KAYE, with the assistance of M. E. PRYOR. 6½″ x 9¾″. 205 pages. Cloth $2.75, paper $2.25.

The need of a convenient and accurate finding-list of seventeenth and eighteenth century periodicals shelved in American libraries has long been felt by historians, scholars, and librarians. This want is now met by the publication of *A Census of British Newspapers and Periodicals, 1620-1800.* No other checklist for the period approaches the present one in accuracy and availability. The arrangement is both alphabetical and chronological, so that any periodical in any important American library issued in any year from 1620 to 1800 can be immediately located either by title or by year of publication. A supplementary geographical index lists the periodicals by place of publication; and as the authors have included not only English publications but also newspapers and magazines published in Scotland, Ireland, Wales, the Channel Islands, and (in certain cases) Holland, all desiderata are met. It is possible to know at a glance where any periodical is to be found, and to learn what issues or "runs" are held by particular libraries.

Earlier Publications

(Before the organization of the University of North Carolina Press in 1923, the University published various books from time to time through other publishing houses. Most of these were series of lectures originally given on the McNair and the Weil foundations. The University Press now has in stock varying quantities of seven of these. They are listed below.)

Education and Citizenship and Other Papers

By Edward Kidder Graham, late President of the University of North Carolina. With an introduction by Edwin A. Alderman, President of the University of Virginia. 5½″ x 8″. 253 pages. Cloth. Price $1.50.

This illuminating collection of the papers and addresses of Edward Kidder Graham was published in 1919 shortly after his death.

"The literary style of Graham, reflecting always a certain quaintness and playfulness, gains its strength and felicity largely from the vigor and integrity of his thinking, rather than from any heat of passion or imaginative excess. He used his brain to think with, and, as a sort of matter of intellectual conscience, kept it ready for instant test.

"The word culture was, next to democracy, oftenest upon his lips, and I am convinced that the innermost urging of his life was to comprehend completely these two great postulates and to relate them to each other."—*From the Introduction.*

SOUL'S SECRET DOOR, (2nd. Ed).

Writing in free verse, a devout Hindu gives us a book of poems, "Soul's Secret Door", and it is interesting to note how essentially Christian is his Oriental faith.—**Literary Digest.**

The book sheds an almost tonic sense of peace and repose.—**Evening Post, New York.**

Here is the calm, exalted type of spirituality which is so distinctive of Hindu thought at its best and highest. A noble mysticism, expressed in lovely, simple, lucid English phrase, is present in all these verses as at once an atmosphere and an illumination.—**John Haynes Holmes,** Unity, Chicago.

Swami Paramananda, one of the best teachers of ancient Oriental wisdom in America, has written a book of poems which, for purity of expression, alone, comprise a refreshing contribution to contemporary poetry.—**James M. Warnack,** Los Angeles Times, California.

Like the Psalms of King David. They are marked by a fine spirituality and profound devotion. In vers libre, they have an unexpected lyrical quality.—**Cincinnati Times-Star.**

THE VIGIL, with Portrait of Author.

When Swami Paramananda's earlier volume, "Soul's Secret Door", was published, no one who read it failed to recognize its sincerity, its beauty, its surpassing calm. The present book, it seems to me, is even a higher accomplishment. It has carried the splendid growth of the earlier verse to a more splendid fruition. Swami Paramananda has a message! We are better for listening to it. What a great Christian he is, in spite of the fact that his religion is of the Orient; another surety that God is God, no matter what men of different races call Him or in what language prayers ascend!—**John Wellington La Rue,** Enquirer, Cincinnati, O.

An interesting collection of verse into which a classic beauty and chasteness of thought have been so interwoven that they strike a high spiritual note and lift one out of the ordinary plane of material things. Mysticism in its truest form finds expression here, and a burning ardor for a more intimate knowledge of the Divine envelopes its pages. This young Hindu poet has struck fire in even the smallest fragment of verse with his limpid honesty of mind.—**Buffalo Courier,** Buffalo, N. Y.

As we read the poems, we were charmed with the simplicity of their form and the mystical grandeur of their content. All the poems seem to be the spontaneous outpourings of one who has attained communion in his soul with God—the Essence of life and creation.—**Prabuddha Bharata,** Calcutta, India.

RHYTHM OF LIFE.

As in his two earlier volumes, "Soul's Secret Door" and "The Vigil," here Swami Paramananda, founder and leader of the Vedanta Centre of Boston and the Ananda-Ashrama, in California, reveals himself as also a poet of authentic utterance, a master of simplicity and beauty. In him unite the practical idealism of the West and the supreme mysticism attained by India of old. A book of devotion, inspired and inspiring, of spiritual vision and divine communion, "Rhythm of Life" is an experience and a prayer.—**Carleton Noyes** in the Foreword.

In reading these offerings of Swami Paramananda's devout muse the feeling is gained that here is a human soul which has achieved that rhythmic attitude of life so desirable. There is a selflessness in these poems of worship suggestive of the songs of the Psalmist when he was closest to Divinity and with an utter forgetfulness of self poured out his soul's longings and his soul's tributes.—**Sam T. Clover,** Saturday Night, Los Angeles, California.

DEVOTIONAL AND PHILOSOPHICAL

THE PATH OF DEVOTION (6th Edition). Cloth $1.25. Paper, 85c. Postage 10 cts. Contents: *I. Devotion. II. Purity. III. Steadfastness. IV. Fearlessness. V. Self-Surrender. VI. Sanskrit Prayers and Salutations with translation.*

This is not a book of theory, but of practice. It gives wisdom for the life and its outer manifestations. Without doubt the book will have a wide reading.—**Detroit Times.**

The words are so alive that they seem rather spoken than written. No one can read the book without gaining a new impetus for the spiritual life in the world.—**Indian Review.**

The Author breathes a spirit of deep Oriental religious fervor that has for its Occidental prototype nothing this side of the devotees of Medieval times. The style of the book is so simple that one scarcely realizes it comes from the pen of a man of the East.—**San Francisco Chronicle.**

A spirit of deep religious fervor and strength pervades in the whole book and reminds one of Brother Lawrence. It is a book to be read with profit.—**Unity, Kansas City.**

VEDANTA IN PRACTICE. (3rd Edition). Cloth binding $1.00. Paper, 85c. Postage 10 cts. Contents: *I. Need of Spiritual Life. II. Right Discrimination. III. Building of Character. IV. Power of Concentration. V. Self-Realization. VI. Selections from the Upanishads and other Scriptures.*

It is a thoughtful companion anywhere on the way of life. This makes a good first book for one who wishes to become acquainted with Oriental philosophy at its best. The book will aid in the cultivation of the habit of concentration.—**Chicago Evening Post.**

An attractive and useful little volume . . . The author aims to present the principles of Vedanta doctrine in so simple and practical a way that they can be applied in the daily lives of the disciples.—**Cleveland Plain Dealer.**

The breadth and tolerance exhibited by the Author in reference to other religions, commend themselves to fair-minded readers—**San Francisco Chronicle.**

REINCARNATION AND IMMORTALITY. Cloth $1.00. Postage 10 cts. Contents: *I. Life Hereafter. II. Karma and Fate. III. Harvest Field of Life. IV. Law of our Destiny. V. Overcoming Fear of Death. VI. Reincarnation and Immortality.*

THE WAY OF PEACE AND BLESSEDNESS, (3rd Edition). Portrait of Author. Cloth binding $1.25. Paper 85c. Postage 10 cts. Contents: *I. Worship of Truth. II. The Path of the Spirit. III. The Consecrated Life. IV. Trust in the Divine. V. Service of the Ideal. VI. Purity of Heart.*

Writers of the East are finding an ever widening response among the men of the West, perhaps because they bring us something much needed in our hurrying life. For example, "The Way of Peace and Blessedness" by Swami Paramananda—a dainty little volume of meditations and prayers. Although by a Hindu, the English is lucid, strong, graceful, and at times highly poetic. Its teaching, too, could also as well be Christian as Hindu. Its noble catholicity is worthy of the peculiar beauty of its words.—**Record-Herald, Chicago.**

The book reminds us of the "Theologia Germanica" and the "Imitation of Christ." It is for all—Hindus and Moslems, Christians and Buddhists. We have read the book with delight and recommend it to our readers.—**Modern Review, Calcutta.**

"The Way of Peace and Blessedness" is a priceless little work on spiritual living. Full of devotion and consecration, each of the six chapters seems more potent than the other. We recommend this work especially for use in meditation, every chapter being opened by a prayer full of aspiration and of peace and by quotations from the Sacred Scriptures of India suited to the subject.—**Oriental Esoteric Bulletin, Washington, D. C.**

BOOK OF DAILY THOUGHTS AND PRAYERS (2nd Edition). 400 pages. Leather binding, $4.00. Flexible fabrikoid, $2.50. Postage 15 cents.

At the end of the volume are some remarks on food and a grace for the daily meal. CLASSICS

English translations from the Sanskrit

BHAGAVAD-GITA (3rd Edition). Attractive pocket size. Flexible binding $1.50. Plain cloth $1.25. Postage 8 cts.

The Swami brought to his task a thorough knowledge of the two languages, a profound understanding of the thought and a realization of the thought through the life. No one can read the translation contained in the pages of this little book without feeling convinced that head, heart and soul have co-operated in the making of it. Its language is simple, fervent and spontaneous, and if it lacks the ornate imagery of William Q. Judge's translation for the Theosophists, it is probably a more accurate rendering of the original. From the simplest daily task to the most exalted state of spiritual consciousness, at every step of the soul's evolution, one may turn to this sacred book for strength and inspiration, even though one is not an actual believer in Hindu Philosophy.—**Boston Evening Transcript.**

The above translation was undertaken as a labor of love for a small group of earnest students in Florence. And this love shines through it in the earnestness and clearness of diction that are some of the special qualities of this author. No longer can anyone complain of the multiplication of Sanskrit terms without a sufficient explanation . . . The present translation will be a favorite one with all who appreciate the Swami's profound knowledge of his subject and the illumination of his life.—**Oriental Esoteric Bulletin, Washington, D. C.**

It is called "the Gita clarified" by many who have read it. Those who are familiar with other renderings of this wonderful Aryan Scripture cannot fail to gain new light from this translation.—**Unity**, Kansas City.

THE UPANISHADS—with commentary, Vol. I, (2nd Edition). Blue cloth, gold lettering $1.50. Plain cloth, $1.25. Postage 10 cts. Contents:

I. Isa-Upanishad—Oneness of the Soul and God, and the value of both faith and works as means of ultimate attainment are the leading themes of this Upanishad.
II. Katha-Upanishad—The most widely known of all the Upanishads. It presents a dialogue between an aspiring disciple and the Ruler of Death regarding the great Hereafter. Edwin Arnold popularized this story in "The Secret of Death" and Emerson gives it in brief in his essay on "Immortality."
III. Kena-Upanishad—This is one of the most analytical and metaphysical of the Upanishads, its purpose being to lead the mind from the gross to the subtle, from effect to cause.

The Upanishads contain the choicest gems of Indo-Aryan thought and culture, and are of equal value to the scholar and to the seeker of spiritual light. The present translation is remarkably lucid as well as faithful to the original, and the commentary makes plain what might otherwise be obscure to the Western mind. It is declared by those who have read it to be "a precious contribution not only to literature itself, but also to those forces that shall ultimately lead mankind out of darkness into Light."

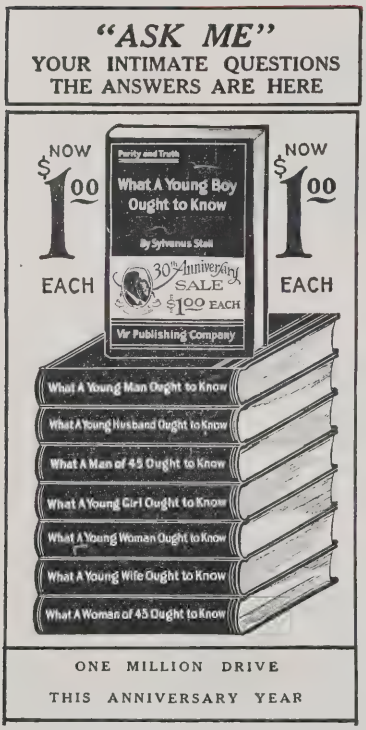
Natural Questions Answered Right

THE BOOKSELLERS' STAPLES



It has been thirty years since Dr. Stall inaugurated his Pure Books on Avoided Subjects. Nearly everybody previously had believed that it was a subject that could not be spoken of or written about in a decent way. Even the laws of obscenity were so plain that it meant to one who would violate these laws by writing on this subject, the serving of a term in jail. But Sylvanus Stall bravely faced the question and gave the world the books that are known everywhere as clean and proper reading in the home.

The Vir Publishing Company is celebrating the Thirtieth Anniversary of these books that have brought proper thought and consideration upon this subject, and like many other anniversaries, it is being celebrated by a SALE.

The retail price of the Self and Sex Series is reduced from $1.35 to $1.00—each and every book carries a special anniversary jacket emphasizing the thought of this great reduction in price.

Not within the recollection of anyone living, has there been a greater demand for clean books on avoided subjects. One has only to walk the streets of any of our cities, ride on the buses and subway trains or visit the seashore, to see conditions that they have never before witnessed.

Dr. Sylvanus Stall was the first to blaze the way for purity and truth, insisting that it was not an unclean subject if discussed by people of clean thoughts and ways of living.

In order to meet what the Vir Publishing Company believes to be A REAL NEED, they are putting forth an intense effort to sell ONE MILLION copies of Stall's Books within a year, the idea being to carry out the thought of the author and founder of the company, to sell the books at the lowest possible price in order to increase the number of readers, so THE RETAIL SELLING PRICE IS NOW REDUCED TO $1.00 PER COPY.

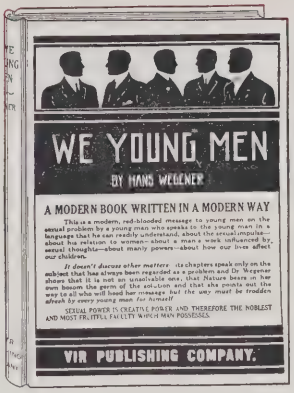
A Message That is Clean, Vibrant and Strong

We Young Men

By Hans Wegener



As sexual power within every young man is a natural one, evident in its design, why should we longer permit men to speak of it as something of which a young man has reason to be ashamed? It is for young men who realize that even if this creative nature is a problem, it is not an unsolvable one.

A safe and sane book for young wives who are approaching what they deem to be the most critical period in their lives

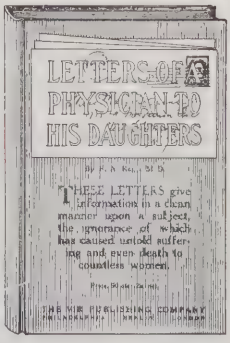
Letters of a Physician to His Daughters

By F. A. Rupp, M.D.



The author, a physician and a father of girls, shows why young men who have been impure cannot make the right kind of husbands, and in doing so he summons evidence which should be sufficient to make young girls exceedingly particular as to the character of the young men from whom they receive attention.

"A book weighty with truths about life. It is written in pure and simple style and is such a book as parents should be glad to place in the hands of their grown sons and daughters."—*Edwin Markham, San Francisco Examiner.*

WHAT SUCCESSFUL MEN THINK OF THIS BOOK

From Prominent Manufacturers—

"Enclosed please find check for six copies of the book. I want to distribute them among some of our employees."

"I am passing it among the boys in our office because it contains some wonderful messages."

"Anyone who can read this book without being fired with a determination to emulate the examples therein set forth, must be a dull person indeed."

From Two Distinguished Judges—

"It is a fine book for young men to read. I am saying this because of its real helpfulness."

"I have read the book all through. I like it and I am enclosing my check for $25.00, which makes $50.00 that I have invested in extra copies, so you know what I think of it."

From the Distinguished Head of a Widely Known Banking Concern—

"I find the book to be very interesting and valuable, so interesting that with reluctance I put it aside to attend to my correspondence. Please forward as quickly as possible twelve additional copies."

From One of the World's Greatest Inventors—

"Please send me six additional copies. It is very interesting and instructive."

Opinion of a Great Newspaper—

"Many books deal too much on the achievement of honor, office or wealth. They leave on the mind of the youthful reader the impression that success consists more in getting than in becoming. This book is of a different type—it imparts a gracious and uplifting influence from the spirit of the men who wrote it—men who recognize that a noble character, and the ability for true service are the worthiest to be attained."—*Boston Evening Transcript.*

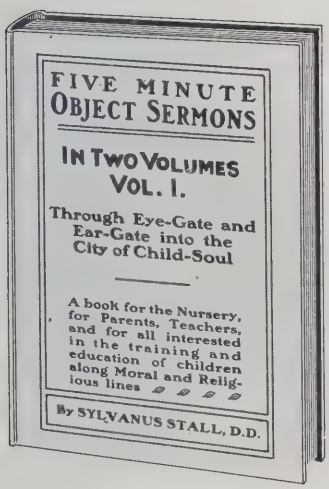
Two Books That Will Be of Informing Interest Not Only to Ministers, Sunday School Superintendents and Teachers, But in the Home Life.

IN TWO VOLUMES

Five Minute Object Sermons

By SYLVANUS STALL, D.D.



These are ideal books—classics of their kind. The little talks are based upon familiar everyday objects treated in the fascinating form of parables and told in such an interesting way that the reader is left to wonder where large words are ever needed to express our thought at any time.

They should be familiar to all who are in any way responsible for child nurture and culture. Every parent and teacher will find them full of suggestiveness and helpfulness. They have in their teaching that grit and substance which go into the making of sturdy manhood and womanhood.

WARMLY COMMENDED

"Like his Master, Dr. Stall paints beautiful word pictures. Tells his stories so plainly, using common objects as illustrations, that we actually see what he is talking about and the mind sees more than the eye, for the chief excellence of the books is that they suggest so much more than they tell. For this reason they are useful not only to the parent teacher, but especially helpful to the minister in preparing sermons for children."—*The United Presbyterian.*

"We have seen volumes of this kind before but never ones that contained more practical discourses for the little folks."—*Our Bible Teacher.*

"Fascinating and practical. The talks are bright and crisp, models of point and brevity."—*Biblical Recorder.*

"They are animated in style, bright, interesting and practical."—*The Advance.*

"We do not know that we can give a stronger commendation to these volumes than to state that on a brief examination of them we got the suggestion for a series of half dozen evening sermons for young people."—*The Christian Statesman.*

"Excellent, admirable, irresistible. The author is a genius. There is not a dull line between these covers. The author exhibits a new way of preaching the Gospel."—*The Endeavor World.*

"Dr. Stall is an expert in this line of work. He addresses these little sermons as bright, pithy and taking as they can be, with a good point to them always."—*New York Independent.*

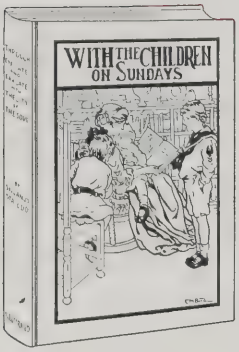
Child Training in a Kindergarten Way



With the Children on Sundays

By Sylvanus Stall, D.D.

Fifty-two talks, one for each Sunday in the year, on the ordinary things that are met with either at the dinner table or about the home or outdoors.

The author in simple language that the child can readily apprehend, makes the common ordinary things of life tell impressive lessons to the wondering children who gather around the Mother.

Interesting Features

There are eight full-page four-color illustrations and a highly artistic and very realistic family picture on the cloth cover, and 135 line drawings, every picture being drawn especially for this book by the distinguished illustrator, Miss C. M. Burd. The "Play Picture," also drawn in four colors, was painted especially for this book by Miss Wuanita Smith.

It Introduces the Play Idea

The unique and yet reverent Play-Church idea taught in this book, will keep the children off the street and make Sunday afternoon the happiest and most profitable time in the week. It will train the children as speakers and develop whatever talents they may have that are lying dormant, and in addition, it will make them take more interest in church services. An hour or so every Sunday in the year devoted to the play idea in this book will make the children more mentally keen, develop their powers of observation, and help fit them for the niche in life that they are afterwards to occupy.

Then, too, it teaches children to see things. The reason so many people succeed in life is because they were taught to see things—not simply to look at them, but to know about them, why they were made and for what purpose. The ordinary things about the home, such as the house key, the coal and wood, the worm in the apple, the little red crab hidden in with the oyster and other common objects are made to teach lessons that stimulate the child's imagination and develop the child's mind to its highest possibilities.

Large quarto volume, size 9½ x 7, full cloth, 330 pages. 9 full-page four-color illustrations, 135 line drawings. Price, $2.00 Net

Success in Selling Books*

CHERISH AN AFFECTION FOR YOUR JOB.—One ought to be in love with his business if he is to make a real success of it. Every one who is making good in business will tell you that the reason is because he likes it; in fact, he loves it. He has it on his mind all the time and he gets a lot of pleasure out of it because it engages his affections and his best thought. Try to get up a real affection for your business and we promise that if you are not a fickle one and just keep on loving your business you will make more money and will be in a more happy frame of mind.

KEEP YOUR STOCK CLEAN.—When people pay the price of a new book they want it to look spick, span and new. The stock ought to be covered during sweeping time and every morning it should be wiped, not dusted with a brush which simply drives the dust from one shelf to another. When you order a quantity of one title or series, get the publisher to send you some extra jackets so that the customer may be sure of getting fresh, clean-looking copies. Then see to it that the books sold are wrapped in some dainty, attractive paper and tied with a colored cord. *Let the purchase look good.*

HOW TO MAKE THE VERY ATMOSPHERE OF YOUR SHOP ATTRACTIVE.—There are some business houses which one almost shudders to enter because of the inattentive, indifferent attitude of the salespeople. They appear to think that the customer is an intruder and their surly bearing and disagreeable manner make one desire to get away from their uncongenial atmosphere as quickly as possible. If one was to enter this kind of a bookshop desiring to make a hurried purchase and found the salespeople in groups engaged in earnest conversation, paying no attention to his presence and making no endeavor to ascertain his wants, do you suppose that such a one would sit down in a chair and patiently wait for them to come to him, and would he congratulate them on their indifference and express his appreciation of their conduct, and would he assure them that hereafter and forever he would make all of his book purchases in that establishment? "Not on your present life!" as modern slang would size up the situation. So make the visits of the customer to your shop both pleasurable and profitable, where one would like to find an excuse to enter and browse around the premises, where they feel sure they will find agreeable, courteous salespeople to brighten the place with their sunny presence.

GET WELL ACQUAINTED WITH CUSTOMERS.—Show an interest in your customer, not only when he is in your shop to make his purchases, but when you meet him on the street or elsewhere. Be concerned about his personal welfare. If there is a death in his home, write a little letter expressive of your sympathy. There is nothing that will do more to knit folks to you with real ties of friendship than tender, sympathetic words in their hours of bereavement. When a new baby arrives in his home send him a card of congratulation. If he is a natural parent, it will increase his personal regard for you if you do so. If he does not frequent your shop as often as he did in the past, let him know that you miss his patronage by a tactful, wise, little inquiry. Then when you get to know him better in his personal life and events, send him a post card of congratulation when his birthday arrives. These little timely courtesies will grip people to you by ties stronger than mere acquaintanceship. It will increase your value to the house many times, make you of more intrinsic worth to yourself, and a valuable asset to the concern.

The Story of Law

by

John M. Zane, LL.D., Litt.D.

Introduction by James M. Beck, ex-Solicitor General of the United States

THE Story of Law begins with the general conception of law as concerned with animals who have always lived in social communities and who must live in accordance with rules of action designed to preserve the community. The bees, ants, and beavers, whose conduct is purely mechanical reaction to surrounding circumstances, illustrate this phase. Next the story pictures the first men living according to fixed rules, modified by higher mental organization and the development of language, which produced thought and then reasoning. Passage from the wild state to the domestication of animals and the developing sense of property is shown, followed by cultivation of land. It is made clear that men are both instinctive and reasoning, so that much in our old law depends upon this originally instinctive nature.

Then come the Brehon laws of the ancient Celts and the gradual passage from pure self-help to the various compositions for wrongs and the development of the family as the unit responding for all its individuals.

Beginning with the historical record, we pass from the Egyptian to the Semite and the first written laws in the Code of Hammurabi, 2250 B.C., illustrated by ancient law found in Deuteronomy. Finally the story passes to the Greeks and Romans, and to the gradually developed English law, showing the almost complete destruction of Roman law and its revival in Europe, from which it spread to America. The genesis of most of our present laws, even constitutional law, is indicated, and the change from customary law to enacted law is especially emphasized.

"I have always thought," says the author, "that if the Story of Law generalized, not descending to particular laws of particular countries, could be developed, and if average men could be made to realize the actual nature of law, there would be a cessation of the attempts to make human beings over and give them by law a different type of mind."

The Story of Law

by

John M. Zane, LL.D., Litt.D.

Introduction by James M. Beck,
ex-Solicitor General of the United States

THE *only* complete outline story of how Law came into existence, developed and changed through the ages, and why it plays such a prominent part in our life to-day.

Every man, woman, and child comes in daily contact with the law. Prohibition, the automobile, the newspapers, the draft, jury duty, the income tax, and a hundred other agencies have made the public law-conscious, and there is universal curiosity about its origin and how and why we have become a "law-ridden world."

John M. Zane, a leader of the Illinois Bar and a distinguished man of letters, has made a profound and far-reaching study of the subject during the last ten years. Now, after gathering his material from many sources, he has put the result of his investigations into a readable, connected narrative that will appeal not only to his own profession but also to men and women of average learning who want to increase their knowledge of this fascinating subject.

There is nothing technical or abstruse about this book. It is full of humor and the story-telling quality, and it will supply a long-felt want in the lives of those who are "subject to the law" but who do not understand it.

James M. Beck, ex-Solicitor General of the United States, warmly commends the book in a brilliant introduction and there is no doubt that a host of readers will agree with him.

The War Diary of a Nurse

"Sister"

by *Helen Dore Boylston*

THE *woman's* side of it, at last! A plain, unvarnished, straight-from-the-shoulder account of the experiences —tragic and humorous—of an American girl in a front-line dressing-station during the World War.

This is the real thing, with none of the edges rubbed off. If you want to know what war means to a young, impressionable girl who volunteers for active service, read this human diary. It reveals in vivid, unforgetable pictures the everyday life of a woman at the front.

To those who were "over there," it will bring back the Big Show and their part in it. To those who did not get across, it will make clear some of the mystery that has always clung to those who came back.

And, in addition, if you happen to be a woman, it is a heart-searching, precious document, written with keen insight and an abundance of humor by a very brave and gallant lady.

The Memoirs of the Marquise de Keroubec

FOR those who like spicy anecdote written in a style that is both piquant and diverting, this highly amusing diary of a little known member of the French nobility will have a special appeal. The fair lady who recounts her chequered career during a troubled period with such daring frankness quickly wins our affection if not our respect. She is a "gold-digger" if there ever was one, and yet she does it in such a grand manner and with such an abundance of humor that we are bound to laugh in spite of ourselves and forgive her for any lapses in her conduct.

To quote from *John O'London's Weekly:* "Charming but naughty . . . she seems to have modelled herself upon the heroine of 'Gentlemen Prefer Blondes,' or rather, as she lived during the French Revolution, we had better say she was another (and a brilliant) example of the class of ladies described by Miss Loos . . . What a pity there is not more known of the Marquise de Keroubec, that astounding amorist!"

The Complete Story of the Prize Ring in America

by *Alexander Johnston*

THE first complete account of the rise of the prize ring in America. Mr. Johnston, an authority on fistic sport, has gone to original sources for much of his material and has himself witnessed many of the bouts described. Beginning with the dark ages of the game over a century ago, he traces its course from the bare-knuckle era of Heenan and Sullivan down to the present day, when big purses and enormous crowds have made it a business enterprise of gigantic proportions. The personal side of the story is fully emphasized and the narrative is spotted with "human interest" anecdotes that make us know our heroes of the squared circle as they were and are.

Prize fighting always has been a rough, hard sport, and brutality has sometimes played a large rôle in its activities. Nevertheless, the ring has played a part in the physical development of America and this footnote to history shows how the evolution of boxing has kept pace with the progress of humanity in this country. It is a long step from the days of the old bare-knuckle ring, with its pervading brutality, its thuggish associations and general unsavoriness, to the orderly and well-regulated boxing game of to-day. It has been a real progress of evolution from the grim and battered bruisers of other days to the debonair, well-mannered and well-read heavyweight champion of the moment. In a comparatively brief space, the rough and tough old game of fisticuffs in this country has been brought under responsible control and turned into a sport which humane men can participate in and witness with enjoyment.

Illustrated with many unusual photographs and prints and written in accurate but racy style, it will undoubtedly become a standard book on the subject and prove of perpetual interest to the constantly increasing army of fight fans.

The Tramp

by W. *Townend*

A SMASHING sea story by an author whose tales of men who go down to the sea in ships have thrilled innumerable magazine readers.

"A ship on the rocks is worth two on the stocks" runs a famous sea saying, and this dramatic saga of the last voyage of the old tramp-steamer *Medea*, with its nearly tragic ending, fully bears it out. From the moment she clears from Cardiff, Wales, until, many weeks later, the battered *Medea* limps into port, there is constant fighting against terriffic odds. Involved in this struggle are Captain "Black John" Dorrock, who sold his honor to a rascally ship-owner to save his dying wife; McGish, the Scotch engineer and philosopher; young Jimmy Kerrill, second mate but able to command; and as tough a crew as ever sailed the high seas. Together they battle against each other and the wild storms of the Atlantic, and who shall say that it was not the faith of a girl in far-away England that saved the day?

The sting of salt spray and the roar of the gale are in this book. A man's novel—but many women will like it, too.

Walt Henley

D. S. M.

by *Alfred F. Loomis*

WALTER HENLEY is the sort of chap that young readers will like instantly. The descendant of men who nobly served their country in time of peace or war, he inherits a taste for the sea, and when the United States joins the Allies, he determines, though under age, to enlist in the Navy. How he does this and what comes of it, including a hair-raising encounter with a German submarine, form a story that will stir young blood. Walter is a good boy but no milksop, and his struggle to overcome the hard luck that persistently dogs his footsteps makes one want to cheer when at last he gets his reward.

The author, a son of the famous Charles Battell Loomis and a popular writer on his own account, has drawn upon his experiences during the World War to concoct a tale that is bound to please young America.

The Royal Cravatts

by *Lillian Rogers*

A NOVEL of New York life from a fresh angle—that of the Russian emigrant who arrives in this country full of enthusiasm to be a real American and to make good, but who often finds the struggle bitter and El Dorado, after years of toil, as far away as ever.

A particularly well written story by one who has made a close study of a typical family whose life, though far removed from the glitter and luxury of Fifth Avenue, is just as important in its way. Olga, Sasha, Masha, Volodya, Tanya, and Sophia—they are all vivid portraits of people with emotions and sensibilities like our own, but it is Gregory, the little self-important, self-centered pharmacist and head of the Cravatt clan, who will linger longest in your memory.

Through all his changing fortunes in the drug business, his rise to comparative prosperity and his fall, Gregory sees neither himself nor his world clearly. Life is interpreted in terms of his own kingship; his little soul converts everything into food for the nourishment of his illusions, but he is pathetically human in whatever he does. He pursues his aim blindly, never perceiving the tragic love-story of his wife, the worthlessness of his son, the loneliness of his old mother. Nor does he comprehend the lives and problems of his brothers and sisters. From every person and every situation Gregory takes only what he needs to keep himself intact as a "royal Cravatt," and in the end, amid the ruins of his life, he still hopes and struggles on, certain that his peculiar destiny will lead him to the little greatness that has obscured his vision.

A first novel by a writer whose powers of characterization and keen analysis make her work stand head and shoulders above the usual run of fiction.

The Gun-Slinger

by *George M. Johnson*

HERE is a "Western" with the kick of a .45. Dan Butler, the appealing little kid whose father was wrongfully lynched by a posse of cattlemen, is a real person, and as we watch him grow to manhood and perfect himself in the gentle art of gun-slinging, we follow his career with an attention that never wavers until the dénouement with its happy ending.

Yet Dan Butler was, after all, no gun-slinger as the term has been applied to professional bad men of frontier days. He derived no savage satisfaction from the act of killing, even though the victim of his gun deserved death a dozen times. Rather, he was an impersonal instrument of justice, and when he faced the last of the five men he had sworn to slay, the force that had driven him on the long grim trail was mastered by a force stronger than vengeance itself.

THE MAN WITHOUT A COUNTRY

By Edward Everett Hale

With forty color drawings by *Milo Winter*

How would it feel to be a man without a country? Philip Nolan believed that it would be a happy condition when in his anger he declared in the court martial that he wished never to hear the name of the United States again.

But as the time passed and he never did hear that name again, the realization came to him that above all things was his own country dear to him and that the worst evil that could befall a man was to become a man without a country.

Such is the theme of this great story of patriotism that teaches love and reverence to all for their native land.

The forty color drawings by Milo Winter illustrate this great narrative in the way that it should be illustrated, with feeling and spirit.

STORIES FROM AN INDIAN CAVE *By Carolyn Sherwin Bailey*

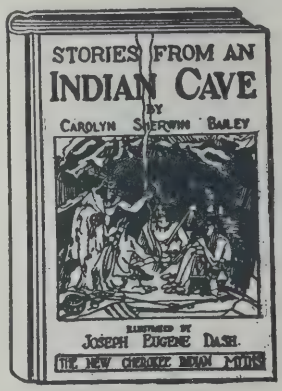
The myths of the cave-building Cherokee Indians are less familiar than those of many other tribes of Red Men. They were told to our Government at Washington by John Ax, who heard them when he was a fire boy in the "lodge of the story-tellers."—Review from *Baltimore Evening Sun.*



Here are many of the cave stories that everybody will enjoy because they are new and have not been told in other books of Indian tales. They will take you out of doors into the pleasant land of Once-upon-a-time where wonderful and unexpected things happen.

The Bureau of Indian Affairs at Washington furnished the notes for these Cherokee myths. The stories are new in Indian folk lore and have a value for children in the lesson inculcated in addition to their content of interest. The many illustrations are vividly realistic.

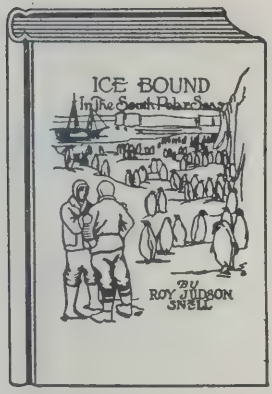
ICEBOUND IN THE SOUTH POLAR SEAS *By Roy J. Snell*

Author of *"Little Boy France," "Strangeland Bird Life,"* etc.



Icebound is a story about three boys who started with a relief cargo of supplies for the Whaling Station on Deception Island. How they became lost is the story that constantly develops action and leads them to true discoveries. The Antarctic Regions vividly portrayed and the Penguin Land real life brought before the reader. The explorer-author of this story has a fascinating manner of telling stories of the Polar Regions, as he is intimately acquainted with the shores of Polar seas.

Arthur C. Bartlett

SPUNK, LEADER OF THE DOG TEAM.

By Arthur C. Bartlett. Illustrated. 320 pp. $1.75.

Spunk — strong, masterful, intelligent Spunk won his place in the heart of his master and as leader of the dog team through weeks and months of training. He acquired his name because he refused to whimper when broken limbs had to be set and he justified his name when on the ice fields of Mount Washington he refused to yield an inch when yielding would mean certain death and destruction to all. And when the winning team of the great Derby of dog racing, "mushed" in with Spunk in the lead, he verified all the confidence his master had in him when he christened him "Spunk".

It's a great story of a great dog and other dogs, too, and of a boy who might never have been what he became had it not been for Spunk.

Adelaide S. Baylor

of-war and to inspire patriotism and heroism in the young men of this generation. Mr. Beach writes of real events and true incidents in the Navy, and brings into play all the expert knowledge of the Navy which he has gained through years of experience.
Naval officers are one of the few classes of Americans who actually have interesting adventures now-a-days; consequently the navy appeals to the boy's imagination much as it did in the days of wooden ships. Commander Beach has put into his series of stories about Ralph Osborn some valuable information about the American navy, and much of his own life experience.

Here means were found to increase the family income and although the town promised few excitements at first, June found plenty as she became a part of the town's life, helping to restore a broken romance and finally becoming the heroine of one herself.

Frank H. Cheley

CAMP-FIRE YARNS. Or Famous Stories Told Around the Camp-Fire. By Frank H. Cheley, editor of the "Father and Son Magazine". Illustrated with colored jacket and cover. 264 pp. Cloth, $1.50.

No boy or man has ever forgotten those evenings he spent before the camp-fire. The very atmosphere lent itself to the charm of being in the open. And no one will ever forget the stories which were told. How the imagination let loose and how the very picture of the scenes and events as told by the story teller have lived. Mr. Cheley is an old camper and his stories as told before the camp-fires are the choicest selections which have ever been issued. Boys and their fathers, too, will revel in them.

How close are you to your boy; does he turn to you for advice in preference to another; does he confide in you his hopes, aspirations and troubles?
Every good red-blooded father wants to be a *real* Dad. His boy expects it of him and he wants to live up to his boy's ideal.

THE MYSTERY OF CHIMNEY ROCK. Being a story of the search for gold in the land of the Ute Indians in the days of '49. Illustrated with colored jacket and frontispiece. 320 pp. Cloth. $1.75.

A fascinating story of the opening up of the great western part of this country. Through the experiences of his characters, Mr. Cheley shows just what this country was before the craze for gold lured thousands of easterners to trek westward. Many portions were inhabited by Indians who looked upon their coming as an invasion of their rights. This added to the settlers' hardships and with the natural privations which they suffered, their quest for gold and adventure proved a serious undertaking and in many cases, disastrous. The story of this wonderful period in our country's history should interest every boy.

THE BOYS' BOOK OF CAMP-FIRES. By Frank H. Cheley. Illustrated with many line-cuts and 12 full page plates. 400 pp. Cloth. $2.50.

The average boy, to a very large degree, has lost much of the real appreciation of wide open spaces, of the wilderness, the desert and mighty mountain stretches. It is because of this alarming condition that the well conducted summer camp for boys renders so fundamental a contribution to his best unfoldment. It will make him a bigger, finer spirited, more capable man, able to live more abundantly, possessed with rich treasures of character that can not be cashed, that have nothing to do with making a living, but that have everything to do with helping to live sane and wholesome and vigorous—and for a boy masculine.
This book is offered to your boy to stir, if by chance it may, his inherent savagery into constructive action out of doors.

A SUCCESSFUL VENTURE. 340 pp. Cloth. $1.75.

Four girls, with a brother, left destitute by the death of their father, find that they must make their own way in the world. They scandalize their dignified aunt by deciding to earn their own living. They are refreshingly honest and natural, and their plans, as conceived and carried out, make an exceptionally fine story.

The author has displayed ability in planning the course of action of her agreeable young people and in working out her plot effectively. Its blending of good sense and entertainment will be appreciated.

THREE GIRLS OF HAZELMERE. A story. Illustrated. 360 pp. Cloth. $1.75.

"Three Girls of Hazelmere" is a story of three young women living in a Massachusetts village who make a trip abroad to fit themselves for particular lines of work. Their experiences in England, France and Germany are entertainingly told. They learned much in which the ordinary reader will have an interest. The charm of the book is in its shifting scenes, amid which pleasant people come and go.

THE FRIENDSHIP OF ANNE. A story. Illustrated. 332 pp. Cloth. $1.75.

"The Friendship of Anne" is founded on boarding school life that is full of activity. The author apparently knows girls well, their weaknesses, hopes and aims. KATRINA. Illustrated. 340 pp. Cloth. $1.75.

THE BOY SCOUTS IN THE DISMAL SWAMP. Colored frontispiece. 310 pp. Cloth. $1.75.

The Dismal Swamp of today is not what it was fifty years ago or the band of scouts would not have come out as well as they did. The adventures with the law and the lawless add spice to the story which keeps up the standard of the other books of the series.

A TOPNOTCH TEACHER. 256 pp. Cloth. $1.50.

A man is more than a machine however large and effective that machine may be. A man's personality is greater than his methods. In presenting truth to others, what the teacher is, is of far more importance than his method of presentation. This does not mean that methods are not necessary but that personality overshadows them. A truly great personality may be trusted to find the proper method. There are helpful books on methods without number. This handbook is not one of them; it deals with what the teacher is. It is intended, primarily, for teachers in the church school, but it may be studied with profit by all teachers. It is a book to be read and then studied chapter by chapter with a view to self-improvement. The teacher who thinks himself to be below par in certain requirements for teaching will find suggestions for the correctives in this manual. A good teacher will discover in it much that will inspire him to more effective effort. A poor teacher ought to become a much better teacher after studying its pages.

Winston Books and Bibles are found wherever books are sold in all parts of the world

1884 The John C. Winston Company had its origin in the year 1884, in the second story front room of a typical old Philadelphia dwelling house at 1009 Arch Street, directly opposite to where now stands the prominent Winston Building covering 135,000 square feet of floor space.

For the first few years the publication and sale of one book engrossed the attention of the new publisher. This book proved very successful, and other equally fortunate publications followed which very quickly gave the firm a creditable reputation in the publishing world.

1900 In this year the business was incorporated, and about the same time the Company entered the field of Bible publication by seizing a favorable opportunity to purchase the entire stock, plant, and good-will of the "International" Series of Bibles—the largest line of Self-Pronouncing Bibles in the world.

1904 The business continued to grow so rapidly that in 1904 the Winston Building, which occupies nearly half an acre of ground in the heart of the city, was erected to meet the special requirements of the publishing business. The building and business represent an investment of over $1,500,000. Every facility for the rapid handling of the business of the Company has been incorporated, including not only the latest but also much specially built machinery.

1905 Scarcely a year had elapsed after the occupation of the new building, when another large addition was acquired by the purchase of the publishing business of Messrs. Henry T. Coates & Company, successors to Porter & Coates, and a notable pedigree of publishers. This acquisition included a large line of Standard Books, Juvenile Books and other meritorious publications, which have been augmented from year to year by the issue of many new volumes.

1914 The John C. Winston Company, who some years ago erected an eight-story building with a frontage on Arch Street of 100 feet and a depth of 150 feet, is now building an inclosed bridge to span the street in the rear, connecting them with the Harrison Building, thus securing six additional floors.—*The Publishers' Weekly, July, 1914.*

1918 The John C. Winston Company will enter the school-book field on the first of January. The Winston Company, which in thirty years' experience has acquired a long list of publications, among which are many notable titles, has entered the educational field with a sincere effort to make a distinct contribution to text-book literature. —*The Progressive Teacher.*

1927 The John C. Winston Company is now a factor in every market where books and Bibles are sold. Its text-books are now in use in every state in the Union. The whole United States, Canada, Great Britain and Australia are its principal territory, while to Europe, Africa, India, China, Japan, Mexico, South America and our Island Possessions — wherever the English language is spoken throughout the world—its publications find their way.

FIVE GOING ON SIX

By ABRAM B. ROSS

If you are a mere man, of course you have not felt this way—lately.

And say "How sweet he looks," to you—
But if I looked a perfect fright
Maybe they'd let me be.

BOUDOIR MIRRORS OF WASHINGTON

Washington society is the crest of our social wave. This book reveals the social life of the Capitol. It gives intimate pictures of the women who give and attend the dinners, receptions, teas and parties where the games of politics and society are merged. Sometimes, in the words of the old copy-book, "The cat's soft paws have claws." Sometimes, "My dear" smoothly extinguishes an "impossible." It is society as she is—intense, petty, generous, forgiving, revengeful—the eternal feminine. Captivating from first to last. Octavo. Cloth. 260 pages. Illustrated with 16 full-page portraits. **Price**.....**Net $2.50**

Bryan, William Jennings, and his wife, Mary Baird Bryan

THE MEMOIRS OF WILLIAM JENNINGS BRYAN

Mr. Bryan began his autobiography and in his will directed that his wife should complete the work. **It contains much heretofore unwritten history.** It was not possible to give to the world during Mr. Bryan's life the real facts concerning many of his activities, but in justice to her husband, Mrs. Bryan feels that the time has now come when the truth should be told. Starting with a masterly analysis of Mr. Bryan's character, she lifts the curtain on certain events that aroused the interest of two continents in the days when history was being made. In the preparation of the work Mrs. Bryan was guided by her diary, a diary of keen discernment and wit, supported by Mr. Bryan's private correspondence and official documents. There is an appendix to the work containing Mr. Bryan's outstanding addresses and his undelivered speech on the Dayton trial. Octavo. Cloth. 560 pages. Illustrated. **Price**.....**Net $2 75**

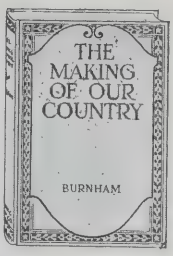
Burnham, Smith, A.M.

THE MAKING OF OUR COUNTRY



Looking backward from the reconstruction days following the World War, Smith Burnham has pictured the growth of our country from the discovery of the continent, through the Colonial period, through the great days of expansion, through the terrible days of the war between the States, through the Great War that took two million of our boys to Europe, and on up to the present moment, with America in the forefront of all the nations on the planet. Daniels, Josephus

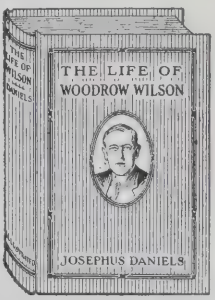
THE LIFE OF WOODROW WILSON. A Remarkable Biography of a Remarkable Man.



Hon. Josephus Daniels says: This book will be a life of Wilson, the man, as I saw him and knew him. I am familiar with the life of the former President. Besides the eight years I was under him as Secretary of the Navy, I was also associated with him when he was in Paris as the world's greatest figure. There are and will be many more lives of the war President written, all from different viewpoints. It is my aim to present the life, the whole life, of the man—not a book merely for politicians. I shall deal with his character, surroundings, environment—what he embodied. I want to lay bare the true Woodrow Wilson as man, politician, teacher, father, President, to the world. Cloth. THE LIFE OF WARREN G. HARDING

This book tells the whole story from the simple life of the farm to the glamor and power of the White House with a completeness of detail and anecdote that makes it read like a romance. An inspiration to young and old. President Harding's ideals and processes of thought were those of the average American. He was born on the farm. He became a printer and went to the village of Marion, Ohio, to work in the village newspaper office. In the course of time he bought the newspaper. As Marion grew to a small city, the weekly grew to a daily. Mr. Harding was elected to the Ohio Legislature, to the United States Senate, then to the Presidency of the United States. That this sort of thing can be done and does happen in the United States distinguishes it from all great nations of the world. It justifies the boast of which little has been heard in recent years—that every boy born in America has a chance to become President. Cloth. 288 pages. Illustrated. **Price**.....**Net $1.75**

Lewis, William Draper, Ph.D., (former dean of the Law School of the University of Pennsylvania) THE LIFE OF THEODORE ROOSEVELT with an introduction by William Howard Taft, Ex-President of the United States.

It tells of how he hunted big game in the United States, in Africa and in South America. It tells of how he organized the Rough Riders, and LED THE CHARGE OF SAN JUAN HILL. It tells of how he settled the Great Coal Strike, of how he made the Panama Canal possible, of how, during the World War, in the greatest crisis in our country's history, he has held up the Torch of Americanism as did no other man. HISTORY OF THE WORLD WAR—PEACE EDITION

A complete and authentic narrative, illustrated with official war pictures of the American, Canadian, British, French and Italian Governments. *Including the Treaty of Peace and League of Nations Covenant.*

In the foreword of this book the Author says: "Two ideals have been before us in the preparation of this necessary work. These are simplicity and thoroughness. It is of no avail to describe the greatest of human events if the description is so confused that the reader loses interest. Thoroughness is an historical essential beyond price. So it is that official documents prepared in many instances upon the field of battle and others taken from the files of the governments at war, are the basis of this work. Maps and photographs of unusual clearness and high authenticity illuminate the text. All that have gone into war making, into the regeneration of the world, are herein set forth with historical particularity. The book comprises 800 octavo pages (size 6⅞ x 9½ inches), over 200 illustrations, including portraits, maps, etc. Handsomely Bound in Cloth with Title Stamped on Side and back in Gold.

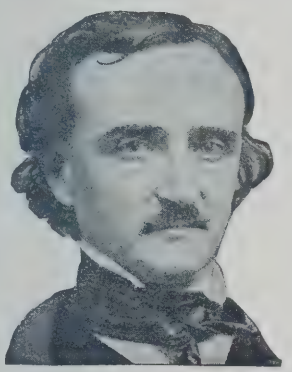
The Standard and Final Life of Poe



Edgar Allan Poe
—The Man—

By MARY E. PHILLIPS

and a Foreword by JAMES H. WHITTY, who is considered by the *New York Times* as the greatest living authority on Poe

A Book of Interest to Everyone Who is Familiar with the Name of Edgar Allan Poe

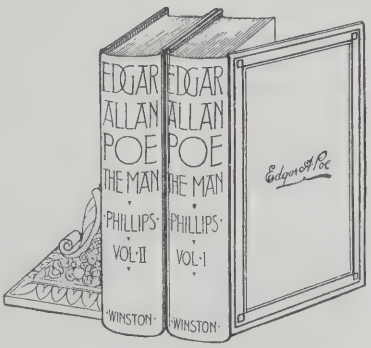
Since Poe's death, seventy-seven years ago, a sympathetic following has had to accept statements of his indulgences for no authority was able to uphold his case. Mary E. Phillips, the author of JAMES FENIMORE COOPER, and all her life a research student of American literature, has spent twelve years gathering material for this defensive biography. Every community in which Poe resided, both in Europe and United States, was visited in order to uncover the true facts.

Poe—The Man of Mystery

Much has been said, written, and hinted about the character of this immortal author. Letters about Poe, studies of Poe, and even volumes on Poe, have failed, however, to reveal the true character of this genius. It has remained for Mary E. Phillips to throw the illuminating light that removes the shadow—indeed to lift the veil in which Poe has always been enshrouded.

The Author Has Done for Poe What Amy Lowell Did for Keats

Now, and not until now, has a proper evaluation of Poe, THE MAN, been made. The clearing of Poe's name has entailed twelve years of continuous effort on the part of the author. This expenditure of time has resulted in uncovering a vast amount of facts, SIXTY-FIVE PER CENT OF WHICH ARE ENTIRELY NEW.



In view of all that has been written about Poe and with the passing of many years, it seems almost incredible that a work should now appear which contains so much hitherto unpublished material. Letters, records, documents, illustrations are here presented for the first time. The author has supplemented her work with contemporary prints and portraits associated with Poe's history. The treatment of the illustrations is most exhaustive.

A Standard, Final Biography

The appearance of this work marks the publication of a standard, final biography of America's pre-eminent writer. Poe is essentially a people's author, and belongs to no clique or class. It is important that the readers who form an opinion of Poe have all the facts of his life. The general reader will find in this biography for the first time a complete, illustrated story of THE MAN. It is and is aimed to be a definitive biography intended for the librarian, the student, and the general reader or booklover. This work, with its completeness of authentic facts, indispensable illustrations, and artistic format, provides a permanent, true record of a great poet, a great writer of short stories, and an inventor of literary method, yet withal, a man of mystery. **Octavo. Cloth. Two Volumes. 1649 Pages. Containing more than 500 Illustrations. PRICE.....Net $10.00**

Mr. Scull tells the story of a big game hunt, of which the trophies include specimens of practically all the game to be met with in Alaska, the western Arctic Ocean, and the shores of Siberia. The tales of adventures which befell the party, and Mr. Scull's personal impressions of the important places in the interior and around the coast of Alaska, add greatly to the book. REASON AND EVOLUTION

This is a plea for refusal to accept the statements of biologists without proof. It is not Fundamentalism *versus* Evolution. It is, what its title is: Reason applied to the Theory of Evolution. The author quotes liberally. He has read an enormous number of books by the earliest exponents of the theory as well as the very latest. He shows how what one modern Evolutionist presents as a "proof" is denied by another, who in turn presents other "proofs" which are denied by still others. And so on. One may not agree with all the author says, but we need a book like this if for no other reason than to counterbalance the positive position of the dogmatic Evolutionists. THE HANDY BOOK WITH THE BIG MAPS
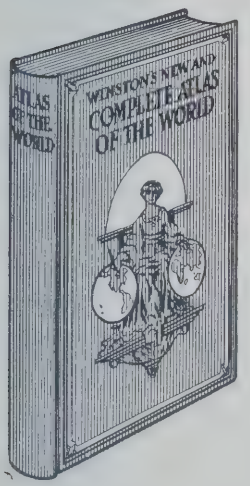
All the Peace Maps and New Boundaries

Winston's New and Complete ATLAS OF THE WORLD

WITH LATEST CENSUS



With New Maps of Europe; of Canada and its Provinces; of the United States, its Forty-eight States, its Territories and Insular Possessions and Maps of the Whole World with Boundaries as Established by the Treaties of Peace following the World War :: :: :: :: ::

THE WORLD RE-MAPPED

When the Treaties of Peace were signed following the World War, a new world figuratively was created as far as an Atlas is concerned. Marked changes have been made in three continents—in the Islands of the Pacific, millions of square miles of territory have changed hands; new nations have been born; boundary lines have been redrawn, and even in our own country, names of towns have also been changed. It will, therefore, be seen that any Atlas previously published is practically obsolete and that a new Atlas containing changes in the maps of every portion of the globe is absolutely necessary.

This New Atlas, the Handy Book with the Big Maps, shows Every Country of the World with Boundaries as Established by the Provisions of the Treaties of Peace following the World War :: ::

With New Maps of France, Africa, Poland, Czecho-Slovakia, and all other countries affected by the War, as well as complete maps of our own country.

The maps embody the very latest idea in map-making. Their accuracy is fully established by the fact that they were engraved under the personal supervision of L. L. POATES, whose reputation as cartographer is known to educators the world over and whose services are sought by leading technical institutions and societies and by the Government in the making of maps in which clear definition and accuracy of detail are essential.

The Last Word in Map Making

Complete work, size 7 x 9½ inches, comprises 350 pages, 192 pages of which are maps printed in five and six colors. It is printed on sturdy super-calendered paper and bound in the following styles:

Cloth, ink stamping..... **$2.50**
Flexible French Morocco, round corners, red under gold edges.. **4.50**

FEATURES THAT MAKE THIS ATLAS INDISPENSABLE IN HOME, SCHOOL AND OFFICE

192 Pages of Maps are comprised in this Atlas. Besides new maps of the nations of Europe and other countries of the world, it contains a map of Canada, separate maps of the Provinces, map of the United States, separate maps of each state, territory and insular possession.

The Maps are Printed in Five and Six Colors of Ink instead of three colors—yellow, red and blue—as ordinarily employed.

The Locations of Towns, Rivers, Mountains and Boundaries are clearly Defined instead of the confused form of other Atlases.

Railroads are represented by a thin line of Red Ink, thereby clearly defining them. In other Atlases, railroads are printed in black ink which makes it difficult to distinguish them from river and boundary lines.

Mountain Ranges shown in Brown Ink, making it easier to distinguish the towns than if printed in black ink.

The Maps are 8½ x 10¾ inches in size.

The handy size of the volume fits it for a bookcase and the library table; it can be carried in a grip which opens a wide use for an Atlas for ***business men*** and ***travelers.*** The Atlas closed measures only 7 x 9½ inches. ***A full size map,*** such as is found in an Atlas that measures twice the size, is presented in the open book which measures 14 x 9½ inches.

A Gazetteer of the countries, of leading cities of the world, with their locations on the maps.

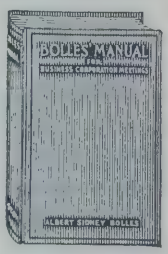
PARLIAMENTARY MANUAL FOR BUSINESS CORPORATION MEETINGS

Founded on the judicial interpretation of the rules of parliamentary law, applicable to all the states of the Union and to Canada.



This work covers a field not within the scope of any other parliamentary manual. It contains a full legal exposition of all matters of parliamentary practice by all the courts of last resort in the United States and Canada, as well as all the decisions of the courts of Great Britain deemed applicable to the subject. In the ordinary parliamentary manual, very little attention is given to the time and place of the meetings of associations, yet these matters have been the subject of much judicial inquiry and decision. What meetings, if any, can a business corporation hold outside the state of its incorporation is a live question, asked constantly, but to which no answer can be found in parliamentary manuals. The qualifications and duties of inspectors of elections are of growing complexity and importance. Likewise, the mode of holding meetings, the selection and duties of the chairman, the rule of the majority, the right of discussion at meetings, the rights of absentees, and how their absence affects the legality of a meeting's proceedings. Who can vote, is another question with many applications, to trustees, executors, option holders, corporations, pledgors and pledgees of stock, etc. There is a chapter also on voting, the rights of corporations to vote, and all the judicial decisions relating to cumulative voting. Voting agreements have been the subject of frequent judicial inquiry. The courts have greatly modified their earlier views, and the present state of the law is here fully set forth. Beside these matters, many others, pertaining to elections, by-laws, remedies for impending improper action, or for acts unlawfully done, keeping of the minutes, etc., render this a needful book to every business corporaton. 16mo. 518 pages.

No Equivalent Predecessor—No Possible Successor

THE COMPLETE BOOK of ETIQUETTE

By HALLIE ERMINIE RIVES

MORE COMPLETE
MORE COMPREHENSIVE
MORE AUTHORITATIVE

A FIRST AND FINAL AUTHORITY

The author, Hallie Erminie Rives, brings to this work a rare equipment. In addition to the social opportunities that come with fortunate birth and wide friendships, she has known intimately the social world of Washington and the official society of half a dozen of the greater Capitals of Europe, and the skill and certainty as a writer which have given her novels such fame have enabled her to clothe her work in a style that sets **The Complete Book of Etiquette** in a class by itself. Following are some of the "best sellers" which have been written by this distinguished author: "Hearts Courageous," "Satan Sanderson," "The Castaways," "The Kingdom of Slender Swords," "The Valiants of Virginia," and "The Long Lane's Turning." Hallie Erminie Rives has a large following as is evidenced by the combined sale of her books which has run into several million copies. Few authors have ever had six "best sellers." This shows literary genius.

SOCIAL FORMS FOR ALL AGES AND OCCASIONS

The Complete Book of Etiquette may be distinguished from other books of a like nature by its angle of approach. The scope of the book includes the entire lifetime of the individual whether it be passed in the simpler activities of the country or in the more exacting complexities of the great city. Its advice and rulings may safely be followed in hamlet or camp, village or metropolis. Nowhere is a custom, long banal and out-of-date, gravely cited as correct. There is no other book on the subject that is as complete. This book contains everything that is contained in any other book on the subject.

INCLUDES MANY NEW SUBJECTS

Many subjects will be found treated of in **The Complete Book of Etiquette** to which other compendiums of social behavior give scant attention, if any. Among these might be cited, The Business Woman as an Executive; The Independent Business Woman; The "Teen-Age" Boy or Girl; Life in a Hotel; Maid Service for the Business Couple; Jewish and Catholic Wedding Customs; and a host of others. The vast increase in travel abroad since the Great War justifies the space devoted to foreign etiquette and to official entertaining in foreign capitals.

HANDSOMELY BOUND—BEAUTIFULLY ILLUSTRATED

This book is handsomely bound in Blue Cloth, with gold stamping. The illustrations are from photographs arranged especially for this book by Gabrielle Rosiere, contains 568 pages. Size 6 x 9 inches. This book is more complete and less expensive than any other book of a like nature.

An Original Work — Comprehensive in Its Scope

THE WINSTON SIMPLIFIED DICTIONARY

FLEXIBLE LEATHER
STYLE No. 25

Including ALL THE WORDS IN COMMON USE

Defined so that they can be Easily Understood

Edited by WILLIAM DODGE LEWIS, A.M., Pd.D.
Formerly Deputy Superintendent of Public Instruction, State of Pennsylvania, and
EDGAR A. SINGER, Ph.D.
Professor of Philosophy, University of Pennsylvania

Assisted by a Corps of Experienced Teachers

WITH OVER 800 ILLUSTRATIONS IN THE TEXT AND EIGHT FULL-PAGE COLOR PLATES

Clear and Easily Understood Definitions

THE WINSTON SIMPLIFIED DICTIONARY makes every entry clear, and explains every word in such simple language that only a single reference will be needed. Even in closely related words like the noun "transmission," and the verb "transmit," each definition is complete in itself. No word is defined in terms of itself.

Represents Careful Scholarship

An extraordinary amount of the most careful and original work has been given to this book by experienced scholars and experts. New kinds of material have been introduced; new methods of clarifying meanings discovered; and the entire book harmonized. Careful judgment has been exercised on every question of method and form, while the simplicity and adequacy of all scientific statements have been carefully verified. THE WINSTON SIMPLIFIED DICTIONARY represents CAREFUL SCHOLARSHIP AND WIDE EXPERIENCE, such as has not been given to any dictionary of like purpose previously published.

A Large and Carefully Selected Vocabulary of Over 40,000 Words

Each set out in bold type to catch the untrained eye, and each defined in terms easy to understand. It will be found useful in home and office and an aid to teachers in the elementary and high schools of the country, of particular value in vocational and continuation schools, and in Americanization classes, where older men and women are endeavoring to get a command of the language to fit them for intelligent citizenship.

ABSOLUTELY FLEXIBLE
The Leather Bindings of the Winston Universal

BLACK FACE TYPE
Dictionaries are so flexible and so durable that they can be rolled without injury to binding or sewing.

SELF-PRONOUNCING

The Winston Universal Black Face Type Dictionaries are not called "Webster's" because no dictionary can claim to be modern or useful at the present time which has not been so much changed since the death of Webster in the year 1843 as to render the use of his name as the author of it a misnomer.

As the Language changes and grows Dictionaries must change and grow with it. Dictionaries made a few years ago, even with frequent revision, fail to meet the needs of today. It requires rebuilding to give the proper balance between the words and definitions in use today and those of yesterday.

The Winston Universal Black Face Type Dictionaries are based upon the foundation laid by NOAH WEBSTER and other lexicographers, modernized by W. J. PELO, A.M. (Harvard.)

In **clearness of type** and the ease with which the eye finds the word; in **simplicity** and **accuracy** of definition; in **fullness** of **contents** and **logical arrangement** **Winston Universal Black Face Type** will be **found to excel** other dictionaries.

Among the Noteworthy Features are the following:

Words defined are printed in **bold-face type** with definitions in clear, easily read type.

Each word is **divided into syllables** to show the **proper syllabication** of words.

The capitalization of words. All proper words begin with capital letters, common words with small letters.

Compound words have a **bold-face hyphen.**

Synonyms and **antonyms** are given in the body of the dictionary following the definitions of the words.

The **Pronunciation of words** is shown by a clear and properly accented system of **phonetic** spelling with key to pronunciation at the bottom of each page.

The **parts of speech** are given.

All definitions are given in **simple language** that is easily understood.

Each word and **its derivation** are defined **separately** instead of the derivatives being crowded in with the definitions; an expedient which saves space but lacks utility.

Issued in *six different forms* each containing the *largest possible type* in a book of the size, and planned to meet the *requirements of every variety of service.*

Grace Before Meals

William Nyce and Hubert Bunyea

Brief prayers for every day in the year collected from many sources and arranged. Additional forms for national feast days, so that the monotony of repetition of a single form of grace each day is happily avoided. It also provides a method by which the several members of the family, including the children, can alternate in saying grace by reading the prayer for the day. The book is printed from handsome black type, is attractive in appearance, and will appeal to all persons who customarily say grace before meals, as well as to those who do not make a practice of saying grace, and it is hoped to many who have not been accustomed to this beautiful and simple form of devotion. 16 mo. in size.

A Contribution to Shakespeariana that is

A DISTINCTIVE MECHANICAL and SCHOLARLY ACHIEVEMENT

THE "LOSEY" EDITION OF THE DRAMATIC AND POETIC WORKS OF

Shakespeare

COMPLETE IN ONE VOLUME

With Introduction, Biography, Glossary and Index to Characters, and an

Interpretation to Each Play

By FREDERICK D. LOSEY, A.M. (Harvard)

Shakespearean Scholar and Lecturer

Formerly Professor of Rhetoric and Public Speaking, Syracuse University

The problems we are facing today are essentially the same that Shakespeare saw and incorporated in the structure of his plays—problems of peace and war, of national sovereignty and ethics, of education and authority, of the frankness of youth. In many instances, new light has been thrown on the plays, sometimes to the point of changing their entire significance by the new emphasis which new conditions have thrown on old problems.

THE "LOSEY" EDITION

It is the only edition that presents before each play a complete new interpretation.

The basic text has been selected from Delius which in the opinion of Sir Sidney Lee is "formed on sound critical principles and is to be trusted thoroughly."

All the plays, poems and sonnets are included in this one handy size volume.

The Losey Edition has been prepared in the belief that world events of the past ten years have rendered almost imperative a re-valuation of Shakespeare's plays.

Professor Losey is a leading Shakespearean scholar, and his interpretations can be regarded as authoritative.

The "Losey" Edition has been compiled with such care that it will be found the most suitable edition for **School** and the **Home,** for **Dramatic** and **Literary Societies,** as a **Gift** for the **Holidays, Commencements, Birthdays** or other occasions. The several styles of handsome bindings permit a wide choice for every purpose.

The complete volume measures 5½ x 8 inches, and contains 1332 pages, with Frontispiece in Colors from the famous "Chandos" Portrait.

SCHOLARSHIP

The tens of thousands of people who have heard Losey's interpretation of Shakespeare's plays will need no further evidence of his pre-eminent qualifications as editor of the world's greatest drama.

In his interpretations to Shakespeare's Plays and Poems in this volume, Professor Losey has condensed as thorough a knowledge of the subject as is possessed by any living man. He makes Shakespeare an interpreter of life today and holds the mirror of the world's greatest mind up to our human follies, foibles and problems. In this reflection we see how little life has changed from the days of Queen Elizabeth to those of Calvin Coolidge.

These five historical novels which comprise the Leatherstocking series have never been surpassed in American literature. The whole series forms an admirable picture of the period of settlement and Indian warfare. Shakespeare's Complete Works

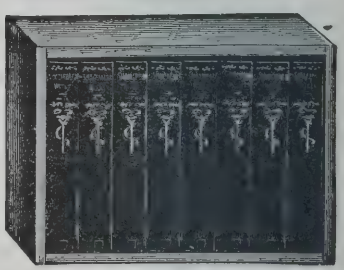
FALSTAFF EDITION—ILLUSTRATED

Edited by GEORGE LONG DUYCKINCK, with a full and comprehensive Life of Shakespeare by J. PAYNE COLLIER, A.M. Illustrated with 32 portraits of famous actors and actresses whose names are linked with Shakespearean productions



This set of Shakespeare combines neatness with serviceability. The books are small, but stoutly as well as handsomely bound, and the type is clear and easily read, printed on good stout paper. There is nothing of the toy about this little library of the immortal Shakespeare. The books are made to be handled and read, not to be put on the shelf for show purposes.

Notes are avoided as far as possible, but preceding each play is an explanatory introduction, and in addition there is a glossary which clarifies unusual words. It will be remembered that Shakespeare had a greater vocabulary than any other man; nearly three times as extensive as that of the man in the street.

As well as the plays and poems of Shakespeare, there is an entertaining history of the English stage and drama to the time of the master playwright; a backward glance revealing simplicity of stage settings without any of the mechanical facilities that mean so much to the modern stage manager. Also there is a vivid word-picture of the life of Shakespeare himself.

THE BOY'S GIFT BOOK OF 1927

TREASURE ISLAND AND KIDNAPPED

By ROBERT LOUIS STEVENSON

Size 7 x 9½ inches

COMPLETE IN ONE VOLUME

These two great tales by Robert Louis Stevenson are his masterpieces of adventure. Of all his works these are by far the most popular and have, therefore, been included in one volume that will be eagerly read.

TREASURE ISLAND Probably no book ever written by Stevenson has had the widespread popularity of "TREASURE ISLAND." It is a thrilling tale of pirates, written in the finest English and a story that you cannot leave until you finish. This story has maintained its popularity and proved itself an inspiration and a delight to hundreds of thousands of boys and girls. One writer declares it is "read with delight by boys and girls of sixteen to sixty."

KIDNAPPED In his own opinion this was Stevenson's best work; and it is generally regarded as one of his finest performances in romantic story-telling. It tells of the adventures of Robert Balfour; how he was kidnapped and castaway; his sufferings on a desert isle; his journey in the wild highlands; his fight in the roundhouse of the brig; and many other happenings that grip the attention of the reader.

EIGHT COLORED ILLUSTRATIONS

This volume is printed on extra quality, smooth finish paper from larger, clearer type than any edition of Stevenson published. The volume comprises 652 pages and eight (8) colored plates and twenty (20) black and white illustrations drawn by Frank Godwin, one of America's prominent artists. Each story contains a glossary of words and phrases, as well as footnotes, that explain little used terms. It is one of the largest books published at the price, and in point of paper, type, illustrations and binding it is one of the finest books ever published at the price. The cover is beautifully stamped in gold, with an attractive colored inlay. Octavo. Extra Cloth. 652 pages. Illustrated. Boxed. **PRICE**.....**Net $2.50**

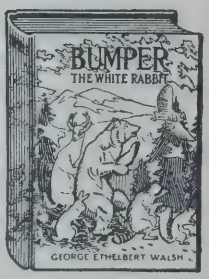
TWILIGHT ANIMAL STORIES

By GEORGE ETHELBERT WALSH



This series of eleven titles is undoubtedly the best and most interesting Animal Series published for children between the ages of six to ten. The animals are pictured true to life and are not dressed in fantastic and grotesque costumes. There is a wealth of true animal and wood lore to be learned by the child, and in addition, love for the great outdoors is instilled in the heart of the reader.

HIGHLY ENDORSED BY LIBRARIANS AND EDUCATORS

These books have been read by librarians, educators, booksellers, in fact, by all types of persons qualified to judge juvenile books of this character and have been pronounced by them in every instance as the best stories of their type written.

FOR CHILDREN BETWEEN THE AGES OF SIX AND TEN

These stories appeal to children between the ages of six and ten, which represents an important period in the average child's life, and for which comparatively little has been written. It is at this age that they begin doing their own reading and a better selection of books for this purpose could not be found. **They also make ideal stories to be read to the still younger children at the bedtime hour.**

ATTRACTIVELY AND SUBSTANTIALLY MADE

We have made every effort possible to make these books attractive by printing from large readable type, using suitable illustrations made especially for this series by Frederick Richardson, one of America's foremost illustrators, and binding them in durable form. We also provide an allover colored jacket by Frederick Richardson.

The Winston Companion Readers were published to meet the demand for a series of supplementary readers in which the vocabulary of each book follows closely the vocabulary of the corresponding basal book of The Winston Readers.

Every primary teacher is confronted with the problem of selecting supplementary reading material. The Companion Readers contain new stories, but

(Continued on next page)

their vocabulary practically duplicates the vocabulary of The Winston Readers book for book. This **repetition without monotony** builds word power and holds the children's interest.

Although The Winston Companion Readers were specially planned to supplement The Winston Readers, their content is of such a nature that they will supplement in a very satisfactory manner any series of readers of literary content.

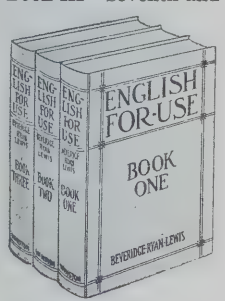
Book II—Fifth and sixth grades..... **.80**
Book III—Seventh and eighth grades..... **.88**



A practical, unique series which aims to fulfil its title in every respect.

It establishes the "sentence sense" which English teachers agree is the key to the English problem. It emphasizes practical usage with a large amount of drill.

The material appeals to children through subjects that interest them—biography, history, boy and girl scouting, health games, and so on. No other books pay so much attention to correct pronunciation and clear-cut enunciation. They offer more oral work, systematically arranged, than any other textbooks in language.

Among the methods used are completion tests, true and false tests, dictionary drills, and the socialized recitation.

Human Geography differs from the older textbooks in that the various phases of the study are centered around man. It tells about physiography as it affects man; about zoölogy as animals are serviceable or dangerous to man; about botany as plants are of importance to man, and so on. Industry and commerce are treated as part of the study of the life of man as he interprets his environment upon the earth which is his home. Interest is the key-note. The pupil is interested, is shown cause and effect, and retains what he reads.

The style in which the books are written is easy and natural. The maps set a new high standard for geography textbooks. The illustrations, many of which were photographed and drawn especially for this series, are of immense teaching value.

Reference Books and Supplementary Readings..... **$0.60**

Prepared by the Youngstown Public Library.

A geography bibliography based on Human Geography and arranged according to chapter sequence. Specific references are made to author, title and page.

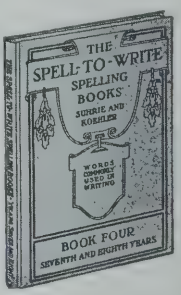
Manual.....	1.00



In The Spell-to-Write Spelling Books the aim is to teach the words commonly used in writing. Every pupil is trained in a method of learning to spell additional words which he comes to need in writing, either while in school or after leaving school.

It is the only spelling series which fully meets the standard set up by the American Child Hygiene Association for size of type; which has a comprehensive plan for the coördination of picture illustration with the development of the writing vocabulary; which provides a "spelling pocket" for the individual review of misspelled words.

The Manual for Teachers presents (1) a simple statement of the principles of teaching which may be applied in preventing and in correcting faulty spelling; (2) a method for teaching spelling in the several grades, and (3) definite help in the teaching of words which present special difficulties.

Samuel H. Ziegler, East End High School, Cleveland, Ohio.

Helen Jaquette, Frankford High School, Philadelphia.

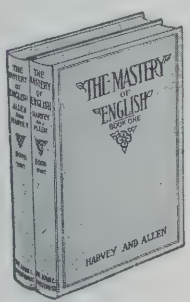
HIGH SCHOOL ENGLISH

THE MASTERY OF ENGLISH

Robert F. Allen, Master, Head of English Department, East Boston High School, Boston, Mass.

Emma Bates Harvey, Master's Assistant, English, U. S. Grant School, Boston, Mass.

Book I..... $1.48
Book II..... 1.48



This series offers a rare combination of fresh, interesting material and original method. The authors have shown a keen knowledge of the students to be dealt with. They have solved the problem of motivation by offering novelty in method and activity to stimulate interest.

This series is the first to cover the requirements of both the Junior and Senior High School, in which each of the books has been suitably adapted to grades for which it is designed. There is no sameness about Books I and II in tone, in content, or in treatment. Book I leads the pupil sympathetically on. Book II puts the problem squarely up to him. The contrast is sharp and stimulating.

There are illustrations in color in each book.

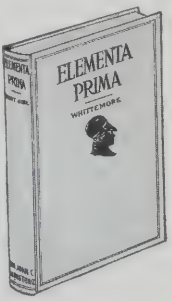
LATIN

ELEMENTA PRIMA (Revised Edition) .. $1.52

L. D. Whittemore, A.M., Litt.D., Washburn College, Topeka, Kansas.

Teacher's Manual ..... .32



The most important results of the Classical Investigation are in the radical changes recommended for the teaching of elementary Latin during the first three terms. Here an entirely new order of teaching prevails, requiring the longer introductory period, more varied materials for instruction, and stronger incentives for study.

Elementa Prima is of this new order. It has the greatest wealth of material of any beginners' book now published. It meets the recommendations of the Classical Investigation in the spirit as in the letter. It is entirely adequate for the first three terms' work and requires no supplementary reader. It is Roman from beginning to end, and rich in cultural value.

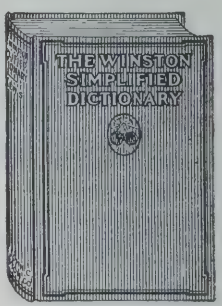
DICTIONARIES

THE WINSTON SIMPLIFIED DICTIONARIES



The Winston Simplified Dictionary is published in three editions: the Advanced, the Intermediate, and the Primary. No edition is an abridgment of another, but each is a new and original work designed especially for school or college use. The Advanced Edition is edited by William Dodge Lewis, A.M., Pd.D., formerly Deputy Superintendent of Public Instruction, State of Pennsylvania, Henry Seidel Canby, Ph.D., Department of English, Yale University, and Editor of **The Saturday Review of Literature,** and Thomas Kite Brown, Jr., Ph.D., philologist and lexicographer. The Intermediate and Primary Editions are edited by Dr. Lewis and Edgar A. Singer, Ph.D , Professor of Philosophy, University of Pennsylvania. The principles on which the three editions of The Winston Simplified Dictionary have been built are essentially the same for each edition. The Advanced Edition contains more words than either of the other editions, it is more fully illustrated, and has features required of a dictionary for high school or college use. In all essential respects the Primary Edition is similar to the Intermediate Edition, but is condensed to meet the demand for a lower priced book with smaller vocabulary for younger pupils. Each

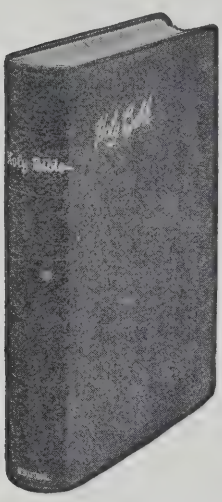
The Bindings of International Bibles



Representative Cloth Binding. Extra Imported Cloth is used. The lettering is always stamped in pure gold.

The cuts used in describing the bindings in this catalog are for the most part wood cuts, and therefore fail to adequately show the beauty of the different bindings, and for that reason we represent the three classes of bindings in the half-tone cuts shown on this page, which are reproduced by photographic process and are therefore exact. The different classes of Bibles are bound similar to these reproductions which will give you a better idea of their attractiveness, but even these cuts fail to represent the beauty of the Bibles themselves.

Representative Leather Limp Binding, usually Seal Grained Leather is used, except on small Bibles where a small Grained Leather is used. These bindings are very durable.

Representative Divinity Circuit Binding, with overlapping edges. International Bibles have an appearance that is distinctive.

With Reference to Cuts

We are always pleased to furnish cuts of Bibles to customers for advertising purposes **free of charge.** In ordering cuts, please always give the number of the page on which the desired cut is printed and also the name of the Bible it represents, so that no mistake can be made in filling the order. We can also furnish electrotypes of type specimens, and are always willing to lend our assistance in the preparation of advertising material.

THE JOHN C. WINSTON CO.

International Bibles are so flexible and durable they can be rolled without injury to binding or sewing.

Solomon's adversaries. I K

Mō'ab, in the hill that *is* before Je-ru'sa-lĕm; and for Mō'lech, the abomination of the children of Ăm'mon.

8 And likewise did he for all his strange wives, which burnt incense, and sacrificed unto their gods.

9 And the LORD was angry with Sŏl'o-mon, because his heart was turned from the LORD God of Is'ra-el, which had appeared unto him twice,

10 And had commanded him concerning this thing, that he should not go after other gods: but he kept not that which the LORD commanded.

11 Wherefore the LORD said unto Sŏl'o-mon, Forasmuch as this is done of thee, and thou hast not kept my covenant and my statutes, which I have commanded thee, I will surely rend the kingdom from thee, and will give it to thy servant.

25 And he was an adversary to Is'ra-el all the days of Sŏl'o-mon, beside the mischief that Hā'dăd *did:* and he abhorred Is'ra-el, and reigned over Sȳr'i-a.

26 And Jĕr-o-bō'am the son of Nē'băt, an Ĕph'rath-īte of Zĕr'e-da, Sŏl'o-mon's servant, (whose mother's name *was* Ze-ru'ah, a widow woman,) even he lifted up *his* hand against the king.

27 And this *was* the cause that he lifted up *his* hand against the king: Sŏl'o-mon built Mil'lo, *and* repaired the breaches of the city of Dā'vid his father.

6 CHAPTER 6

1 *Sermon on the mount continued.* 24 *Serving God and mammon.* 25 *Exhortation to care little for worldly things.* 33 *Seeking the kingdom of God.*

TAKE heed that ye do not your alms before men, to be seen of them: otherwise ye have no reward of your Father which is in heaven.

2 Therefore when thou doest *thine* alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward.

3 But when thou doest alms, let not thy left hand know what thy right hand doeth:

4 That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.

5 ¶ And when thou prayest, thou shalt not be as the hypocrites *are:* for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward.

6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

7 But when ye pray, use not vain repetitions, as the heathen *do:* for they think that they shall be heard for their much speaking.

8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.

9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.

10 Thy kingdom come. Thy will be done in earth, as *it is* in heaven.

11 Give us this day our daily bread.

12 And forgive us our debts, as we forgive our debtors.

13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. A-mĕn'.

14 For if ye forgive men their trespasses, your heavenly Father will also forgive you:

15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.

16 ¶ Moreover when ye fast, be not, as the hypocrites, of a sad countenance: for they disfigure their faces, that they may appear unto men to fast. Verily I say unto you, They have their reward.

17 But thou, when thou fastest, anoint thine head, and wash thy face;

18 That thou appear not unto men to fast, but unto thy Father which is in secret: and thy Father, which seeth in secret, shall reward thee openly.

19 ¶ Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:

20 But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

21 For where your treasure is, there will your heart be also.

22 The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light.

23 But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great *is* that darkness!

24 ¶ No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

25 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

26 Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

27 Which of you by taking thought can add one cubit unto his stature?

28 And why take ye thought for raiment? Consider the lilies of

LORD'S: and he *is* the governor among the nations.

29 All *they that be* fat upon earth shall eat and worship: all they that go down to the dust shall bow before him: and none can keep alive his own soul.

30 A seed shall serve him; it shall be accounted to the LORD for a generation.

31 They shall come, and shall declare his righteousness unto a people that shall be born, that he hath done *this*.

501 PSALM 23

David's confidence in the grace of God.

A Psalm of David.

THE LORD *is* my shepherd; I shall not want.

2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.

3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou *art* with me; thy rod and thy staff they comfort me.

5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever.

502 PSALM 24

The citizens of God's spiritual kingdom.

A Psalm of David.

THE earth *is* the LORD'S, and the fulness thereof; the world, and they that dwell therein.

2 For he hath founded it upon the seas, and established it upon the floods.

3 Who shall ascend into the hill of the LORD? or who shall stand in his holy place?

4 He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully.

5 He shall receive the blessing from the LORD, and righteousness from the God of his salvation.

6 This *is* the generation of them that seek him, that seek thy face, O Jā'cob. Sē'lah.

7 Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in.

8 Who *is* this King of glory? The LORD strong and mighty, the LORD mighty in battle.

9 Lift up your heads, O ye gates; even lift *them* up, ye everlasting doors; and the King of glory shall come in.

10 Who is this King of glory? The LORD of hosts, he *is* the King of glory. Sē'lah.

PSALM 25 503

1 *David's trust in prayer.* 7 *Prayer for remission of sins.*

A Psalm of David.

UNTO thee, O LORD, do I lift up my soul.

2 O my God, I trust in thee: let me not be ashamed, let not mine enemies triumph over me.

3 Yea, let none that wait on thee be ashamed: let them be ashamed which transgress without cause.

4 Shew me thy ways, O LORD; teach me thy paths.

5 Lead me in thy truth, and teach me: for thou *art* the God of my salvation; on thee do I wait all the day.

6 Remember, O LORD, thy tender mercies and thy loving-kindnesses; for they *have been* ever of old.

7 Remember not the sins of my youth, nor my transgressions: according to thy mercy remember thou me for thy goodness' sake, O LORD.

8 Good and upright *is* the LORD: therefore will he teach sinners in the way.

9 The meek will he guide in judgment: and the meek will he teach his way.

31 It hath been said, Whosoever shall put away his wife, let him give her a writing of divorcement:
32 But I say unto you, That whosoever shall put away his wife, saving for the cause of fornication, causeth her to commit adultery: and whosoever shall marry her that is divorced committeth adultery.
33 ¶ Again, ye have heard that it hath been said by them of old time, Thou shalt not forswear thyself, but shalt perform unto the Lord thine oaths:
34 But I say unto you, Swear not at all; neither by heaven; for it is God's throne:
35 Nor by the earth; for it is his footstool: neither by Jĕ-ru'să-lĕm; for it is the city of the great King.
36 Neither shalt thou swear by thy head, because thou canst not make one hair white or black.
37 But let your communication be, Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil.
38 ¶ Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth:
39 But I say unto you, That ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also.
40 And if any man will sue thee at the law, and take away thy coat, let him have *thy* cloke also.
41 And whosoever shall compel thee to go a mile, go with him twain.
42 Give to him that asketh thee, and from him that would borrow of thee turn not thou away.
43 ¶ Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy.
44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;
45 That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust.
46 For if ye love them which love you, what reward have ye? do not even the publicans the same?
47 And if ye salute your brethren only, what do ye more *than others?* do not even the publicans so?
48 Be ye therefore perfect, even as your Father which is in heaven is perfect.

CHAPTER 6. 6

1 *Sermon on the mount continued.* 24 *Serving God and mammon.* 25 *Exhortation to care little for worldly things.* 33 *Seeking the kingdom of God.*

TAKE heed that ye do not your alms before men, to be seen of them: otherwise ye have no reward of your Father which is in heaven.
2 Therefore when thou doest *thine* alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward.
3 But when thou doest alms, let not thy left hand know what thy right hand doeth:
4 That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.
5 ¶ And when thou prayest, thou shalt not be as the hypocrites *are:* for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward.
6 But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.
7 But when ye pray, use not vain repetitions, as the heathen *do:* for they think that they shall be heard for their much speaking.
8 Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him.
9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.
10 Thy kingdom come. Thy will be done in earth, as *it is* in heaven.
11 Give us this day our daily bread.
12 And forgive us our debts, as we forgive our debtors.
13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Ā-mĕn'.
14 For if ye forgive men their trespasses, your heavenly Father will also forgive you:
15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.
16 ¶ Moreover when ye fast, be not, as the hypocrites, of a sad countenance: for they disfigure their

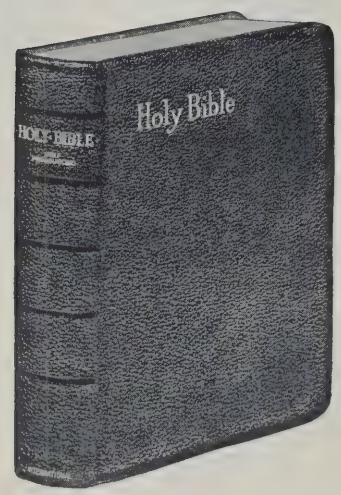
A HAND BIBLE, WITH THE LARGE, CLEAR, EASILY READ TYPE OF A PULPIT BIBLE



LIMP STYLE

"What beautiful type" is the expression that is heard when you open the **Perfection Type Bible.** It is a surprise to Bible readers because it reveals to them what they have long sought and never before found—larger, clearer, blacker face type in a smaller, thinner, lighter weight self-pronouncing Bible than has heretofore been published.

THE HIGHEST ACHIEVEMENT IN BIBLE-MAKING

While type is the first consideration in the making of this Bible and the first consideration of the Bible user in the selection of a Bible, other features have been incorporated in the **Perfection Type Bible** to make it more readable and more usable.

1 The text is Self-Pronouncing. All proper words throughout the Old and New Testaments are divided into syllables and accented to make pronunciation easy.

2 Names of the Books of the Bible on outside margins. This facilitates the finding of the Books of the Bible by merely flirting the corners of the book.

3 Chapters Numbered in Arabic and also Numbered Consecutively. The numbering of chapters in Arabic numerals is much preferred today to the old-fashioned form of printing the chapter heads in Roman numerals.

FOR PULPIT AND LECTERN, FOR SCHOOL READING DESK AND LODGE ALTAR. The small light weight Bible with its large type specially adapts the **Perfection Type Bible** to every use where a large, clear type is desirable. Also issued in styles specially fitted for every use.

FOR THE HOME, FOR AGED PERSONS OR THOSE WITH IMPAIRED EYESIGHT. The Perfection Type Bible is especially adapted for home devotional reading. See also HOME DEVOTIONAL EDITION described on page 102.

A TRIUMPH OF THE GRAPHIC ARTS

The selection of type and the size of the type page for the PERFECTION TYPE BIBLE was made after a careful study by leading typographical experts. Certain changes in type forms were suggested and the necessary special casting matrices were made to carry out these suggestions. The type was molded and set in the Winston plant, where the subsequent processes of manufacture, including the printing and binding, were also completed. Special paper of light weight and unusual opacity was made especially for the Bible and even special ink was manufactured and used to produce a sharp, clear, black impression on the page without the ink striking through.

BEAUTIFUL BINDINGS

The Bible is issued in the superior flexible bindings for which Winston *"International"* Bibles are well known, and also in other bindings to best fit the many purposes for which the Bible will be used.

THE FIRST BOOK OF MOSES, CALLED

GENESIS

CHAPTER 1

1 *The creation of heaven and earth.* 26 *Man is made in the image of God.*

IN the beginning God created the heaven and the earth.

2 And the earth was without form, and void; and darkness *was* upon the face of the deep. And the Spirit of God moved upon the face of the waters.

3 ¶ And God said, Let there be light: and there was light.

4 And God saw the light, that *it was* good: and God divided the light from the darkness.

5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

6 ¶ And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.

7 And God made the firmament, and divided the waters which *were* under the firmament from the waters which *were* above the firmament: and it was so.

8 And God called the firmament Heaven. And the evening and the morning were the second day.

9 ¶ And God said, Let the waters under the heaven be gathered together unto one place, and let the dry *land* appear: and it was so.

10 And God called the dry *land* Earth; and the gathering together of the waters called he Seas: and God saw that *it was* good.

11 And God said, Let the earth bring forth grass, the herb yielding seed, *and* the fruit tree yielding fruit after his kind, whose seed *is* in itself, upon the earth: and it was so.

12 And the earth brought forth grass, *and* herb yielding seed after his kind, and the tree yielding fruit, whose seed *was* in itself, after his kind: and God saw that *it was* good.

13 And the evening and the morning were the third day.

14 ¶ And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: *he made* the stars also.

17 And God set them in the firmament of the heaven to give light upon the earth.

18 And to rule over the day and

DESIGNED FOR THE HOME

For many years there has been an increasing interest in the Study of the Bible, due largely to the well organized efforts of all Christian denominations in practically every hamlet, village, and city of the land. A generation of Bible readers is constantly coming forward, which is the reason why the Bible easily outsells every other book.

THE HOME DEVOTIONAL BIBLE is prepared to meet the demand that has existed for many years for a Bible with large clear type that can be easily read, and yet of such size that the book can be handled with convenience. Heretofore it has been a matter of selecting between a comparatively small type Bible in an average size book, or a large type Bible in a book so big as to make it inconvenient to handle.

BEAUTIFULLY PRINTED AND BOUND

While **THE HOME DEVOTIONAL BIBLE** comprises about 1900 pages, it does not make a thick book, due to the extra quality of thin light-weight paper used in this work. In length and width it resembles the average Teacher's Bible, and is as easily handled as any other book in the home. From the standpoint of manufacture every detail has been given careful attention. This Bible is printed on extra quality of paper, while the colored plates are works of art. Care has been given to the selection of suitable paper for the marriage certificate and family record, and in securing durable and very attractive bindings. It represents a very high development in modern book making.

FULL CONTENTS

THE HOME DEVOTIONAL BIBLE contains the **King James or Authorized Version** of both the Old and New Testaments. It has the Self-Pronouncing Text, all the proper words being accented and divided into syllables for quick and easy pronunciation. This feature is of inestimable value to all Bible readers and students. **A Series of Helps** to the Study of the Bible, including Bible Answers to Forty Difficult Questions pertaining to Daily Living and Christian Life. **Calendar for the Daily Reading of the Scriptures,** whereby the Bible may be systematically read through in a year. **Maps of Bible Lands Printed in Colors** compiled from authoritative sources. **A Superb Family Record. Thirty-two Beautiful Colored Illustrations** by World-Famed Artists, depicting scenes and incidents of Bible History.

PSALM 25 503

1 *David's trust in prayer.* 7 *Prayer for remission of sins.*

A Psalm of David.

UNTO [c]thee, O LORD, do I lift up my soul.
2 O my God, I [b]trust in thee: let me not be ashamed, let not mine enemies triumph over me.
3 Yea, let none that wait on thee be ashamed: let them be ashamed which transgress without cause.
4 [c]Shew me thy ways, O LORD; teach me thy paths.
5 Lead me in thy truth, and teach me: for thou *art* the God of my salvation; on thee do I wait all the day.
6 Remember, O LORD, [1]thy tender mercies and thy loving-kindnesses; for they *have been* ever of old.
7 Remember not the sins of my youth, nor my transgressions: [d]according to thy mercy remember thou me for thy goodness' sake, O LORD.
8 Good and upright *is* the LORD: therefore will he teach sinners in the way.
9 The meek will he guide in judgment: and the meek will he teach his way.
10 All the paths of the LORD *are* mercy and truth unto such as keep his covenant and his testimonies.
11 [c]For thy name's sake, O LORD, pardon mine iniquity; [f]for it *is* great.
12 What man *is* he that feareth the LORD? [g]him shall he teach in the way *that* he shall choose.
13 His soul [2]shall dwell at ease; and [h]his seed shall inherit the earth.
14 [i]The secret of the LORD *is* with them that fear him; [3]and he will shew them his covenant.
15 [j]Mine eyes *are* ever toward the LORD; for he shall [4]pluck my feet out of the net.
16 [k]Turn thee unto me, and have mercy upon me; for I *am* desolate and afflicted.
17 The troubles of my heart are enlarged: *O* bring thou me out of my distresses.

captains, and principal men of the city, at Fĕs'tus' commandment Paul was brought forth.

24 And Fĕs'tus said, King Ă-grĭp'pâ, and all men which are here present with us, ye see this man, about whom all the multitude of the Jews have dealt with me, both at Jĕ-ru'să-lĕm, and *also* here, crying that he ought [m]not to live any longer.

25 But when I found that [n]he had committed nothing worthy of death, and that he himself hath appealed to Au-gŭs'tus, I have determined to send him.

26 Of whom I have no certain thing to write unto my lord. Wherefore I have brought him forth before you, and specially before thee, O king Ă-grĭp'pâ, that, after examination had, I might have somewhat to write.

27 For it seemeth to me unreasonable to send a prisoner, and not withal to signify the crimes *laid* against him.

1044 CHAPTER 26.

2 *Paul's defence before Agrippa.* 12 *Tells of his conversion.* 24 *Festus declares him to be mad.* 31 *Appeal to Rome granted.*

THEN Ă-grĭp'pâ said unto Paul, Thou art permitted to speak for thyself. Then Paul stretched forth the hand, and answered for himself:

2 I think myself happy, king Ă-grĭp'pâ, because I shall answer for myself this day before thee touching all the things whereof I am accused of the Jews:

3 Especially *because I know* thee to be [1a]expert in all customs and questions which are among the Jews: wherefore I beseech thee to hear me patiently.

4 My manner of life from my youth, which was at the first among mine own nation at Jĕ-ru'să-lĕm, know all the Jews;

5 Which knew me from the beginning, if they would testify, that after [b]the most straitest sect of our religion I lived a Phăr'ĭ-see.

6 And now I stand and am judged for the hope of [c]the promise made of God unto our fathers:

7 Unto which *promise* [d]our twelve tribes, instantly serving *God* [2]day and night, [e]hope to come. For which hope's sake, king Ă-grĭp'pâ, I am accused of the Jews.

8 Why should it be thought a thing incredible with you, that God should [f]raise the dead?

9 [g]I verily thought with myself, that I ought to do many things contrary to the name of Jē'sus of Năz'a-rĕth.

10 [h]Which thing I also did in Jĕ-ru'să-lĕm: and many of the saints did I shut up in prison, having received authority [i]from the chief priests; and when they were put to death, I gave my voice against *them*.

11 [j]And I punished them oft in every synagogue, and compelled *them* to blaspheme; and being exceedingly mad against them, I persecuted *them* even unto strange cities.

12 [k]Whereupon as I went to Dă-măs'cus with authority and commission from the chief priests,

13 At midday, O king, I saw in the way a light from heaven, above the brightness of the sun, shining round about me and them which journeyed with me.

14 And when we were all fallen to the earth, I heard a voice speaking unto me, and saying in the Hē'brew tongue, Saul, Saul, why persecutest thou me? *it is* hard for thee to kick against the pricks.

15 And I said, Who art thou, Lord? And he said, I am Jē'sus whom thou persecutest.

16 But rise, and stand upon thy feet: for I have appeared unto thee for this purpose, [l]to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee;

17 Delivering thee from the people, and *from* the Gĕn'tīles, [m]unto whom now I send thee,

18 [n]To open their eyes, *and* [o]to turn *them* from darkness to light, and [p]*from* the power of Sā'tan unto God, [q]that they may receive forgiveness of sins, and [r]inheritance among them which are [s]sanctified by faith that is in me.

19 Whereupon, O king Ă-grĭp'pâ, I was not disobedient unto the heavenly vision:

20 But [t]shewed first unto them of Dă-măs'cus, and at Jĕ-ru'să-lĕm, and throughout all the coasts of Jū-dæ'a, and *then* to the Gĕn'tīles, that they should repent and turn to God, and do [u]works meet for repentance.

21 For these causes [v]the Jews caught me in the temple, and went about to kill *me*.

22 Having therefore obtained help of God, I continue unto this day, witnessing both to small and great, saying none other things than those [w]which the prophets and [x]Mō'sēs did say should come:

23 [y]That Christ should suffer, *and* [z]that he should be the first that should rise from the dead, and [a]should shew light unto the people, and to the Gĕn'tīles.

24 And as he thus spake for himself, Fĕs'tus said with a loud voice, Paul, [b]thou art beside thyself; much learning doth make thee mad.

25 But he said, I am not mad, most noble Fĕs'tus; but speak forth the words of truth and soberness.

SELF-PRONOUNCING LOOSE-LEAF BIBLE

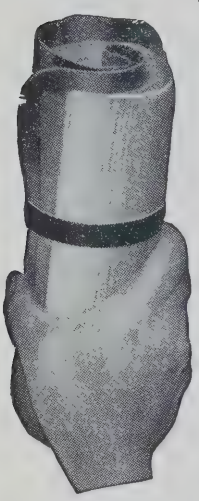
PROTECTED BY UNITED STATES AND CANADIAN PATENT RIGHTS

COMPRISING THE KING JAMES OR AUTHORIZED VERSION OF THE BIBLE IN LOOSE-LEAF FORM

AND

OVER 250 LOOSE-LEAF PAGES FOR PERSONAL NOTES THAT CAN BE INSERTED IN ANY NUMBER OF PAGES, BETWEEN ANY PAGES OF THE BIBLE

A PRACTICAL BIBLE FOR NOTES



Stronger than a regular bound Bible and more flexible, too, for the Loose-Leaf Bible can be rolled without injury to binding and without danger of loosening the pages

The granting of final patents by the United States Government on August 27, 1918, and on June 24, 1919, by the Canadian Government on this Invisible Loose-Leaf binder, solved the problem for a Bible in which pages containing notes can be inserted ANYWHERE in ANY NUMBER.

Years ago the *wide margin Bible* was made to meet this demand, but failed because it made too bulky a volume and gave too little writing space.

This was followed by the *interleaved Bible* with a page of writing paper between every other page, which was equally unsatisfactory.

The event of *India Paper* made possible an interleaved Bible with a page of writing paper between every page of the Bible, but even this thin paper made a thick, unhandy volume and added useless blank pages where they would never be used and only one page where several pages were wanted, and the blank pages being placed between every page of the Bible *broke the continuity of the printed text* of the Bible. **All these disadvantages are overcome in the "International" Loose-Leaf Bible.**

Looks exactly like a regular divinity circuit bound Bible. It has no outside metal parts to mar the desk or table. Neither has it any rings or springs to get out of order. The binding device is invisible

ELASTICITY

Add pages anywhere In any number

With the "International" Loose-Leaf Bible, pages containing your notes can be added in any number anywhere in the Bible. Included with the Bible are more than 250 pages of faintly ruled writing paper which can be used to write on the lines or without regard to the lines and can be inserted right with the passage in the Bible to which your notes refer.

LOOSE-LEAF ADVANTAGES

The writing pages can be separated from the volume, thereby making it more convenient to write upon than if bound with the volume. For those who use a typewriter, this system will also be found a great convenience.

These pages with your notes can be inserted right with the passage to which the notes refer and more than one leaf can be inserted. Many students add notes at the beginning of the books of the Bible and by the Loose-Leaf method, which provides elasticity, any number of pages can be inserted in such portions of the Bible. In fact, its flexibility **fits it for any individual use.**

THE SIMPLICITY OF THE MECHANISM GUARANTEES ITS PERFECT ACTION

It is only a matter of a few seconds to insert blank pages or written pages containing your notes in any number of pages—anywhere in the Bible.

The Bible can be opened anywhere and new pages added without any danger of the leaves scattering.

Every page is held as tight as the pages in a regular sewed book; in fact it is much stronger than a regular sewed book.

There are no unsightly outside metal parts to mar the desk or table. No rings or springs to get out of order.

FORM OF THE VOLUME NOT CHANGED BY ADDING PAGES

Pages in addition to those furnished with the Bible can also be supplied. These pages are punched ready for insertion and have red under gold edges, so as to conform with the edges of the pages of the Bible and with the blank pages furnished with the Bible. The binder expands automatically to include extra pages and this expansion does not change the form of the Bible as the binding device is invisible. **Additional Writing Paper, in packages of 100 pages (50 sheets) with red under gold edges and punched ready for use are supplied at 50 cents per package.**

ONLY ONE INCH THICK

The "International" Loose-Leaf Bible is printed from black face type on India Paper so thin that a thousand pages measure only five-eighths of an inch thick. The complete Loose-Leaf Bible including the more than 250 pages of writing paper make the complete volume only one inch thick. The volume measures 6 x 7-⅞ thick.

ST. MATTHEW. *Parable of the talents.* [64]

thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord.

24 Then he which had received the one talent came and said, Lord, I knew thee that thou art an hard man, reaping where thou hast not sown, and gathering where thou hast not strawed:

25 And I was afraid, and went and hid thy talent in the earth: lo, *there* thou hast *that is* thine.

26 His lord answered and said unto him, *Thou* wicked and slothful servant, thou knewest that I reap where I sowed not, and gather where I have not strawed:

27 Thou oughtest therefore to have put my money to the exchangers, and *then* at my coming I should have received mine own with usury.

28 Take therefore the talent from him, and give *it* unto him which hath ten talents.

29 For unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken away even that which he hath.

30 And cast ye the unprofitable servant into outer darkness: there shall be weeping and gnashing of teeth.

31 ¶ When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory:

32 And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth *his* sheep from the goats:

33 And he shall set the sheep on his right hand, but the goats on the left.

34 Then shall the King say unto them on his right hand, Come, ye blessed of my father, inherit the kingdom prepared for you from the foundation of the world:

35 For I was an hungered, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

36 Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.

37 Then shall the righteous answer him,

The International Note Book

Size of page, 5½ x 8½ inches

This book was prepared originally for pastors, but evangelists, teachers, and others have found it a most useful book for recording notes, sermons, essays, and Scriptural references of all kinds.

IN APPEARANCE the book looks like a Divinity Circuit Bible, and therefore does not make the carrying of sermons or notes as conspicuous as would any other form of book. It has no printed matter inside and has no lettering on the outside cover. Pastors can use the book to record their sermons, and will find it more satisfactory to lay the book open before them when delivering their sermons than the use of loose memorandum sheets, and by using the book for this purpose it also preserves their sermons and notes in substantial form.

HOW THE BOOK IS MADE. The book contains over 500 pages ruled with horizontal faint blue lines, thereby making it equally suitable to those who like to write on lines and those who prefer a page without lines.

BINDING. The book is bound in French Morocco, Divinity Circuit style, round corners, red under gold edges, and has silk marker.

THE WOMANS PRESS is the publication department of the National Board of the Young Womens Christian Association founded in 1906.

In January, 1918, the name and device of THE WOMANS PRESS were formally assumed, while at the same time the national Association magazine, The Association Monthly, began its twelfth volume in a new and enlarged form. In order to allow for greater expansion in the realm of women's interest our magazine, The Association Monthly, has been changed to *The Womans Press*. With this title as a guide we feel that we shall be able to reach the interest not only of Association members but also of all other women concerned with Christian progress.

THE WOMANS PRESS, while organized and staffed entirely by women, does not confine itself to the use of women writers. Its primary concern is *that women shall think*, particularly on the pressing current issues of economics, industry, social problems, and religious education, and to this end it desires to use all forms of expression, from texts to fiction. It believes that in the development of publishing in America there is a place for the Young Women's Christian Association to make a strong contribution from the angle of the Christian Woman Movement.

The colophon of THE WOMANS PRESS is the sacred chalice radiating light against the background of a book. The symbolism of this device is not far to seek. According to the old legend, the Holy Grail was said to have lost its effulgence and to have vanished from sight if approached by a person not perfectly pure and holy.

So many alluring new paths in doing and thinking start out from the pages of this little book. Each girl can make her own choice and blaze her own trails. There are adventures in reading—adventures with hobbies—games to explore—songs to try out—and dozens of new things for clubs to do. ALIEN REGISTRATION

Published by *The Inquiry* 30 cents

Distributed by THE WOMANS PRESS

The present keen interest in the immigration question will make of especial value this discussion of the proposed bill for compulsory registration of aliens.

It plans to have the group face squarely the situation as it is, the interests which seem in favor and those which are against the bill, and the practical issues involved. It offers a real chance for the private citizen to understand something of the way legislation works, to find out where he stands and why, and to discover ways of putting the group conclusions into some sort of practical concrete action—a chance to do real law-making.

ALL COLORS

Published by *The Inquiry* $1.00

Distributed by THE WOMANS PRESS

A study outline on woman's stake in race relations.

Lucy had invited a colored classmate to her birthday party—that is how the trouble began. And that is how a group of intelligent women, anxious to be honest with themselves and with others, came to look into this business of race friction, of jealousies between Americans of diverse national origins, of difficulties that different groups have in understanding each other. This study outline has its origin in a number of such discussions—among college girls, among women in professions and in business, among mothers and teachers. It attempts to get at the problems that lie below the surface of immediate situations—to get back from the broader scientific and ethical aspects of the matter to the concrete difficulties in personal behavior and in neighborhood life.

ALL NIGHT WITH THE STARS

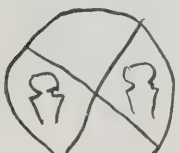
By Louise Brown — 30 cents

A tiny book to take on overnight hikes. It weighs nothing and slips easily into a pocket or camp kit and adds still another to the joys of sleeping out of doors.

Very simply it calls to the camper's attention the nightly march of the stars, the changes that show in the heavens in the evening, at midnight or in the early morning. Watch the rising and setting of the stars. You will find some friends of the winter sunset sky appearing in the summer before sunrise and in the fall at midnight.

AMERICAN INDIANS AND THEIR MUSIC, THE

By Frances Densmore — $2.00



"The very best portrayal of the subject written for the layman that has ever appeared."
—F. W. Hodge—Museum of the American Indian—Heye Foundation.

"Miss Densmore explains Indian ways and customs so that the red men become everyday human beings."
—Science News-Letter, Washington, D. C.

"It is a veritable encyclopedia of information on Indian subjects and an excellent reference work for musicians, historians or anyone interested in American Indian lore. We follow easily through the chapters on children's songs, love songs, etc., to the more technical ones, even though we are not musicians."
—Saturday Review of Literature.

"Such a work as Miss Densmore is doing—it should be said—has a larger application than its specific purpose indicates; since the North American Indians give us a fuller knowledge than any other existing race affords of the manner of working of the primitive creative mind.

"In a word, musical practice was in the beginning magic. This shows the radical difference between the music of the Indians and the "spirituals" of the southern Negro. The negro songs are not primitive; they are purely the expression of emotion; they are art. The song of the Indian, like his dancing and his ceremonials, is not strictly speaking, art; at least its primary purpose is not the giving of pleasure to the performer and his hearers, or stimulating emotion. It is not intended for pleasure except as an incidental result."
—Dr. Dickinson, Oberlin College Review.

AND WHO IS MY NEIGHBOR?

Published by *The Inquiry* — 75 cents
Distributed by THE WOMANS PRESS

For discussion groups studying interracial questions.

Written to set clearly before us the problems for discussion, not to find solutions; to find out what we are up against; to understand if possible some of the consequences of different social arrangements and actions. A story of happenings, big and little, with suggestions in the form of questions as to the real problems they contain.

ASCENDING LIFE, THE

By Richard Roberts, D.D. 75 cents

"The secret of Dr. Roberts' translucent style is that he has something new to say and passionately desires to communicate it. To the many recent interpretations of the last period of Jesus' life he has added one in which those moments are singled out that have most significance for the young people of the present day."
—*The Survey.*

"Devotional and inspirational, making clear, with penetrating insight the inner meaning of these epochal experiences in the life of Christ. To read this little book sympathetically is to share in the joy and power of the ascending life."—*The Expositor.*

"What is essential is understanding of the soul and its needs coupled with ability to express in sympathy what we tongue-tied mortals cannot say for ourselves. These qualities Dr. Roberts has, and by them his little book is made noteworthy."—*The Universalist Leader.*

ASSOCIATION HYMNAL, THE

Single copies, paper 75 cents; cloth 90 cents. In lots of 25 or more, 50 cents in paper; 65 cents in cloth.

A new collection of those hymns that have proved most helpful and inspiring.

A clergyman at one of the summer conferences pronounced this the best small hymnal he has ever seen. More and more groups are buying it for their own use, proving the truth of his words.

To the Land of Heart's Desire
Than when you sat there thinking
With your feet before the fire?"

Sunday school teachers and advisers of girls will find inspiration and much helpful material in these pages.

A new departure in a usable cook book for cafeteria directors. With each book comes a pad of duplicate pages ready to be taken out as the director desires and given to the cook. Additional pads can also be purchased. Saves hours of time in copying recipes.

"A welcome and exceedingly valuable addition to the extremely limited literature of quantity cookery. The author, Mrs. Schadt, is the successful manager of the Y. W. C. A. cafeteria at Fairmont, West Virginia, where the recipes were carefully worked out and tested by actual use."

—*Restaurant and Tea Room Journal.*

"Looking at the book from its organization standpoint, I immediately appreciated the three-proportion arrangement and the duplicate pad material. I hope the time will come when all cook books will be set up in this form. Miss Schadt has made a distinct contribution along this line."

—*Office of Research in Household Art Education, Teachers College.*

CANTICLE OF THE YEAR, A

Compiled by Elvira J. Slack — Special price, 50 cents

A poetry birthday book. The best possible companion to the Girls' Year Book, and a capital introduction to some of our best poetry.

You will find in it verses from Alice Meynell, Richard Watson Gilder, Jean Kenyon Mackenzie, Theodosia Garrison, Hermann Hagedorn, Louis Untermeyer among the moderns, and Shakespeare, Ben Jonson, Tennyson, Sir Philip Sidney and a host of other old friends. A bit for each day's memorizing will make you 365 days richer next year.

CEREMONIALS OF COMMON DAYS

By Abbie Graham — $1.50

"There are far too few books," says a reader who has just discovered Abbie Graham, "with the delightful whimsy and yet soul satisfying completeness of Miss Graham. She must be a most delightful person if she is like her Ceremonials."

If "laughter is the first round in the ladder of religion, and prayer is the second," Ceremonials has surely climbed the first two. Witness the lingering loveliness of Miss Graham's prayer on a train—"Father of light—lead us into the new day joyously aware of life, of beauty and the spiritual presence of those we love."

"It is indeed delightful—a book of most delicious whimsy and of common sense—full of the pleasures of recognition and the pleasures of surprise. I think it wonderfully well sustained on its unique note; so that those readers who like the least of it will like it throughout."

—*Jean Kenyon Mackenzie.*

CHEERO

By Annie Marion MacLean — 75 cents

A bit of courage and cheer from one who has far more reason for needing them than most of us. Jane's prescription for rheumatism fits most of the ills of life: "Keep a stiff upper lip—stiff joints will take care of themselves."

CHRISTIAN CITIZENSHIP FOR GIRLS

By Helen Thoburn — 50 cents

How a girl should live in her home, her work, her worship, her recreation, with her friends. A book for individual reading or group discussion among high school girls—for girls who care about being good members of "the kingdom of friendly citizens."

A new revised edition of this helpful little book bringing it up to date and making it full of interest for the girl today. Written in an intimate conversational style, the little book is a beautiful delineation of the Christian life.

Suggestions to Leaders is an outline which the leader of the group will find suggestive in bringing out the value of the lessons. 10 cents.

CHRISTIAN FUNDAMENTALS

COURAGE
By Jeannette Marks $1.00

"It is a plea, in twelve chapters, for what is positive, constructive, fortifying and high-hearted, as opposed to what is negative, destructive, enfeebling and low-spirited. The old adage that to be weak is to be miserable reappears in the assertion that 'for any sort of moral weakness there is but one cure; cultivation of more will-power.' "—*The Nation.*

CREATIVE DISCUSSION
Published by *The Inquiry* 35 cents
Distributed by THE WOMANS PRESS

Many leaders ask how to keep group discussion from deteriorating into aimless talk. Here is a clear, untechnical guide to help you "get some-

where." This pamphlet puts the leader and group members at the heart of learning as a democratic process. It shows in sharp outline the principles by which any average group can open up an issue in ways to assure an orderly and searching procedure. Members of committees, conferences and study circles will find in its pages new suggestions for making group experience rewarding.

CRUCIFIERS, THE

By Lyman Abbott, D.D. 75 cents

Dr. Abbott is not content to leave that group as mere figures of history. "Whoever," he says, "accepts 'we' as his sovereign in business and in society during the week and endeavors to appease his conscience by adoring Christ in church on Sunday has entered on the path which Judas trod."

And again, "Whoever puts the interests of that division of the church to which he belongs in competition with the progress of real piety will find that the spirit of the Jewish Sanhedrim is precisely his."

"I have read it with the greatest appreciation, and believe it is the kind of book we will want to push with all our might among the students of this country. I hope I may be of assistance in creating quite a large demand for it."—*J. W. Bergthold, International Council Y.M.C.A.*

ENGLISH-CLASS PLAYS FOR NEW AMERICANS

By Emily M. Gibson $1.25

"This book bristles with suggestions. . . . These plays and the text that precedes them are built on one fundamental principle of education, that learning is fruitful as it contributes to the more efficient adjustments of the learner to the world about him and to the people in it. . . . It is an odd fact that so many manuals conceive the teaching of English to foreigners as a sort of formal exercise in which words and sentence structures rather than ideas are the important things."

—*Albert Shiels, Teachers College, Columbia University.*

"In my six years of experience as state supervisor in immigrant education, I have found nothing more fitted to use with those who are learning the language of the country."—*Elizabeth Ash Woodward.*

FOLK FESTIVALS AND THE FOREIGN COMMUNITY

"The book would be a good handbook in the hands of any instructor and worker among Americans. For it is a fact that our Americans do not know how to play as the peasants of Europe do."—*Syracuse Post Standard.*

FOLK SONGS OF MANY PEOPLES In Two Volumes

Compiled by Florence Hudson Botsford

Vol. I—Baltic, Balkan and Slavic folk songs. Paper, $2.75; cloth, $3.25

Vol. II—Songs of Western Europe, the Near and Far East and the Americas. Paper, $3.50; cloth, $4.00

This absolutely unique collection of folk music includes, in the case of each song, the music, the words in the original language, and also in English verse written by such well known poets as Edna St. Vincent Millay, Angela Morgan, Padraic Colum, Edwin Markham, Anna Hempstead Branch and a host of others.

The collection is invaluable for group and community singing, for concerts, for use in plays, pageants and folk festivals, and for schools.

It contains a delightful collection of our own folk music—from a

Cape Cod Chanty to the Cowboy's Lament and De Ballad of de Boll Weevil. There are also Indian songs, Negro songs, and songs from the Kentucky mountains. Boy Scout groups will enjoy these western songs.

In addition to the national songs and love songs of each country there are songs that lend themselves to dramatization as: Fair Isabeau Was Walking; Boy I Adore You; Marsk Stig's Daughters; The Lute Player and the Dancing Lass; and Hey T'was in the Month of May.

There are dance songs from every land, a few game songs and a large group of songs of industry. Here are a few of the latter:

At Teamster's Complaint	The Pedlar
The Wheelbarrow Loaders	Sift Along Boys
The Spool	Hej Onward
Two Maidens Washing Wool	Day Dawns with Freight to Haul

For Christmas programs there is an unusually wide variety of carols; that beautiful Negro spiritual, Dere's a Star in de Eas' on Christmas Morn; the Latin American carol, Little Shepherds Come forth from the Vale; Shepherdess Whence Come You which may be so beautifully dramatized; a Yuletide round and the exquisite Polish lullaby carol, Lullaby, Little Pearl.

It is just as necessary to the daily life of the pedlar, the goose girl, the wandering violinist, the tailor, the blacksmith, and the children as is the bread they eat. Civilization may in time do away with the simpler arts of men, but the spirit of these songs will live on."—*From the foreword by Eric P. Kelly.*

They are given first place, as is due the old settlers, but the very important Vitamin Triplets—Bottle of Milk, Red Tomato and Orange, followed by seven very lively Mineral Salt Gnomes and some willowy Water Drop Fairies—are fully recognized. Another chart is entitled "Keeping Your House in Order." Cheese, the Carpenter, Life-Saver Lettuce, Furnace Stoker Fat, Spinach, the Plumber, Water, the Superintendent, and the Athletic Potato all cooperate to do the body's work.

"All of the drawings are lively and interesting—good for schoolroom or home nursery. Having neither of these at hand, we are hanging our charts in the Institute laboratory."—*New York Herald Tribune.*

FOOD FOR THE BODY AND FOOD FOR THOUGHT

By Lucy Marvin Adams — 75 cents

Capital for the physical director in teaching ideas of intelligent eating. Dr. Josephine Kenyon says, "For so short a book it is the most accurate and practical that I have seen."

This by no means aims to be a technical treatise nor the scientific deductions of a dietitian. It is that much rarer thing, a practical stimulating little outline that the physical director or any individual can use in the selection of a well balanced diet. Where a technical booklet would have frightened away the very person who needs instruction most, this popularly written pamphlet with its amusing illustrations will get over its points with ease.

"I am giving health instruction to my teachers and find your book most valuable in preparing my work. It is the best book of the kind I have seen and I have looked over many."—*Louise C. Wright, Assistant Supervisor of Physical Education, Board of Education, Cleveland, Ohio.*

FUNDS AND FRIENDS

By Tolman Lee — $1.50

A reviewer in Minnesota Municipalities says that this book "should be read by the man who has the wherewithal to give, by him who gives

of his time, by the one actually directing the work and by those whose duty it is to raise funds."

"I am delighted with the book. It will be of great help to those who raise benevolent funds, for college presidents, denominational secretaries and social agencies. Pastors of large churches in these days must necessarily be men who direct the finances of those churches; such pastors would receive great help from your book."—*Warren H. Denison.*

"While directed primarily towards the needs of canvassers, committee and organizing leaders in social work, the book could be used advantageously by leaders of religious work, particularly in the pastorate. The first half contains much material for the actual canvasser. The chapters on meeting objections are also good for campaign committees."

—*R. P. Stouffer, United Church of Canada.*

GRACE H. DODGE: MERCHANT OF DREAMS

By Abbie Graham $2.00

"That she really possessed these marked and unusual abilities was demonstrated by her career, while no less a judge of business than the late J. Pierpont Morgan said of her that 'she had the finest business brain in the United States, not excepting that of any man.' Possibly the most interesting and significant phase of Miss Graham's biography is her account of how young Grace Dodge tackled this problem of finding work that would be of consequence, and how she grew as the tasks developed or she found new ones until she became, as the title so aptly describes her, 'a merchant of dreams,' visioning and putting through to success one big enterprise after another."—*New York Times.*

"Every young woman in America should read every word of this book. Seldom has America produced such a virile, lovable, useful type of womanhood. She could have lived leisurely 'loafing' her way through life. She chose, however, to work and dream and realize her dreams in a marvelous way—all for the sake of others. Her brilliancy and business ability made her a great achiever. The book is a mechanical beauty and the reading of it will be a joy and inspiration forever."
—*International Journal of Religious Education.*

This simple study course will help the individual girl to relate her Bible reading more closely to her everyday living. Beginning with the idea of God as our Father as she will find it pictured in the New Testament, the author goes on to consider what influence this will have on the girl's daily life. What will be her response in loyalty? What will her prayers mean? How will she work for the new order of the Kingdom?

JESUS' WAY WITH PEOPLE

By Alexander Purdy $1.50

"Religion can no longer operate in restricted areas," says the author. "It must be geared with life in all of its larger relationships. When worship calls us away from life it is a form of emotional luxury which our world cannot permanently tolerate. There ought to be a ministry of comfort in our religion but it is easy to cross the line from comfort to anaesthetics. Our religious life must be geared to the world of our time."

"Most readable and helpful. The author follows his title with the comment 'Suggestions toward a Technique of Christian Behavior' which the book truly contains, based always on the way Jesus dealt with individuals. 'He did not so much launch a theory of the importance of people as He launched his own life into the center of human problems and relationships. He did not save up scintillating sentences for appreciative audiences.' "—*The Survey.*

LAD: AND OTHER STORY PLAYS

By Bertha Palmer Lane — $1.50

"Altogether fascinating, graceful and practicable are these seven plays designed for presentation either out of doors or in the house. They were written for the children of Boxford, Massachusetts, and have met with general acceptation. The title play might have been designed by Hawthorne.

"An appendix gives hints as to costumes and music. Miss Rosamund Lane has adorned the attractive volume with silhouettes as clever as those by the once famous Konewka. It promises great amusement for homes and schools."—*The Boston Transcript.*

"It was a delightful surprise to receive your book **Lad and Other Story Plays** which I have been very pleased to recommend to students recently. I consider it quite worthy in achievement, appliable to child study for both older and younger groups of children and most happy in appeal."
—*Ethel Vienna Bailey, Director Children's Theatre, Boston.*

LITTLE ROBIN STAY-BEHIND AND OTHER PLAYS IN VERSE FOR CHILDREN

By Katharine Lee Bates — $1.50

Twelve plays in verse for children, one for each month of the year, celebrating a special appropriate event.

"A splendid book for neighborhood groups as it furnishes material for the special occasions of each month in the entire year. **Little Robin Stay-Behind** is based on the migration of birds in the autumn."—*Syracuse Herald.*

"Dancing delights await the fortunate children, from seven to seventy, who enter fairy-land through the portals of Katharine Lee Bates' volume of plays, **Little Robin Stay-Behind.** Into a blithe world she leads us, and the best is that it is the old world we know after all. Not that allegory is here to pester; but modern mean-

ings play through the dainty verse, and in the midst of our chuckles comes a sudden catch of the breath. **The Reformed Fourth**, a hundred-per-cent-American drama, ends its jolly fooling with a very solemn appeal. Not only public affairs echo through these tripping melodies; the small actors of the little plays will gain a wholesome intimacy with folk-lore, astronomy, what you will; better still, they will gain a new intimacy with the joy of mere living."—*Vida D. Scudder, The Christian Century.*

MAGIC CASEMENTS

By Ruth Perkins $1.25

An enchanting guide book through the mazes of program making. It calls itself a chronicle rather than a handbook, written as it is out of many a counselor's experience in working out a program which shall open magic casements in the experience of every girl.

It takes its title from an article by E. Merrill Root who urges the need of the adventurous in life. "One should never swallow life," he says, "like a cold pancake—one should take life either as a fairy tale or as a nightmare." Man, he feels, "has a quaint passion for dragons; he feels a divine despair for unicorns; he longs for 'magic casements opening on the foam.'"

And in this chronicle of camp programs we find three or four full programs described in detail which one camp has wrought out of just these subconscious desires for the poetry and picturesqueness of life.

PLACE AND WORK OF THE CHRISTIAN WOMAN IN BUSINESS, THE 50 cents

A discussion which really arrives. It includes individual tests, a chart for the study of each situation discussed and a record of the results of the tests. Designed first and foremost as a help toward straight thinking, and the discovery of the reasons why this is so difficult.

The tests are used to turn up problems in the every-day lives of the group using them.

But the purpose of this discussion course is something far more serious than the mere turning up of problems, fascinating as that is. Its aim is a serious study of the problems turned up, a study which shall get somewhere—hence the page of explanation which is inserted.

The chart for study will point ways to turn discussion into fruitful action.

PRESENT DAY DEFINITION OF CHRISTIANITY, A

By Laura H. Wild 50 cents

For those who do not wish to throw away old values, but do wish to speak in modern terms. The younger generation is tempted to be revolutionary because it does not know the meaning of the old phraseology. The older generation blocks a sympathetic understanding of youth because it does not speak its language. This booklet offers a few suggestions as to "how to get together."

Chapter I recounts some reasons for such a get-together effort.

Chapter II asks some practical questions about our understanding of the term Christianity.

Chapter III asks "What is it to be a Christian?" And Chapter IV lights up the whole question of what evangelical Christianity really is. So many of us have only the vaguest idea.

SAINTS AND LADIES

By Clarissa H. Spencer $1.50

That which gives the book its charm is the joyous humor with which she has infused her narrative, the evident pleasure which she takes in the human qualities of these old-time saints and ladies—who were to her ladies first and saints rather as symbols of something perpetually characteristic of womankind at its best.

We are quite sure that if the portraits were suddenly to resolve themselves into living flesh, Monica, Felicitas, Catherine of Siena or the well-travelled Etheria, whoever it might be, would immediately link her arm into the arm of Clarissa Spencer and the two would go off in animated conversation, the few hundred years of time of not the slightest consequence as between friends.

"Saints and Ladies is finely done. It is the record of the women who have been the friends of Jesus from the first century to this. It avoids, for the most part, sweeping generalities and gives us, in concise form, moving accounts of such women as Monica, among the 'Saints and Martyrs'; Hilda, among the 'Statesmen and Mystics'; Katie von Bora (Luther's wife), Elizabeth Fry, and Sara Pierrepont (wife of Jonathan Edwards), among the 'Wives and Preachers.'"

—The Rt. Rev. Charles L. Slattery, The Churchman.

SECURING CHRISTIAN LEADERS FOR TOMORROW

By Samuel McCrea Cavert $1.50

A study in present problems of recruiting for life work.

"The appeal of Christ" says the author, "is not to leave the ordinary tasks of life and take up what is commonly called 'religious work.' Rather is it to make every business or trade or profession a means of helping to fulfill God's purpose of creating a righteous and brotherly and truly happy world. We must urge that every man set out not merely to *be* a Christian in business but to *make* his business Christian."

In this study Dr. Cavert begins with the child in the home, the church and the school, and studies the influences that mold his character and thinking and govern his choices through his youth and his college life.

VAIN POMP AND GLORY

By Abbie Graham $1.50

Whimsical sketches of incidents in the life of a Methodist circuit minister's daughter. At the age of eight, she joined her father's church and renounced the Vain Pomp and Glory of the World, which consisted of articles in the Montgomery Ward catalogue and premiums in the Youth's Companion. "But," she says, "the world was not yet done with me." The secularizing influence of Montgomery Ward's counteracted the ascetic tendencies of early youth.

She experienced the pomp and glory of the world in Hills for Sale; The Streets of Their Cities; Don't Bother to Pack, Joseph; and Boston. Even the saints of Pleasant Ridge came to understand the beauties of the world and returned them to her on the Boston Common, and so her spirit swaggered a bit as she turned her steps toward Beacon Hill. "May not a mortal swagger when he has just had returned to him a star, set in lavender dusk, and a pale slip of silver long lost."

Excellent for individual or group study.

WAYS OF A BUSINESS WOMAN, THE

By Norris and Clapp — 75 cents

Twelve lessons from life today, followed by twelve lessons from other days, timely, welcome, sound. Designed to bring to Christian business women, throughout the land, a perception of every woman's need—an understanding of the elements of success. A message, simple and practical, but one which goes to the heart of things and points the way toward happiness, usefulness, faithfulness.

Each chapter in this book brings out an outstanding phase of character, such as tact, and through a story illustrates its value in the life of a business girl. The chapter following is taken up at the same time. It connects the story of the business girl with one similar in its ultimate meaning, in the life of some Bible heroine. These lessons bring devotionals into closer touch with the lives of busy working girls. To form character, to teach one to think, is the task they accomplish.

WHAT MAKES UP MY MIND ON INTERNATIONAL QUESTIONS?

Published by *The Inquiry* — 75 cents

Distributed by THE WOMANS PRESS

This takes international affairs out of the list of rather dry subjects to be studied as a matter of duty and brings them home to everyday folk. Instead of talking in terms that only an expert can understand, it asks you to think of the part played in "making up your mind" by the history you studied in public school, by the foreign-born people you knew in your own community, by the yarns you heard during the war, by the newspaper you read every morning.

It is arranged, with the aid of many concrete examples, to help you discover how you really got your present opinions.

WHY AND HOW OF LEISURE-TIME ACTIVITIES FOR YOUNGER EMPLOYED GIRLS

By Zelah Heinbaugh 75 cents

A study into facts which will guide one in directing the leisure time activities of the younger employed girl.

After a general survey of accumulating experience as background, this pamphlet takes up in the first section, the question of how to begin such a study, how to follow it through specific problems and solution questions, using facts as illustrations and finding the best place to begin.

The second section studies first the program, what it is, where it comes from, what makes it satisfactory and second the "watch for development" method of working out the program, what it is and how to use it. Specific illustrations make the study illuminating and helpful.

WOMEN AT THE WORLD'S CROSS ROADS

By A. Maude Royden $1.25

Miss Royden is supremely interested in the opportunity for women in the changing order, when the old generation and the new generation are critical, one of the other. The power of her message is based on the conviction that women, whose experience has taught her to look on the world as a home, God as Father, men as brothers, can make love triumphant in the world's affairs.

YELENKA THE WISE

By Anne Darlington $1.50

A book of dramatized folk tales, woven into plays and operettas having no production royalty. Eleven old tales from Russian, Serbian, Roumanian, Hungarian, Polish, Italian and Greek sources are collected here in book form. Most dramatic and not difficult to produce, they will be eagerly welcomed by all groups interested in plays as well as those whose interest is the customs and lore of other races.

"They are so well done as to make entertaining reading for anyone who likes quaint old stories in dialogue. They have been kept simple but the

prose is excellent, the action lively, and the peculiar charm of each nationality well guarded. Old folk songs and dances have been woven in with such skill that one cannot detect the patches."

ADVENTURE IN FRIENDSHIP, AN 50 cents

By Barbara Abel. 6 principal characters and as many club girls and Girl Reserves as desired. Time: About 30 minutes. Setting: A girl's room.

An entertaining one-act play about a girl who learned that she could not forget the girls of other countries and about what happened when she learned it. An unusual presentation of world fellowship.

ALICE IN WONDERLAND $1.00

By May E. Phipps and Marjorie Van Horn. Royalty $1.00 for each performance. 10 principal characters, and groups of children for flowers, dances, etc. Time: one to one and a half hours. One outdoor setting is used throughout.

This operetta is the best dramatization of Lewis Carroll's extravaganza that we know. Full costuming and producing directions are given; music is included. Although this is intended primarily for children, grown-ups will re-experience all the fresh delight of their first youthful plunge through the rabbit hole.

AMONG THE FAIRIES 50 cents

By Adele M. Allmann. 32 or more children. Time: 45 minutes. Setting: A garden in which huge artificial flowers grow. Indoor stage preferable.

An attractive, simple operetta for younger children, introducing dancing, a few speaking parts, and pretty costumes. Fairies, elves, and mortals take part.

AMOS 50 cents

Written and produced by students in the University of Oklahoma under the direction of Mary DeBardeleben. 9 men, 2 women, people for the mob, etc. Time: About 35 minutes. Outdoor settings.

The fiery hero of the Old Testament, Amos, is made to live vividly before us through an incident that gives a brief yet dramatic glimpse into one of the times of tense national struggle within the Hebrew nation.

AND WHO CAN THIS SPIRIT BE? 50 cents

By Emma Mauritz Larson. Royalty: $1.00 for each performance. 3 principal characters and 40 or more girls. Time: Plays a full evening. Setting: Easily improvised.

This presentation of the scope and spirit of the Y.W.C.A. introduces Negro, Indian, immigrant, foreign, college, industrial, and country girls, the mysterious Spirit, and Two Curious Folk. The pageant progresses in eight episodes. The costuming is simple. Recommended for annual meetings, college budget weeks and such occasions.

AT THE SIGN OF THE BOAR'S HEAD 50 cents

By Vida R. Sutton. 11 principal characters, guards and soldiers. Time: 1 hour. Setting: A room in a Revolutionary mansion, shifted to represent the interior of an inn.

A charming tale of love, loyalty and adventure, told in an enchanted hour when the great-great-grandfathers and grandmothers step out of their portraits into their stirring youth again. A secret message is successfully carried to General Washington. Spies, ghosts and witches add more interest to a costume play.

AT THE TURN OF TIDE

See **Spirit of America Plays**, page 62.

BELLE AND BEAU 50 cents

By Constance Smedley Armfield. Royalty $5.00. 1 man, 1 woman. Time: About 30 minutes. Setting: A garden.

A little dance-play in rhymed verse about an heiress who has refused offers of comfort, wealth and beauty. When Beau in despair presents love in a cottage, she delightedly accepts. Care must be given to making the details perfect or the effect of a quaintly formal dialogue of Dresden china figurines will be lost. Popular for Saint Valentine's Day.

BRIGHTNESS OF HIS RISING, THE 50 cents

By Margaret Lynch Conger. About 21 characters. Prologue, 3 episodes. Time: About 45 minutes. Settings: A dusty roadside; heaven: a field in Judea; interior of the stable.

The historical setting into which Christ came is portrayed in a dramatic prologue. The first of the three episodes which follow gives the plea of Truth, Justice, and other spirits for relief for the Children of Men; the

second episode shows Earth's preparation; and the last is the familiar nativity scene in the stable at Bethlehem.

BROWN BULL OF NORWAY, THE 50 cents

By Margaret Lynch Conger. 16 principal characters, attendants, heralds, servants, townspeople. Time: About 1 hour. Settings: The King's court; the Bull's palace; a heath upon which a hut stands; a town market-place in Norway.

This is a dramatization of an old Norse legend of an enchanted prince and a courageous princess who marries him in order to save her people. After many trials the prince is restored to his proper form and he and the princess win back their happiness by the contest of the golden balls.

CANTON PEARLS 50 cents

By Jean Grigsby Paxton. 7 characters. 3 acts. Settings: A room in a Chinese home; a girl's room at True Light School; a garden.

Fung Yan goes from her aristocratic Chinese home to the True Light School in Canton. She distrusts the western civilization, and particularly the Christian religion. Time and association with the "foreign devils" change her opinion and she finally becomes a Christian. The contest of the old with the new is sympathetically portrayed.

CAT FEAR 50 cents

By Marion Norris Gleason. Royalty $5.00; to Association groups $2.50. 2 women, 2 men, dancing maidens. Setting: A garden.

A fanciful Japanese comedy in pantomime with music. Not difficult to produce although it needs careful directing and rehearsing. Delightful to vary or lighten a program or as a curtain raiser.

CHALICE AND THE CUP, THE 50 cents

By Mary S. Edgar. 2 principal characters; any number of girls; a choir. Time: About 30 minutes. Setting: An empty stage with dark hangings.

An Easter service suitable for any time during the Easter season. The church with her message of Christ's death and resurrection gives inspiration and responsibility to Association Spirit, who in turn passes it on to the girls of many lands. Any organization may use it by substituting another name for Association Spirit and making a few minor changes.

CHRIST IS BORN AT BETHLEHEM 50 cents

By Vida R. Sutton. 16 characters and an angel chorus. 3 scenes. Settings: A stage with dark blue hangings, which, by raising and lowering the lights, may be made to represent a Judean hillside and a setting for the manger cradle.

A very beautiful nativity play introducing prophets, angels, shepherds and kings, with a chorus singing the familiar Christmas carols.

CHRISTMAS BOOK, A 50 cents

By May E. Phipps and Marjorie Van Horn. 17 principal characters; children for the bell dance and elf dance; fairies, toys, jumping-jacks, snowflakes, garland dancers, minuet dancers. Time: 1 hour. Setting: A living room the night before Christmas.

The Christmas book opens to the children, and for their delight, Santa Claus, the elves, the toys, Jack Frost and the snowflakes, troop out. Dancing, drills and songs are used. Good for school use.

Physical education departments will find that this offers a splendid program for a Christmas exhibition which will use all the dances and drills they have been teaching.

CHRISTMAS STORY, THE 50 cents

By Jane T. Miller. 50 characters. 6 tableaus. Time: About an hour and a half. Settings: The wise men's desert camp; before the inn at Bethlehem; a hillside in Judea; the Sanhedrim; in Herod's court; in the stable at Bethlehem.

The text and description of Lew Wallace's *Ben Hur* have been used as the background for six tableaus which beautifully present the story of Christ's birth and the events immediately preceding and following it. The music of the old, well-known Christmas carols is well fitted to the text and atmosphere of the story.

CHRISTMAS TREE BLUEBIRD, THE 50 cents

By Mary S. Edgar. Royalty $1.00. 3 principal characters, club members, brownies, tenement children. Settings: A sitting room with a fireplace; a workshop; a shabby room.

The story of Tyltyl and Mytyl inspires eight girls to hunt for the bluebird themselves. May be used with slight changes at any time during the year.

CIRCUS, A 75 cents

By Helen Durham. A large cast, varying with available material. Time: An entire evening. Settings: 11 "big acts" made up of numerous stunts.

Efficient management and cooperation will produce an unusually entertaining performance. This has frequently been given by groups as a money raising entertainment.

CONSPIRACY OF SPRING, THE 50 cents

By Mary S. Edgar. Royalty $2.00. 18 little girls. Time: 45 minutes. Setting: Out of doors.

Appropriate for May Day or any spring festival. The Nature Sprites—robin, butterfly, rivulet, blue sky, and dawn—and all the daisies, violets and roses struggle to win the Earth Mortal's homage to Spring. Not difficult. Sunday school or church groups will find it useful.

CROWNING OF SPRING, THE 50 cents

By Sara Kingsbury. 8 principal characters. 3 acts. Time: Dependent upon length of dances. Settings: A lawn; a court before Winter's palace.

A pretty, imaginative spring play. A fairly large cast is needed to show the elaborate costuming to advantage and for the group dances. Spring and Winter vie for supremacy, the former winning after lesser defeats. Well adapted to school use.

CURIOUS HERBAL, THE 50 cents

By Constance Smedley Armfield. 3 characters—2 men and 1 woman. Time: About 30 minutes. Setting: An old Chelsea garden.

Clever Mrs. Blackwell visits an old Chelsea garden and persuades crochety old Dr. Miller to do as she wishes and aid her husband. A fanciful piece in the rhymed verse of the 18th century stage. For experienced actors.

DARKNESS AND DAWN 50 cents

By Frederica Le F. Bellamy. 16 characters. 3 episodes. Time: 1 hour. Setting: A hillside near Joseph's garden.

A mystery play for Easter, dealing with the thoughts and feelings of children and simple folk during the darkness of the crucifixion, the night of the entombment, and the dawn of Easter morning. In the first episode the children have lost their way in the darkness and talk together of what they have learned of this Jesus. The second episode is a meeting between two sentries of the Roman guard. The last episode brings the children to the garden, where they learn of the empty tomb and the risen Christ.

DRAMA OF ESTHER, THE 50 cents

About 30 characters. 3 acts, 8 scenes. Time: 50 minutes. Settings: Interior of an oriental house throne room of the King's palace; before the King's gate; Esther's apartments; another room of the palace.

A dramatization of the Bible narrative which brings out the human interest strongly and gives the oriental setting and culture with unusual accuracy.

ENCHANTED URN, THE 50 cents

By Hazel MacKaye. Royalty $5.00; $2.50 to Associations. A pantomime with 3 principal characters and 10 nymphs of the urn. 3 acts. Time: 45 minutes. Setting: Courtyard of a Grecian house.

A passionate love of music and poetry has been inherited by Lesbia from her poet father. Eunice, her mother, fearful lest Lesbia become too absorbed by her musical gifts, tells her they must be kept sacred to the name of the departed poet, whose ashes rest in the great urn in the courtyard. But Lesbia cannot resist her harp. Her music awakens the nymphs who support the urn and after a brief moment of dancing and play with

them, Lesbia finds herself under the spell, compelled to join the circle about the urn. Eunice's great love, together with her wisdom, restores her daughter to life.

EVERY GIRL 50 cents

By Mary E. Edgar. 14 principal characters; club girls, campers, children. 3 scenes. Time: A full evening. Settings: Out of doors; a club room; a girls' camp.

Every Girl meets her old, old friends—Health, Dreams and Beauty—and goes with them in search of the Land of Heart's Desire. Through several joyous adventures, with Association Spirit as her guide, she arrives at her destination. Girl Reserve groups wishing to present the meaning of the movement to outsiders or to their own members use this constantly.

EVERY GIRL'S HEALTH

By Jane Bellows. See *Books of General Interest.*

FASHION REVIEW—DOWN PETTICOAT LANE 50 cents

By Helen Durham. Royalty $5.00. 19 or more characters. 2 parts. Setting: A garden on Petticoat Lane.

All the ladies of fashion—from the time of Pocahontas down to the present—pass before us in pageant in the first part. Various fads and fancies of today make up part 2. Pantomime with song is used throughout.

FESTIVAL OF DAYS, THE 50 cents

By Lucy South Proudfoot. 40 to 100 characters.

The Festival of Days is planned to provide a pageant in which the members of all the dancing classes may take part. The dances vary in difficulty from very simple to fairly advanced work.

Full costuming suggestions are given, and there are directions for finding music and dances suitable to the most outstanding of the days. But *all* the days are there—birthday, circus day, longest day, even pay day, in a costume lavishly bedight with dollars. A very effective entertainment.

FESTIVAL OF PROSERPINA, THE 50 cents

By Margaret Lynch Conger. 7 main characters; attendants, flowers, insects. 8 episodes, 3 scenes. Settings: A meadow; before Pluto's palace; on Mount Olympus.

A charming celebration of the return of spring, using the old Greek myth. Written with a nice sense of humor, in delightful modern English, and giving opportunity for some unusual dance effects, this has been used successfully by schools, clubs, and groups of girls, or girls and boys.

FESTIVAL OF THE HARVEST MOON, THE 50 cents

By Sue Ann Wilson. 17 principal characters, 21 groups. 6 episodes. Time: An entire evening. Setting: A large hall.

A whole community should join in this colorful Thanksgiving entertainment. Song, dance, history and literature all find expression here.

FESTIVAL OF YANKEE DOODLE, THE 50 cents

By Sue Ann Wilson. 10 principal characters, 17 groups of 2 or more. 5 episodes. Setting: A large field or hall, with seating space on three sides. A raised dais in the center.

The idea of the festival is a community get-together, combining pageant and recreational features with community singing. Suited to Fourth of July production. The episodes can be separately worked up, and arranged so that the audience as well as the performers may have a part.

FIRST NOWELL, THE 50 cents

By Claudine E. Clements. Prologue, epilogue and three episodes. Settings: The kitchen of an inn; the yard of an inn, an open field, and the interior of the stable-cave all at Bethlehem.

Christmas Eve in Old England finds Mistress Winston preparing "cheer" for the guests of the inn. A chair-mender, a lavender-seller and a weary woman with a little child receive warm welcome and shelter. As she falls asleep she talks in a dream with the Mender of Souls and the Seller of Dreams, who are journeying toward Bethlehem. The scene then shifts to Bethlehem and in three episodes the nativity story is told. The weaving of Mistress Winston's own experience and thought into the dream is cleverly done, and combined with the old English carols and the festive atmosphere of the inn, it makes this play unusually vivid.

FOLK FESTIVALS AND THE FOREIGN COMMUNITY

By Dorothy Gladys Spicer. See *Books of General Interest.*

FOOLS AND THE FAIRIES, THE $1.00

Arranged by Percy A. Scholes. Music by Martin Shaw. 30 or more characters. 6 scenes. Settings: Interior of a house; a wood; the Duke's palace.

A musical play for schools or similar organizations, containing every bit of Shakespeare's "Midsummer Night's Dream" save the "love making and love marring." LITTLE PATRIOT and BARBARA FRIETCHIE 50 cents

By Margaret Getchell Parsons. Two short plays by the author of Red Letter Day Plays.

The Little Patriot is a play founded upon a supposedly true incident in the life of George Washington. The entire play takes place in the dining room of a colonial house. Four men, one of whom is of course General Washington, and a little girl (or boy, if all boys want to give the play) compose the cast.

In **Barbara Frietchie** the play takes place in the parlor of Barbara's house. Two young girls and Mandy Lee, a little colored girl, are the characters, but off-stage someone must impersonate General Jackson, and his soldiers must make themselves heard.

Both these plays are simple to produce but have good dramatic quality. We recommend them for any teen-age group.

WAYSIDE PIPER, THE 50 cents

By Mary S. Edgar. 21 characters. 6 scenes. Settings: A wayside; an arbor; a workshop; out of doors.

Into the Piper's flute, Faith, Hope and Love have breathed the essence of themselves to produce a clear, beautiful melody. With this the Piper goes forth into the wayside places of life, awakening a responsiveness from those who hear him.

WHICH WAY OUT? 50 cents

By Florence Wells. 7 men, 3 women. Time: 45 minutes. Setting: A prosperous Chinese home.

A clever comedy, full of dramatic possibilities and consequently easily played. A Chinese girl returns home from school determined to become a physician. How, with the aid of a school friend, she escapes the marriage arranged for her by her faither, but escapes in such a way that her father does not "lose face," is the story of the play.

WOOINGS AND WITCHES 50 cents

By Vida R. Sutton. 15 characters. Settings: A wood; an improvised balcony; a street; a room simply furnished; a luxurious interior—a set of hangings and a few properties.

The Jester introduces Titania and Bottom, Romeo and Juliet, Henry V and Katherine, Petruchio and Katharine the Shrew, Richard II and Anne. They give their love scenes. The witches mix a brew and confuse the lovers. Wrongly paired, each answers the speeches of the other with mirth-provoking results, until released.

Is Worship a Lost Art? 15 cents
By Mary Ely Lyman

"If we are called to fellowship with a God whose enterprises we can share, worship takes on a new and creative thinking about how to make use of the new freedom so that we shall be actually achieving this fellowship."

From the article.

The Romance of an Industrial Worker's Job 15 cents
By A. J. Muste

"Here is the industrial worker's job—in the challenge of the bigness, the complexity, the evils, the possibilities of modern industry. To plan how to mould these vast, complex, sometimes harsh realities nearer to our hearts' desire and then to work together to make the dream real, therein lies the possibility of the deepest joy, the wildest fun, the profoundest satisfaction for us."

In Content and in Mechanical Excellence

It means that it is a book of more than ordinary importance, unique in its field, and of lasting value, a book that the discriminating reader, the student, and the library may purchase with complete assurance as to its worth.
